TITLE IV-A PROGRAM UPDATES

CONSOLIDATED STATE PERFORMANCE REPORT (CSPR) 2018-2019 SY, CONT.

- Title IV-A is currently not one of the programs included in the CSPR, but it will be added in the **2018-2019 school year data collection**. The specific data submission period has not been established. Most likely in the Spring 2020.
- For the Title IV-A program, data collected through the CSPR are state-level data. States will need to collect data from LEAs and aggregate the data.
- The data will be entered (manual entry) in the Annual Performance Reporting Tool in the EMAPS platform. For specific questions regarding the CSPR process in your State, please contact your State's CSPR Coordinator.

CSPR Workbook

- The T4PA Center has designed a workbook to help you calculate your CSPR contribution for Title IV, Part A.
- There are two sections to the workbook.
 - A summary page
 - A LEA detail page

Important Caveats

- This Excel workbook is currently in draft format and will be released during the State Coordinator meeting in December.
- The reporting period is currently under consideration and will be decided by the December meeting.
- The definition of school year will determine which fiscal years' spending will be included in the workbook calculations.

Detail Page

- The detail page allows LEAs to enter:
 - If the LEA spent funds in the area (important for those LEAs receiving less than \$30,000).
 - The dollar amount spent in that priority area.
