

Alaska Compilation of School Discipline Laws and Regulations

Prepared: April 3, 2019

Introduction

This compilation presents school discipline-related laws and regulations for U.S. states, U.S. territories, and the District of Columbia, and, where available, links to education agency websites or resources related to school discipline and student conduct. The discipline laws and regulations presented in this compilation have been categorized by type of specific discipline issue covered, according to an organizational framework developed by the National Center for Safe and Supportive Learning Environments (NCSSE). For example, one major category encompasses all laws or regulations governing states or territories that mandate specific disciplinary sanctions (such as suspension) for specific offenses (such as drug possession on school grounds). The school discipline laws and regulations were compiled through exhaustive searches of legislative websites that identified all laws and regulations relevant to each specific category. Compiled materials were subsequently reviewed by state education agency (SEA) representatives in the 50 states, Washington D.C., and the U.S. territories.

Discipline categories were not mutually exclusive. Laws and regulations often appeared across multiple categories. For jurisdictions with more extensive laws covering a breadth of topical areas, relevant sections were excerpted from the larger legislative text for inclusion in the appropriate discipline category. Laws, ordered by chapter and section number, appear first within each category followed by regulations. All laws and regulations listed within categories in the compilation also appear in the sources cited section of the document, which lists laws by chapter and section number and title, and where available, includes active hyperlinks to source websites supported or maintained by state legislatures. Additional links to government websites or resources are provided at the end of this document.

4 AAC 06.230. Victim of a violent criminal offense.

(a) Within 10 days after an incident in which a student is a victim of a violent criminal offense on the grounds of the school attended by the student, a district shall notify the parents of the student that the parents may, within 30 days after the notice is sent, elect to have the student transferred to the parent's choice of one of two or more safe schools within the district. If a parent timely requests a transfer under this section, the district shall provide the transfer within 30 days after receiving the request.

(b) Within 10 days after receiving notice that an incident of violence on school grounds may have occurred, a district shall determine whether substantial evidence indicates that a student was a victim of a violent criminal offense. A district shall consider a student eligible for a transfer under this section if substantial evidence indicates that the student was a victim of a violent criminal offense on the grounds of the school attended by the student. If a district refuses to offer to transfer a student whom the student's parent believes was the victim of a violent criminal offense, the parent may appeal to the commissioner within 30 days after receipt of the refusal. The commissioner or the commissioner's designee may use the existing record or may hear additional evidence to determine whether the student is eligible for a transfer under (a) of this section. Nothing in this section gives a determination by the district or the commissioner under this section preclusive effect in any other legal proceeding. A decision by the commissioner or the commissioner's designee is a final decision for purposes of judicial review.

(c) A district is not required to provide the notice or transfer option required under (a) of this section to a student who attends a youth detention center but shall notify the parents of the incident.

(d) A district that has only one public school of the appropriate grade level is not required to create an additional public school in order to comply with (a) of this section.

(e) In this section, "violent criminal offense" means an incident, regardless of whether it was the subject of a criminal charge, that would establish the elements of an offense under

- (1) AS 11.41 (Offenses Against the Person);
- (2) AS 11.61.160 (Recruiting a Gang Member in the First Degree); or
- (3) AS 11.61.195 (Misconduct Involving Weapons in the First Degree).
