

Last Updated: September 8, 2016

Understanding this Summary.

This report is generated based on the information you provided for your School District Mental Health Profile.

This profile provides a snapshot of the structure and operations of your school district's comprehensive school mental health system.

Number of schools in your district:

19

Number of students in grades K-12:

12,574

Grades served:

K-12

About Your School District Mental Health Report

Congratulations! Your district's team has been counted in the National School Mental Health Census and achieved Bronze SHAPE recognition for completing the School Mental Health Profile. Complete the National School Mental Health Performance Measures on SHAPE (the Quality and Sustainability Assessments) to achieve Silver and Gold SHAPE Recognition.

Schools and districts who register with SHAPE aspire toward having strong school-community-family partnerships that provide a multi-tiered continuum of evidence-based mental health services to support students, families, and the school community.

To learn more about this team's SHAPE account, inquire about being added as a team member, and/or join them in their quality improvement and sustainability efforts, contact the team leader.

To register a new school or district with SHAPE, please visit: <https://theshapesystem.com/register>.
