

SHAPE your School Mental Health System!

What is The School Health Assessment and Performance Evaluation (SHAPE) System?

www.theSHAPESystem.com

The School Health Assessment and Performance Evaluation (SHAPE) System is a **free**, interactive system designed to improve school mental health **accountability, excellence, and sustainability**. The SHAPE System is part of the U.S. Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau effort to expand and improve the quality of comprehensive school mental health systems in the United States.

◆ Custom Reports

Self-assess your school mental health system's quality and sustainability based on national standardized performance measures just for school mental health. Each time your team works together to submit information on SHAPE, you will have access to free, customized reports reflecting your school's or district's data.

◆ Strategic Team Planning

Invite any school-based, community or school employed team members to your SHAPE account, where you can work as a coordinated, collaborative team to assess, document and action plan around the quality and sustainability of your school mental health services and supports.

◆ Free Resources

With a SHAPE account, you and your team members have access to a comprehensive repository with up-to-date, public access resources hand selected by a team of school mental health experts.

◆ Be Counted in the National School Mental Health Census

By engaging with The SHAPE System, your school or district mental health system will become part of the national school mental health movement toward quality and sustainability.
