California
Compilation of School Discipline Laws and Regulations

Prepared: April 3, 2019
**Introduction**

This compilation presents school discipline-related laws and regulations for U.S. states, U.S. territories, and the District of Columbia, and, where available, links to education agency websites or resources related to school discipline and student conduct. The discipline laws and regulations presented in this compilation have been categorized by type of specific discipline issue covered, according to an organizational framework developed by the National Center for Safe and Supportive Learning Environments (NCSSLE). For example, one major category encompasses all laws or regulations governing states or territories that mandate specific disciplinary sanctions (such as suspension) for specific offenses (such as drug possession on school grounds). The school discipline laws and regulations were compiled through exhaustive searches of legislative websites that identified all laws and regulations relevant to each specific category. Compiled materials were subsequently reviewed by state education agency (SEA) representatives in the 50 states, Washington D.C., and the U.S. territories.

Discipline categories were not mutually exclusive. Laws and regulations often appeared across multiple categories. For jurisdictions with more extensive laws covering a breadth of topical areas, relevant sections were excerpted from the larger legislative text for inclusion in the appropriate discipline category. Laws, ordered by chapter and section number, appear first within each category followed by regulations. All laws and regulations listed within categories in the compilation also appear in the sources cited section of the document, which lists laws by chapter and section number and title, and where available, includes active hyperlinks to source websites supported or maintained by state legislatures. Additional links to government websites or resources are provided at the end of this document.

Authority to develop and establish rules of conduct

LAWS

EDC 221.1
The State Board of Education shall adopt regulations pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, commonly referred to as the rulemaking provisions of the Administrative Procedure Act, to implement this chapter.

EDC 32280.
It is the intent of the Legislature that all California public schools, in kindergarten, and grades 1 to 12, inclusive, operated by school districts, in cooperation with local law enforcement agencies, community leaders, parents, pupils, teachers, administrators, classified employees, and other persons who may be interested in the prevention of campus crime and violence, develop a comprehensive school safety plan that addresses the safety concerns identified through a systematic planning process. It is also the intent of the Legislature that all school staff be trained on the comprehensive school safety plan. For the purposes of this section, law enforcement agencies include local police departments, county sheriffs’ offices, school district police or security departments, probation departments, and district attorneys’ offices. For purposes of this section, a “safety plan” means a plan to develop strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on the school EDC 32281.

(a) Each school district and county office of education is responsible for the overall development of all comprehensive school safety plans for its schools operating kindergarten or any of grades 1 to 12, inclusive.

(b) (1) Except as provided in subdivision (d) with regard to a small school district, the schoolsite council established pursuant to former Section 52012, as it existed before July 1, 2005, or Section 52852 shall write and develop a comprehensive school safety plan relevant to the needs and resources of that particular school.

(2) The schoolsite council may delegate this responsibility to a school safety planning committee made up of the following members:

(A) The principal or the principal’s designee.
(B) One teacher who is a representative of the recognized certificated employee organization.
(C) One parent whose child attends the school.
(D) One classified employee who is a representative of the recognized classified employee organization.
(E) Other members, if desired.

(3) The schoolsite council shall consult with a representative from a law enforcement agency, a fire department, and other first responder entities in the writing and development of the comprehensive school safety plan. The comprehensive school safety plan and any updates to the plan shall be shared with the law enforcement agency, the fire department, and the other first responder entities.

(4) In the absence of a schoolsite council, the members specified in paragraph (2) shall serve as the school safety planning committee.

(c) This article does not limit or take away the authority of school boards as guaranteed under this code.
(d) (1) Subdivision (b) shall not apply to a small school district, as defined in paragraph (2), if the small school district develops a districtwide comprehensive school safety plan that is applicable to each schoolsite.

(2) As used in this article, “small school district” means a school district that has fewer than 2,501 units of average daily attendance at the beginning of each fiscal year.

(e) (1) When a principal or his or her designee verifies through local law enforcement officials that a report has been filed of the occurrence of a violent crime on the schoolsite of an elementary or secondary school at which he or she is the principal, the principal or the principal’s designee may send to each pupil’s parent or legal guardian and each school employee a written notice of the occurrence and general nature of the crime. If the principal or his or her designee chooses to send the written notice, the Legislature encourages the notice be sent no later than the end of business on the second regular workday after the verification. If, at the time of verification, local law enforcement officials determine that notification of the violent crime would hinder an ongoing investigation, the notification authorized by this subdivision shall be made within a reasonable period of time, to be determined by the local law enforcement agency and the school district. For purposes of this section, an act considered a “violent crime” shall meet the definition of Section 67381 and be an act for which a pupil could or would be expelled pursuant to Section 48915.

(2) This subdivision does not create any liability in a school district or its employees for complying with paragraph (1).

(f) (1) Notwithstanding subdivision (b), a school district or county office of education may, in consultation with law enforcement officials, elect to not have its schoolsite council develop and write those portions of its comprehensive school safety plan that include tactical responses to criminal incidents that may result in death or serious bodily injury at the schoolsite. The portions of a comprehensive school safety plan that include tactical responses to criminal incidents may be developed by administrators of the school district or county office of education in consultation with law enforcement officials and with a representative of an exclusive bargaining unit of employees of that school district or county office of education, if he or she chooses to participate. The school district or county office of education may elect not to disclose those portions of the comprehensive school safety plan that include tactical responses to criminal incidents.

(2) As used in this article, “tactical responses to criminal incidents” means steps taken to safeguard pupils and staff, to secure the affected school premises, and to apprehend the criminal perpetrator or perpetrators.

(3) This subdivision does not preclude the governing board of a school district or county office of education from conferring in a closed session with law enforcement officials pursuant to Section 54957 of the Government Code to approve a tactical response plan developed in consultation with those officials pursuant to this subdivision. Any vote to approve the tactical response plan shall be announced in open session following the closed session.

(4) This subdivision does not reduce or eliminate the requirements of Section 32282.

EDC 33031.
The board shall adopt rules and regulations not inconsistent with the laws of this state (a) for its own government, (b) for the government of its appointees and employees, (c) for the government of the day and evening elementary schools, the day and evening secondary schools, and the technical and vocational schools of the state, and (d) for the government of other schools, excepting the University of California, the California State University, and the California Community Colleges, as may receive in whole or in part financial support from the state.
The rules and regulations adopted shall be published for distribution as soon as practicable after adoption.

A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent of the school district or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r), inclusive:
(v) For a pupil subject to discipline under this section, a superintendent of the school district or principal may use his or her discretion to provide alternatives to suspension or expulsion that are age appropriate and designed to address and correct the pupil’s specific misbehavior as specified in Section 48900.5.
(w) It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities.
EDC 48900.5
(a) Suspension, including supervised suspension as described in Section 48911.1, shall be imposed only when other means of correction fail to bring about proper conduct. A school district may document the other means of correction used and place that documentation in the pupil’s record, which may be accessed pursuant to Section 49069. However, a pupil, including an individual with exceptional needs, as defined in Section 56026, may be suspended, subject to Section 1415 of Title 20 of the United States Code, for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Section 48900 or that the pupil’s presence causes a danger to persons.
(b) Other means of correction include, but are not limited to, the following:
   (1) A conference between school personnel, the pupil’s parent or guardian, and the pupil.
   (2) Referrals to the school counselor, psychologist, social worker, child welfare attendance personnel, or other school support service personnel for case management and counseling.
   (3) Study teams, guidance teams, resource panel teams, or other intervention-related teams that assess the behavior, and develop and implement individualized plans to address the behavior in partnership with the pupil and his or her parents.
   (4) Referral for a comprehensive psychosocial or psychoeducational assessment, including for purposes of creating an individualized education program, or a plan adopted pursuant to Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 794(a)).

   (6) Participation in a restorative justice program.
   (7) A positive behavior support approach with tiered interventions that occur during the schoolday on campus.
   (8) After-school programs that address specific behavioral issues or expose pupils to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups.
   (9) Any of the alternatives described in Section 48900.6.

EDC 48900.6.
As part of or instead of disciplinary action prescribed by this article, the principal of a school, the principal’s designee, the superintendent of schools, or the governing board may require a pupil to perform community service on school grounds or, with written permission of the parent or guardian of the pupil, off school grounds, during the pupil’s nonschool hours. For the purposes of this section, “community service” may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. This section does not apply if a pupil has been suspended, pending expulsion, pursuant to Section 48915. However, this section applies if the recommended expulsion is not implemented or is, itself, suspended by stipulation or other administrative action.

EDC 48911.1.
(a) A pupil suspended from a school for any of the reasons enumerated in Sections 48900 and 48900.2 may be assigned, by the principal or the principal’s designee, to a supervised suspension classroom for the entire period of suspension if the pupil poses no imminent danger or threat to the campus, pupils, or staff, or if an action to expel the pupil has not been initiated.
(b) Pupils assigned to a supervised suspension classroom shall be separated from other pupils at the schoolsite for the period of suspension in a separate classroom, building, or site for pupils under suspension.

EDC 48911.2.
(a) If the number of pupils suspended from school during the prior school year exceeded 30 percent of the school's enrollment, the school should consider doing at least one of the following:

1. Implement the supervised suspension program described in Section 48911.1.
2. Implement an alternative to the school's off-campus suspension program, which involves a progressive discipline approach that occurs during the schoolday on campus, using any of the following activities:
   A. Conferences between the school staff, parents, and pupils.
   B. Referral to the school counselor, psychologist, child welfare attendance personnel, or other school support service staff.
   C. Detention.
   D. Study teams, guidance teams, resource panel teams, or other assessment-related teams.

(b) At the end of the academic year, the school may report to the district superintendent in charge of school support services, or other comparable administrator if that position does not exist, on the rate of reduction in the school's off-campus suspensions and the plan or activities used to comply with subdivision (a).

(c) It is the intent of the Legislature to encourage schools that choose to implement this section to examine alternatives to off-campus suspensions that lead to resolution of pupil misconduct without sending pupils off campus. Schools that use this section should not be precluded from suspending pupils to an off-campus site.

EDC 48917.
(a) The governing board, upon voting to expel a pupil, may suspend the enforcement of the expulsion order for a period of not more than one calendar year and may, as a condition of the suspension of enforcement, assign the pupil to a school, class, or program that is deemed appropriate for the rehabilitation of the pupil. The rehabilitation program to which the pupil is assigned may provide for the involvement of the pupil's parent or guardian in his or her child's education in ways that are specified in the rehabilitation program. A parent or guardian's refusal to participate in the rehabilitation program shall not be considered in the governing board's determination as to whether the pupil has satisfactorily completed the rehabilitation program.

Use of corporal punishment

LAWS

EDC 44807.
Every teacher in the public schools shall hold pupils to a strict account for their conduct on the way to and from school, on the playgrounds, or during recess. A teacher, vice principal, principal, or any other certificated employee of a school district, shall not be subject to criminal prosecution or criminal penalties for the exercise, during the performance of his duties, of the same degree of physical control over a pupil...
that a parent would be legally privileged to exercise but which in no event shall exceed the amount of physical control reasonably necessary to maintain order, protect property, or protect the health and safety of pupils, or to maintain proper and appropriate conditions conducive to learning. The provisions of this section are in addition to and do not supersede the provisions of Section 49000.

EDC 49000.
The Legislature finds and declares that the protection against corporal punishment, which extends to other citizens in other walks of life, should include children while they are under the control of the public schools. Children of school age are at the most vulnerable and impressionable period of their lives and it is wholly reasonable that the safeguards to the integrity and sanctity of their bodies should be, at this tender age, at least equal to that afforded to other citizens.

EDC 49001.
(a) For the purposes of this section “corporal punishment” means the willful infliction of, or willfully causing the infliction of, physical pain on a pupil. An amount of force that is reasonable and necessary for a person employed by or engaged in a public school to quell a disturbance threatening physical injury to persons or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section. Physical pain or discomfort caused by athletic competition or other such recreational activity, voluntarily engaged in by the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section.

(b) No person employed by or engaged in a public school shall inflict, or cause to be inflicted corporal punishment upon a pupil. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or authorizing the infliction of corporal punishment upon a pupil attending a public school is void and unenforceable.

(u) As used in this section, “school property” includes, but is not limited to, electronic files and databases.

(v) For a pupil subject to discipline under this section, a superintendent of the school district or principal may use his or her discretion to provide alternatives to suspension or expulsion that are age appropriate and designed to address and correct the pupil’s specific misbehavior as specified in Section 48900.5.

(w) It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities.
EDC 48900.2.
In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5.

For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This section shall not apply to pupils enrolled in kindergarten and grades 1 to 3, inclusive.

EDC 48900.3.
In addition to the reasons set forth in Sections 48900 and 48900.2, a pupil in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has caused, attempted to cause, threatened to cause, or participated in an act of, hate violence, as defined in subdivision (e) of Section 233.

EDC 48900.4.
In addition to the grounds specified in Sections 48900 and 48900.2, a pupil enrolled in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment.

EDC 48900.7
(a) In addition to the reasons specified in Sections 48900, 48900.2, 48900.3, and 48900.4, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terrorist threats against school officials or school property, or both.

(b) For the purposes of this section, “terroristic threat” shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family’s safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

EDC 48915.
(a) (1) Except as provided in subdivisions (c) and (e), the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct:
(A) Causing serious physical injury to another person, except in self-defense.

(B) Possession of any knife or other dangerous object of no reasonable use to the pupil.

(C) Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for either of the following:
   (i) The first offense for the possession of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis.
   (ii) The possession of over-the-counter medication for use by the pupil for medical purposes or medication prescribed for the pupil by a physician.

(D) Robbery or extortion.

(E) Assault or battery, as defined in Sections 240 and 242 of the Penal Code, upon any school employee.

(2) If the principal or the superintendent of schools makes a determination as described in paragraph (1), he or she is encouraged to do so as quickly as possible to ensure that the pupil does not lose instructional time.

(b) Upon recommendation by the principal or the superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board of a school district may order a pupil expelled upon finding that the pupil committed an act listed in paragraph (1) of subdivision (a) or in subdivision (a), (b), (c), (d), or (e) of Section 48900. A decision to expel a pupil for any of those acts shall be based on a finding of one or both of the following:
   (1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
   (2) Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(c) The principal or superintendent of schools shall immediately suspend, pursuant to Section 48911, and shall recommend expulsion of a pupil that he or she determines has committed any of the following acts at school or at a school activity off school grounds:
   (1) Possessing, selling, or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a firearm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district. The act of possessing an imitation firearm, as defined in subdivision (m) of Section 48900, is not an offense for which suspension or expulsion is mandatory pursuant to this subdivision and subdivision (d), but it is an offense for which suspension, or expulsion pursuant to subdivision (e), may be imposed.
   (2) Brandishing a knife at another person.
   (3) Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.
   (4) Committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900.
   (5) Possession of an explosive.

(d) The governing board of a school district shall order a pupil expelled upon finding that the pupil committed an act listed in subdivision (c), and shall refer that pupil to a program of study that meets all of the following conditions:
   (1) Is appropriately prepared to accommodate pupils who exhibit discipline problems.
(2) Is not provided at a comprehensive middle, junior, or senior high school, or at any elementary school.

(3) Is not housed at the schoolsite attended by the pupil at the time of suspension.

(e) Upon recommendation by the principal or the superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board of a school district may order a pupil expelled upon finding that the pupil, at school or at a school activity off of school grounds violated subdivision (f), (g), (h), (i), (j), (k), (l), or (m) of Section 48900, or Section 48900.2, 48900.3, or 48900.4, and either of the following:

(1) That other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

(2) That due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(f) The governing board of a school district shall refer a pupil who has been expelled pursuant to subdivision (b) or (e) to a program of study that meets all of the conditions specified in subdivision (d). Notwithstanding this subdivision, with respect to a pupil expelled pursuant to subdivision (e), if the county superintendent of schools certifies that an alternative program of study is not available at a site away from a comprehensive middle, junior, or senior high school, or an elementary school, and that the only option for placement is at another comprehensive middle, junior, or senior high school, or another elementary school, the pupil may be referred to a program of study that is provided at a comprehensive middle, junior, or senior high school, or at an elementary school.

(g) As used in this section, “knife” means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade fitted primarily for stabbing, a weapon with a blade longer than 3 1/2 inches, a folding knife with a blade that locks into place, or a razor with an unguarded blade.

(h) As used in this section, the term “explosive” means “destructive device” as described in Section 921 of Title 18 of the United States Code.

REGULATIONS

5 CCR § 4965. Disciplinary action.

Harassment on the basis of sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability is a form of discrimination, and as such, may result in disciplinary or other action taken by the local agency. In the case of an employee, such disciplinary action may include termination. For students in Grades K-12, the disciplinary consequences shall depend on the ages of the students and the factual circumstances of the incident(s).

Grounds for mandatory suspension or expulsion

LAWS

EDC 48915.

(1) Possessing, selling, or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a firearm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This
subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district. The act of possessing an imitation firearm, as defined in subdivision (m) of Section 48900, is not an offense for which suspension or expulsion is mandatory pursuant to this subdivision and subdivision (d), but it is an offense for which suspension, or expulsion pursuant to subdivision (e), may be imposed.

(2) Brandishing a knife at another person.

(3) Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.

(4) Committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900.

(5) Possession of an explosive.

**REGULATIONS**

**5 CCR § 305. Pupil responsible for care of property.**

A pupil who defaces, damages, or destroys any school property or willfully or negligently injures another pupil or school employee is liable to suspension or expulsion, according to the nature of the offense.

**Limitations, conditions or exclusions for use of suspension and expulsion**

**LAWS**

**EDC 48900.**

A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent of the school district or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r), inclusive:

(t) A pupil who aids or abets, as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, pursuant to this section, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (a).

(w) It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities.

**EDC 48900.2.**

For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This section shall not apply to pupils enrolled in kindergarten and grades 1 to 3, inclusive.

**EDC 48903.**

(a) Except as provided in subdivision (g) of Section 48911 and in Section 48912, the total number of days for which a pupil may be suspended from school shall not exceed 20 schooldays in any school year, unless for purposes of adjustment, a pupil enrolls in or is transferred to another regular school, an
opportunity school or class, or a continuation education school or class, in which case the total number of schooldays for which the pupil may be suspended shall not exceed 30 days in any school year.

(b) For the purposes of this section, a school district may count suspensions that occur while a pupil is enrolled in another school district toward the maximum number of days for which a pupil may be suspended in any school year.

EDC 48911.

(a) The principal of the school, the principal’s designee, or the district superintendent of schools may suspend a pupil from the school for any of the reasons enumerated in Section 48900, and pursuant to Section 48900.5, for no more than five consecutive schooldays.

EDC 48911.5.

The site principal of a contracting nonpublic, nonsectarian school providing services to individuals with exceptional needs under Sections 56365 and 56366, shall have the same duties and responsibilities with respect to the suspension of pupils with previously identified exceptional needs prescribed for the suspension of pupils under Section 48911.

EDC 48912.5.

The governing board of a school district may suspend a pupil enrolled in a continuation school or class for a period not longer than the remainder of the semester if any of the acts enumerated in Section 48900 occurred. The suspension shall meet the requirements of Section 48915.

EDC 48915.01.

If the governing board of a school district has established a community day school pursuant to Section 48661 on the same site as a comprehensive middle, junior, or senior high school, or at any elementary school, the governing board does not have to meet the condition in paragraph (2) of subdivision (d) of Section 48915 when the board, pursuant to subdivision (f) of Section 48915, refers a pupil to a program of study and that program of study is at the community day school. All the other conditions of subdivision (d) of Section 48915 are applicable to the referral as required by subdivision (f) of Section 48915.

EDC 48915.5.

(a) An individual with exceptional needs, as defined in Section 56026, may be suspended or expelled from school in accordance with Section 1415(k) of Title 20 of the United States Code, the discipline provisions contained in Sections 300.530 to 300.537, inclusive, of Title 34 of the Code of Federal Regulations, and other provisions of this part that do not conflict with federal law and regulations.

(b) A free appropriate public education for individuals with exceptional needs suspended or expelled from school shall be in accordance with Section 1412(a)(1) of Title 20 of the United States Code and Section 300.530(d) of Title 34 of the Code of Federal Regulations.

(c) If an individual with exceptional needs is excluded from schoolbus transportation, the pupil is entitled to be provided with an alternative form of transportation at no cost to the pupil or parent or guardian provided that transportation is specified in the pupil’s individualized education program.

(d) If the individual with exceptional needs is a foster child, as defined in Section 48853.5, and the local educational agency has proposed a change of placement due to an act for which a decision to recommend expulsion is at the discretion of the principal or the district superintendent of schools, the attorney for the individual with exceptional needs and an appropriate representative of the county child welfare agency shall be invited to participate in the individualized education program team meeting that makes a manifestation determination pursuant to Section 1415(k) of Title 20 of the United States Code.
The invitation may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

(e) If the individual with exceptional needs is a homeless child or youth, as defined in Section 11434a(2) of Title 42 of the United States Code, and the local educational agency has proposed a change of placement due to an act for which a decision to recommend expulsion is at the discretion of the principal or the district superintendent of schools, the local educational agency liaison for homeless children and youth designated pursuant to Section 11432(g)(1)(J)(ii) of Title 42 of the United States Code shall be invited to participate in the individualized education program team meeting that makes a manifestation determination pursuant to Section 1415(k) of Title 20 of the United States Code. A pupil shall not be detained in school for disciplinary or other reasons for more than one hour after the close of the maximum school day, except as otherwise provided in Section 307.

Administrative procedures related to suspension and expulsion

LAWS

EDC 35146.
Notwithstanding the provisions of Section 35145 of this code and Section 54950 of the Government Code, the governing body of a school district shall, unless a request by the parent has been made pursuant to this section, hold closed sessions if the board is considering the suspension of, or disciplinary action or any other action except expulsion in connection with any pupil of the school district, if a public hearing upon such question would lead to the giving out of information concerning school pupils which would be in violation of Article 5 (commencing with Section 49073) of Chapter 6.5 of Part 27 of this code.

Before calling such closed session of the governing board of the district to consider these matters, the governing board of the district shall, in writing, by registered or certified mail or by personal service, if the pupil is a minor, notify the pupil and his or her parent or guardian, or the pupil if the pupil is an adult, of the intent of the governing board of the district to call and hold such closed session. Unless the pupil, or his or her parent, or guardian shall, in writing, within 48 hours after receipt of such written notice of intention, request that the hearing of the governing board be held as a public meeting, then the hearing to consider such matters shall be conducted by the governing board in closed session. If such written request is served upon the clerk or secretary of the governing board, the meeting shall be public except that any discussion at such meeting that might be in conflict with the right to privacy of any pupil other than the pupil requesting the public meeting or on behalf of whom such meeting is requested, shall be in closed session. Whether the matter is considered at a closed session or at a public meeting, the final action of the governing board of the school district shall be taken at a public meeting and the result of such action shall be a public record of the school district.
EDC 48201.
(a) Except for pupils exempt from compulsory school attendance under Section 48231, any parent, guardian, or other person having control or charge of any minor between the ages of 6 and 16 years who removes the minor from any city, city and county, or school district before the completion of the current school term, shall enroll the minor in a public full-time day school of the city, city and county, or school district to which the minor is removed.

(b) (1) Upon a pupil’s transfer from one school district to another, the school district into which the pupil is transferring shall request that the school district in which the pupil was last enrolled provide any records that the district maintains in its ordinary course of business or receives from a law enforcement agency regarding acts committed by the transferring pupil that resulted in the pupil’s suspension from school or expulsion from the school district. Upon receipt of this information, the receiving school district shall inform any teacher of the pupil that the pupil was suspended from school or expelled from the school district and shall inform the teacher of the act that resulted in that action.

EDC 48911.
(a) The principal of the school, the principal’s designee, or the district superintendent of schools may suspend a pupil from the school for any of the reasons enumerated in Section 48900, and pursuant to Section 48900.5, for no more than five consecutive schooldays.

(b) Suspension by the principal, the principal’s designee, or the district superintendent of schools shall be preceded by an informal conference conducted by the principal, the principal’s designee, or the district superintendent of schools between the pupil and, whenever practicable, the teacher, supervisor, or school employee who referred the pupil to the principal, the principal’s designee, or the district superintendent of schools. At the conference, the pupil shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required under Section 48900.5, and the evidence against him or her, and shall be given the opportunity to present his or her version and evidence in his or her defense.

(c) A principal, the principal’s designee, or the district superintendent of schools may suspend a pupil without affording the pupil an opportunity for a conference only if the principal, the principal’s designee, or the district superintendent of schools determines that an emergency situation exists. “Emergency situation,” as used in this article, means a situation determined by the principal, the principal’s designee, or the district superintendent of schools to constitute a clear and present danger to the life, safety, or health of pupils or school personnel. If a pupil is suspended without a conference before suspension, both the parent and the pupil shall be notified of the pupil’s right to a conference and the pupil’s right to return to school for the purpose of a conference. The conference shall be held within two schooldays, unless the pupil waives this right or is physically unable to attend for any reason, including, but not limited to, incarceration or hospitalization. The conference shall then be held as soon as the pupil is physically able to return to school for the conference.

(d) At the time of suspension, a school employee shall make a reasonable effort to contact the pupil’s parent or guardian in person or by telephone. If a pupil is suspended from school, the parent or guardian shall be notified in writing of the suspension.

(e) A school employee shall report the suspension of the pupil, including the cause for the suspension, to the governing board of the school district or to the district superintendent of schools in accordance with the regulations of the governing board of the school district.

(f) (1) The parent or guardian of a pupil shall respond without delay to a request from school officials to attend a conference regarding his or her child’s behavior.
(2) No penalties shall be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

(g) In a case where expulsion from a school or suspension for the balance of the semester from continuation school is being processed by the governing board of the school district, the district superintendent of schools or other person designated by the district superintendent of schools in writing may extend the suspension until the governing board of the school district has rendered a decision in the action. However, an extension may be granted only if the district superintendent of schools or the district superintendent’s designee has determined, following a meeting in which the pupil and the pupil’s parent or guardian are invited to participate, that the presence of the pupil at the school or in an alternative school placement would cause a danger to persons or property or a threat of disrupting the instructional process. If the pupil is a foster child, as defined in Section 48853.5, the district superintendent of schools or the district superintendent’s designee, including, but not limited to, the educational liaison for the school district, shall also invite the pupil’s attorney and an appropriate representative of the county child welfare agency to participate in the meeting. If the pupil or the pupil’s parent or guardian has requested a meeting to challenge the original suspension pursuant to Section 48914, the purpose of the meeting shall be to decide upon the extension of the suspension order under this section and may be held in conjunction with the initial meeting on the merits of the suspension.

(h) (1) For purposes of this section, a “principal’s designee” is one or more administrators at the schoolsite specifically designated by the principal, in writing, to assist with disciplinary procedures.

(2) In the event that there is not an administrator in addition to the principal at the schoolsite, a certificated person at the schoolsite may be specifically designated by the principal, in writing, as a “principal’s designee,” to assist with disciplinary procedures. The principal may designate only one person at a time as the principal’s primary designee for the school year.

(3) An additional person meeting the requirements of this subdivision may be designated by the principal, in writing, to act for purposes of this article when both the principal and the principal’s primary designee are absent from the schoolsite. The name of the person, and the names of any person or persons designated as “principal’s designee,” shall be on file in the principal’s office.

(i) This section is not an exception to, nor does it place any limitation on, Section 48903.

EDC 48911.5.

The site principal of a contracting nonpublic, nonsectarian school providing services to individuals with exceptional needs under Sections 56365 and 56366, shall have the same duties and responsibilities with respect to the suspension of pupils with previously identified exceptional needs prescribed for the suspension of pupils under Section 48911.

EDC 48912.

(a) The governing board may suspend a pupil from school for any of the acts enumerated in Section 48900 for any number of school days within the limits prescribed by Section 48903.

(b) Notwithstanding the provisions of Section 35145 of this code and Section 54950 of the Government Code, the governing board of a school district shall, unless a request has been made to the contrary, hold closed sessions if the board is considering the suspension of, disciplinary action against, or any other action against, except expulsion, any pupil, if a public hearing upon that question would lead to the giving out of information concerning a school pupil which would be in violation of Article 5 (commencing with Section 49073) of Chapter 6.5.

(c) Before calling a closed session to consider these matters, the governing board shall, in writing, by registered or certified mail or by personal service, notify the pupil and the pupil’s parent or guardian, or
the pupil if the pupil is an adult, of the intent of the governing board to call and hold a closed session. Unless the pupil or the pupil’s parent or guardian shall, in writing, within 48 hours after receipt of the written notice of the board’s intention, request that the hearing be held as a public meeting, the hearing to consider these matters shall be conducted by the governing board in closed session. In the event that a written request is served upon the clerk or secretary of the governing board, the meeting shall be public, except that any discussion at that meeting which may be in conflict with the right to privacy of any pupil other than the pupil requesting the public meeting, shall be in closed session.

EDC 48915.01.

If the governing board of a school district has established a community day school pursuant to Section 48661 on the same site as a comprehensive middle, junior, or senior high school, or at any elementary school, the governing board does not have to meet the condition in paragraph (2) of subdivision (d) of Section 48915 when the board, pursuant to subdivision (f) of Section 48915, refers a pupil to a program of study and that program of study is at the community day school. All the other conditions of subdivision (d) of Section 48915 are applicable to the referral as required by subdivision (f) of Section 48915.

EDC 48915.1.

(a) If the governing board of a school district receives a request from an individual who has been expelled from another school district for an act other than those described in subdivision (a) or (c) of Section 48915, for enrollment in a school maintained by the school district, the board shall hold a hearing to determine whether that individual poses a continuing danger either to the pupils or employees of the school district. The hearing and notice shall be conducted in accordance with the rules and regulations governing procedures for the expulsion of pupils as described in Section 48918. A school district may request information from another school district regarding a recommendation for expulsion or the expulsion of an applicant for enrollment. The school district receiving the request shall respond to the request with all deliberate speed but shall respond no later than five working days from the date of the receipt of the request.

(b) If a pupil has been expelled from his or her previous school for an act other than those listed in subdivision (a) or (c) of Section 48915, the parent, guardian, or pupil, if the pupil is emancipated or otherwise legally of age, shall, upon enrollment, inform the receiving school district of his or her status with the previous school district. If this information is not provided to the school district and the school district later determines the pupil was expelled from the previous school, the lack of compliance shall be recorded and discussed in the hearing required pursuant to subdivision (a).

(c) The governing board of a school district may make a determination to deny enrollment to an individual who has been expelled from another school district for an act other than those described in subdivision (a) or (c) of Section 48915, for the remainder of the expulsion period after a determination has been made, pursuant to a hearing, that the individual poses a potential danger to either the pupils or employees of the school district.

(d) The governing board of a school district, when making its determination whether to enroll an individual who has been expelled from another school district for these acts, may consider the following options:

1. Deny enrollment.
2. Permit enrollment.
3. Permit conditional enrollment in a regular school program or another educational program.

(e) Notwithstanding any other provision of law, the governing board of a school district, after a determination has been made, pursuant to a hearing, that an individual expelled from another school district for an act other than those described in subdivision (a) or (c) of Section 48915 does not pose a danger to either the pupils or employees of the school district, shall permit the individual to enroll in a
school in the school district during the term of the expulsion, provided that he or she, subsequent to the expulsion, either has established legal residence in the school district, pursuant to Section 48200, or has enrolled in the school pursuant to an interdistrict agreement executed between the affected school districts pursuant to Chapter 5 (commencing with Section 46600).

EDC 48916.
(a) An expulsion order shall remain in effect until the governing board, in the manner prescribed in this article, orders the readmission of a pupil. At the time an expulsion of a pupil is ordered for an act other than those described in subdivision (c) of Section 48915, the governing board shall set a date, not later than the last day of the semester following the semester in which the expulsion occurred, when the pupil shall be reviewed for readmission to a school maintained by the district or to the school the pupil last attended. If an expulsion is ordered during summer session or the intersession period of a year-round program the governing board shall set a date, not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred, when the pupil shall be reviewed for readmission to a school maintained by the district or to the school the pupil last attended. For a pupil who has been expelled pursuant to subdivision (c) of Section 48915, the governing board shall set a date of one year from the date the expulsion occurred, when the pupil shall be reviewed for readmission to a school maintained by the district, except that the governing board may set an earlier date for readmission on a case-by-case basis.

(b) The governing board shall recommend a plan of rehabilitation for the pupil at the time of the expulsion order.

(d) If the governing board denies the readmission of an expelled pupil pursuant to subdivision (c), the governing board shall make a determination either to continue the placement of the pupil in the alternative educational program initially selected for the pupil during the period of the expulsion order or to place the pupil in another program that may include, but need not be limited to, serving expelled pupils, including placement in a county community school.

(e) The governing board shall provide written notice to the expelled pupil and the pupil’s parent or guardian describing the reasons for denying the pupil readmittance into the regular school district program.

EDC 48917.
(b) The governing board shall apply the criteria for suspending the enforcement of the expulsion order equally to all pupils, including individuals with exceptional needs as defined in Section 56026.

(c) During the period of the suspension of the expulsion order, the pupil is deemed to be on probationary status.

(d) The governing board may revoke the suspension of an expulsion order under this section if the pupil commits any of the acts enumerated in Section 48900 or violates any of the district’s rules and regulations governing pupil conduct. When the governing board revokes the suspension of an expulsion order, a pupil may be expelled under the terms of the original expulsion order.

(e) Upon satisfactory completion of the rehabilitation assignment of a pupil, the governing board shall reinstate the pupil in a school of the district and may also order the expungement of any or all records of the expulsion proceedings.

(f) A decision of the governing board to suspend an expulsion order does not affect the time period and requirements for the filing of an appeal of the expulsion order with the county board of education required under Section 48919. Any appeal shall be filed within 30 days of the original vote of the governing board.
EDC 48918.
The governing board of each school district shall establish rules and regulations governing procedures for the expulsion of pupils. These procedures shall include, but are not necessarily limited to, all of the following:

(a) (1) The pupil shall be entitled to a hearing to determine whether the pupil should be expelled. An expulsion hearing shall be held within 30 school days after the date the principal or the superintendent of schools determines that the pupil has committed any of the acts enumerated in Section 48900, unless the pupil requests, in writing, that the hearing be postponed. The adopted rules and regulations shall specify that the pupil is entitled to at least one postponement of an expulsion hearing, for a period of not more than 30 calendar days. Any additional postponement may be granted at the discretion of the governing board of the school district.

(2) Within 10 school days after the conclusion of the hearing, the governing board of the school district shall decide whether to expel the pupil, unless the pupil requests in writing that the decision be postponed. If the hearing is held by a hearing officer or an administrative panel, or if the governing board of the school district does not meet on a weekly basis, the governing board of the school district shall decide whether to expel the pupil within 40 school days after the date of the pupil’s removal from his or her school of attendance for the incident for which the recommendation for expulsion is made by the principal or the superintendent of schools, unless the pupil requests in writing that the decision be postponed.

(3) If compliance by the governing board of the school district with the time requirements for the conducting of an expulsion hearing under this subdivision is impracticable during the regular school year, the superintendent of schools or the superintendent’s designee may, for good cause, extend the time period for the holding of the expulsion hearing for an additional five school days. If compliance by the governing board of the school district with the time requirements for the conducting of an expulsion hearing under this subdivision is impracticable due to a summer recess of governing board meetings of more than two weeks, the days during the recess period shall not be counted as school days in meeting the time requirements. The days not counted as school days in meeting the time requirements for an expulsion hearing because of a summer recess of governing board meetings shall not exceed 20 school days, as defined in subdivision (c) of Section 48925, and unless the pupil requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days before the first day of school for the school year. Reasons for the extension of the time for the hearing shall be included as a part of the record at the time the expulsion hearing is conducted. Upon the commencement of the hearing, all matters shall be pursued and conducted with reasonable diligence and shall be concluded without any unnecessary delay.

(b) Written notice of the hearing shall be forwarded to the pupil at least 10 calendar days before the date of the hearing. The notice shall include all of the following:

(1) The date and place of the hearing.

(2) A statement of the specific facts and charges upon which the proposed expulsion is based.

(3) A copy of the disciplinary rules of the school district that relate to the alleged violation.

(4) A notice of the parent, guardian, or pupil’s obligation pursuant to subdivision (b) of Section 48915.1.

(5) Notice of the opportunity for the pupil or the pupil’s parent or guardian to appear in person or to be represented by legal counsel or by a nonattorney adviser, to inspect and obtain copies of all documents to be used at the hearing, to confront and question all witnesses who testify at the hearing, to question all other evidence presented, and to present oral and documentary evidence on the pupil’s behalf, including witnesses. In a hearing in which a pupil is alleged to have committed or
attempted to commit a sexual assault as specified in subdivision (n) of Section 48900 or to have committed a sexual battery as defined in subdivision (n) of Section 48900, a complaining witness shall be given five days’ notice before being called to testify, and shall be entitled to have up to two adult support persons, including, but not limited to, a parent, guardian, or legal counsel, present during his or her testimony. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential. This subdivision shall not preclude the person presiding over an expulsion hearing from removing a support person whom the presiding person finds is disrupting the hearing. If one or both of the support persons is also a witness, the provisions of Section 868.5 of the Penal Code shall be followed for the hearing. This section does not require a pupil or the pupil’s parent or guardian to be represented by legal counsel or by a nonattorney adviser at the hearing.

(A) For purposes of this section, “legal counsel” means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

(B) For purposes of this section, “nonattorney adviser” means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case, and has been selected by the pupil or pupil’s parent or guardian to provide assistance at the hearing.

(c) (1) Notwithstanding Section 35145, the governing board of the school district shall conduct a hearing to consider the expulsion of a pupil in a session closed to the public, unless the pupil requests, in writing, at least five days before the date of the hearing, that the hearing be conducted at a public meeting. Regardless of whether the expulsion hearing is conducted in a closed or public session, the governing board of the school district may meet in closed session for the purpose of deliberating and determining whether the pupil should be expelled.

(2) If the governing board of the school district or the hearing officer or administrative panel appointed under subdivision (d) to conduct the hearing admits any other person to a closed deliberation session, the parent or guardian of the pupil, the pupil, and the counsel of the pupil also shall be allowed to attend the closed deliberations.

(3) If the hearing is to be conducted at a public meeting, and there is a charge of committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or to commit a sexual battery as defined in subdivision (n) of Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

(d) Instead of conducting an expulsion hearing itself, the governing board of the school district may contract with the county hearing officer, or with the Office of Administrative Hearings pursuant to Chapter 14 (commencing with Section 27720) of Part 3 of Division 2 of Title 3 of the Government Code and Section 35207 of this code, for a hearing officer to conduct the hearing. The governing board of the school district may also appoint an impartial administrative panel of three or more certificated persons, none of whom is a member of the governing board of the school district or employed on the staff of the school in which the pupil is enrolled. The hearing shall be conducted in accordance with all of the procedures established under this section.

(e) Within three schooldays after the hearing, the hearing officer or administrative panel shall determine whether to recommend the expulsion of the pupil to the governing board of the school district. If the hearing officer or administrative panel decides not to recommend expulsion, the expulsion proceedings shall be terminated and the pupil immediately shall be reinstated and permitted to return to the classroom instructional program from which the expulsion referral was made, unless the parent,
guardian, or responsible adult of the pupil requests another school placement in writing. Before the placement decision is made by the parent, guardian, or responsible adult, the superintendent of schools or the superintendent's designee shall consult with school district personnel, including the pupil's teachers, and the parent, guardian, or responsible adult regarding any other school placement options for the pupil in addition to the option to return to his or her classroom instructional program from which the expulsion referral was made. If the hearing officer or administrative panel finds that the pupil committed any of the acts specified in subdivision (c) of Section 48915, but does not recommend expulsion, the pupil shall be immediately reinstated and may be referred to his or her prior school or another comprehensive school, or, pursuant to the procedures set forth in Section 48432.5, a continuation school of the school district. The decision not to recommend expulsion shall be final.

(f) (1) If the hearing officer or administrative panel recommends expulsion, findings of fact in support of the recommendation shall be prepared and submitted to the governing board of the school district. All findings of fact and recommendations shall be based solely on the evidence adduced at the hearing. If the governing board of the school district accepts the recommendation calling for expulsion, acceptance shall be based either upon a review of the findings of fact and recommendations submitted by the hearing officer or panel or upon the results of any supplementary hearing conducted pursuant to this section that the governing board of the school district may order.

(2) The decision of the governing board of the school district to expel a pupil shall be based upon substantial evidence relevant to the charges adduced at the expulsion hearing or hearings. Except as provided in this section, no evidence to expel shall be based solely upon hearsay evidence. The governing board of the school district or the hearing officer or administrative panel may, upon a finding that good cause exists, determine that the disclosure of either the identity of a witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the governing board of the school district or the hearing officer or administrative panel. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

(g) A record of the hearing shall be made. The record may be maintained by any means, including electronic recording, so long as a reasonably accurate and complete written transcription of the proceedings can be made.

(h) (1) Technical rules of evidence shall not apply to the hearing, but relevant evidence may be admitted and given probative effect only if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. A decision of the governing board of the school district to expel shall be supported by substantial evidence showing that the pupil committed any of the acts enumerated in Section 48900.

(2) In hearings that include an allegation of committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or to commit a sexual battery as defined in subdivision (n) of Section 48900, evidence of specific instances, of a complaining witness' prior sexual conduct is to be presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before the person conducting the hearing makes the determination on whether extraordinary circumstances exist requiring that specific instances of a complaining witness' prior sexual conduct be heard, the complaining witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, guardian, legal counsel, or other support
person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

(i) (1) Before the hearing has commenced, the governing board of the school district may issue subpoenas at the request of either the superintendent of schools or the superintendent’s designee or the pupil, for the personal appearance of percipient witnesses at the hearing. After the hearing has commenced, the governing board of the school district or the hearing officer or administrative panel may, upon request of either the county superintendent of schools or the superintendent’s designee or the pupil, issue subpoenas. All subpoenas shall be issued in accordance with Sections 1985, 1985.1, and 1985.2 of the Code of Civil Procedure. Enforcement of subpoenas shall be done in accordance with Section 11455.20 of the Government Code.

(2) Any objection raised by the superintendent of schools or the superintendent’s designee or the pupil to the issuance of subpoenas may be considered by the governing board of the school district in closed session, or in open session, if so requested by the pupil before the meeting. Any decision by the governing board of the school district in response to an objection to the issuance of subpoenas shall be final and binding.

(3) If the governing board of the school district, hearing officer, or administrative panel determines, in accordance with subdivision (f), that a percipient witness would be subject to an unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as provided for in subdivision (f).

(4) Service of process shall be extended to all parts of the state and shall be served in accordance with Section 1987 of the Code of Civil Procedure. All witnesses appearing pursuant to subpoena, other than the parties or officers or employees of the state or any political subdivision of the state, shall receive fees, and all witnesses appearing pursuant to subpoena, except the parties, shall receive mileage in the same amount and under the same circumstances as prescribed for witnesses in civil actions in a superior court. Fees and mileage shall be paid by the party at whose request the witness is subpoenaed.

(j) Whether an expulsion hearing is conducted by the governing board of the school district or before a hearing officer or administrative panel, final action to expel a pupil shall be taken only by the governing board of the school district in a public session. Written notice of any decision to expel or to suspend the enforcement of an expulsion order during a period of probation shall be sent by the superintendent of schools or his or her designee to the pupil or the pupil’s parent or guardian and shall be accompanied by all of the following:

(1) Notice of the right to appeal the expulsion to the county board of education.

(2) Notice of the education alternative placement to be provided to the pupil during the time of expulsion.

(3) Notice of the obligation of the parent, guardian, or pupil under subdivision (b) of Section 48915.1, upon the pupil’s enrollment in a new school district, to inform that school district of the pupil’s expulsion.

(k) (1) The governing board of the school district shall maintain a record of each expulsion, including the cause for the expulsion. Records of expulsions shall be nonprivileged, disclosable public records.

(2) The expulsion order and the causes for the expulsion shall be recorded in the pupil’s mandatory interim record and shall be forwarded to any school in which the pupil subsequently enrolls upon receipt of a request from the admitting school for the pupil’s school records.
EDC 48918.1.

(a) (1) If the decision to recommend expulsion is a discretionary act and the pupil is a foster child, as defined in Section 48853.5, the governing board of the school district shall provide notice of the expulsion hearing to the pupil’s attorney and an appropriate representative of the county child welfare agency at least 10 calendar days before the date of the hearing. The notice may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

(2) If a recommendation of expulsion is required and the pupil is a foster child, as defined in Section 48853.5, the governing board of the school district may provide notice of the expulsion hearing to the pupil’s attorney and an appropriate representative of the county child welfare agency at least 10 calendar days before the date of the hearing. The notice may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

(b) (1) If the decision to recommend expulsion is a discretionary act and the pupil is a homeless child or youth, as defined in Section 11434a(2) of Title 42 of the United States Code, the governing board of the school district shall provide notice of the expulsion hearing to the local educational agency liaison for homeless children and youth designated pursuant to Section 11432(g)(1)(J)(ii) of Title 42 of the United States Code at least 10 calendar days before the date of the hearing. The notice may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

(2) If a recommendation of expulsion is required and the pupil is a homeless child or youth, as defined in Section 11434a(2) of Title 42 of the United States Code, the governing board of the school district may provide notice of the expulsion hearing to the local educational agency liaison for homeless children and youth designated pursuant to Section 11432(g)(1)(J)(ii) of Title 42 of the United States Code at least 10 calendar days before the date of the hearing. The notice may be made using the most cost-effective method possible, which may include, but is not limited to, electronic mail or a telephone call.

EDC 48918.5.

In expulsion hearings involving allegations brought pursuant to subdivision (n) of Section 48900, the governing board of each school district shall establish rules and regulations governing procedures. The procedures shall include, but are not limited to, all of the following:

(a) At the time that the expulsion hearing is recommended, the complaining witness shall be provided with a copy of the applicable disciplinary rules and advised of his or her right to: (1) receive five days’ notice of the complaining witness’s scheduled testimony at the hearing, (2) have up to two adult support persons of his or her choosing, present in the hearing at the time he or she testifies; and (3) to have the hearing closed during the time they testify pursuant to subdivision (c) of Section 48918.

(b) An expulsion hearing may be postponed for one schoolday in order to accommodate the special physical, mental, or emotional needs of a pupil who is the complaining witness where the allegations arise under subdivision (n) of Section 48900.

(c) The district shall provide a nonthreatening environment for a complaining witness in order to better enable them to speak freely and accurately of the experiences that are the subject of the expulsion hearing, and to prevent discouragement of complaints. Each school district shall provide a room separate from the hearing room for the use of the complaining witness prior to and during breaks in testimony. In the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he or she may leave the hearing room. The person conducting the hearing may arrange the seating within the hearing room of those present in order to facilitate a less intimidating environment for the complaining witness. The person conducting the hearing may limit the time for taking the testimony of a complaining
witness to the hours he or she is normally in school, if there is no good cause to take the testimony during other hours. The person conducting the hearing may permit one of the complaining witness’s support persons to accompany him or her to the witness stand.

(d) Whenever any allegation is made of conduct violative of subdivision (n) of Section 48900, complaining witnesses and accused pupils are to be advised immediately to refrain from personal or telephonic contact with each other during the pendency of any expulsion process.

EDC 48918.6.
In addition to any other immunity that may exist, any testimony provided by a pupil witness in an expulsion hearing conducted pursuant to this article is expressly deemed to be a communication protected by subdivision (b) of Section 47 of the Civil Code.

EDC 48919.
If a pupil is expelled from school, the pupil or the pupil’s parent or guardian may, within 30 days following the decision of the governing board to expel, file an appeal to the county board of education which shall hold a hearing thereon and render its decision.

The county board of education, or in a class 1 or class 2 county a hearing officer or impartial administrative panel, shall hold the hearing within 20 schooldays following the filing of a formal request under this section. If the county board of education hears the appeal without a hearing conducted pursuant to Section 48919.5, then the board shall render a decision within three schooldays of the hearing conducted pursuant to Section 48920, unless the pupil requests a postponement.

The period within which an appeal is to be filed shall be determined from the date a governing board votes to expel even if enforcement of the expulsion action is suspended and the pupil is placed on probation pursuant to Section 48917. A pupil who fails to appeal the original action of the board within the prescribed time may not subsequently appeal a decision of the board to revoke probation and impose the original order of expulsion.

The county board of education shall adopt rules and regulations establishing procedures for expulsion appeals conducted under this section. If the county board of education in a class 1 or class 2 county elects to use the procedures in Section 48919.5, then the board shall adopt rules and regulations establishing procedures for expulsion appeals conducted under Section 48919.5. The adopted rules and regulations shall include, but need not be limited to, the requirements for filing a notice of appeal, the setting of a hearing date, the furnishing of notice to the pupil and the governing board regarding the appeal, the furnishing of a copy of the expulsion hearing record to the county board of education, procedures for the conduct of the hearing, and the preservation of the record of the appeal.

The pupil shall submit a written request for a copy of the written transcripts and supporting documents from the school district simultaneously with the filing of the notice of appeal with the county board of education. The school district shall provide the pupil with the transcriptions, supporting documents, and records within 10 schooldays following the pupil’s written request. Upon receipt of the records, the pupil shall immediately file suitable copies of these records with the county board of education.

EDC 48919.5.
(a) A county board of education in a class 1 or class 2 county may have a hearing officer pursuant to Chapter 14 (commencing with Section 27720) of Part 3 of Title 3 of the Government Code, or an impartial administrative panel of three or more certificated persons appointed by the county board of education, hear appeals filed pursuant to Section 48919. The members of the impartial administrative panel shall not be members of the governing board of the school district nor employees of the school district, from which the pupil filing the appeal was expelled. Neither the hearing officer, nor any member of the administrative
panel, hearing a pupil’s appeal shall have been the hearing officer or a member of the administrative panel that conducted the pupil’s expulsion hearing.

(b) A hearing conducted pursuant to this section shall not issue a final order of the county board. The hearing officer or impartial administrative panel shall prepare a recommended decision, including any findings or conclusions required for that decision, and shall submit that recommendation and the record to the county board of education within three schooldays of hearing the appeal.

(c) Sections 48919, 48920, 48921, 48922, 48923, and 48925 are applicable to a hearing conducted pursuant to this section.

(d) Within 10 schooldays of receiving the recommended decision and record from the hearing officer or the impartial administrative panel, the county board of education shall review the recommended decision and record and render a final order of the board.

(e) For purposes of this article, the following definitions shall apply:

1. “Countywide ADA” means the aggregate number of annual units of regular average daily attendance for the fiscal year in all school districts within the county.

2. “Class 1 county” means a county with 1994/95 countywide ADA of more than 500,000.

3. “Class 2 county” means a county with 1994/95 countywide ADA of at least 180,000 but less than 500,000.

EDC 48920.

Notwithstanding the provisions of Section 54950 of the Government Code and Section 35145 of this code, the county board of education shall hear an appeal of an expulsion order in closed session, unless the pupil requests, in writing, at least five days prior to the date of the hearing, that the hearing be conducted in a public meeting. Upon the timely submission of a request for a public meeting, the county board of education shall be required to honor the request. Whether the hearing is conducted in closed or public session, the county board may meet in closed session for the purpose of deliberations. If the county board admits any representative of the pupil or the school district, the board shall, at the same time, admit representatives from the opposing party.

EDC 48921.

The county board of education shall determine the appeal from a pupil expulsion upon the record of the hearing before the district governing board, together with such applicable documentation or regulations as may be ordered. No evidence other than that contained in the record of the proceedings of the school board may be heard unless a de novo proceeding is granted as provided in Section 48923. It shall be the responsibility of the pupil to submit a written transcription for review by the county board. The cost of the transcript shall be borne by the pupil except in either of the following situations:

1. Where the pupil’s parent or guardian certifies to the school district that he or she cannot reasonably afford the cost of the transcript because of limited income or exceptional necessary expenses, or both.

2. In a case in which the county board reverses the decision of the local governing board, the county board shall require that the local board reimburse the pupil for the cost of such transcription.

EDC 48922.

(a) The review by the county board of education of the decision of the governing board shall be limited to the following questions:

1. Whether the governing board acted without or in excess of its jurisdiction.

2. Whether there was a fair hearing before the governing board.

3. Whether there was a prejudicial abuse of discretion in the hearing.
(4) Whether there is relevant and material evidence which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the governing board.

(b) As used in this section, a proceeding without or in excess of jurisdiction includes, but is not limited to, a situation where an expulsion hearing is not commenced within the time periods prescribed by this article, a situation where an expulsion order is not based upon the acts enumerated in Section 48900, or a situation involving acts not related to school activity or attendance.

(c) For purposes of this section, an abuse of discretion is established in any of the following situations:

   (1) If school officials have not met the procedural requirements of this article.

   (2) If the decision to expel a pupil is not supported by the findings prescribed by Section 48915.

   (3) If the findings are not supported by the evidence.

A county board of education may not reverse the decision of a governing board to expel a pupil based upon a finding of an abuse of discretion unless the county board of education also determines that the abuse of discretion was prejudicial.

EDC 48923.

The decision of the county board shall be limited as follows:

(a) If the county board finds that relevant and material evidence exists which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the governing board, it may do either of the following:

   (1) Remand the matter to the governing board for reconsideration and may in addition order the pupil reinstated pending the reconsideration.

   (2) Grant a hearing de novo upon reasonable notice thereof to the pupil and to the governing board. The hearing shall be conducted in conformance with the rules and regulations adopted by the county board under Section 48919.

(b) If the county board determines that the decision of the governing board is not supported by the findings required to be made by Section 48915, but evidence supporting the required findings exists in the record of the proceedings, the county board shall remand the matter to the governing board for adoption of the required findings. This remand for the adoption and inclusion of the required findings shall not result in an additional hearing pursuant to Section 48918, except that final action to expel the pupil based on the revised findings of fact shall meet all requirements of subdivisions (j) and (k) of Section 48918.

(c) In all other cases, the county board shall enter an order either affirming or reversing the decision of the governing board. In any case in which the county board enters a decision reversing the local board, the county board may direct the local board to expunge the record of the pupil and the records of the district of any references to the expulsion action and the expulsion shall be deemed not to have occurred.

EDC 48924.

The decision of the county board of education shall be final and binding upon the pupil and upon the governing board of the school district. The pupil and the governing board shall be notified of the final order of the county board, in writing, either by personal service or by certified mail. The order shall become final when rendered.

EDC 48925.

As used in this article:
(a) “Day” means a calendar day unless otherwise specifically provided.

(b) “Expulsion” means removal of a pupil from (1) the immediate supervision and control, or (2) the general supervision, of school personnel, as those terms are used in Section 46300.

(c) “Schoolday” means a day upon which the schools of the district are in session or weekdays during the summer recess.

2. Referral to a certificated employee designated by the principal to advise pupils.

3. Removal from the class, but without reassignment to another class or program, for the remainder of the class period without sending the pupil to the principal or the principal’s designee as provided in Section 48910. Removal from a particular class shall not occur more than once every five schooldays.

(e) “Pupil” includes a pupil’s parent or guardian or legal counsel.

In-school suspension

LAWS

EDC 48910.
(a) A teacher may suspend any pupil from class, for any of the acts enumerated in Section 48900, for the day of the suspension and the day following. The teacher shall immediately report the suspension to the principal of the school and send the pupil to the principal or the designee of the principal for appropriate action. If that action requires the continued presence of the pupil at the schoolsite, the pupil shall be under appropriate supervision, as defined in policies and related regulations adopted by the governing board of the school district. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. If practicable, a school counselor or a school psychologist may attend the conference. A school administrator shall attend the conference if the teacher or the parent or guardian so requests. The pupil shall not be returned to the class from which he or she was suspended, during the period of the suspension, without the concurrence of the teacher of the class and the principal.

(b) A pupil suspended from a class shall not be placed in another regular class during the period of suspension. However, if the pupil is assigned to more than one class per day this subdivision shall apply only to other regular classes scheduled at the same time as the class from which the pupil was suspended.

EDC 48911.1.
(a) A pupil suspended from a school for any of the reasons enumerated in Sections 48900 and 48900.2 may be assigned, by the principal or the principal’s designee, to a supervised suspension classroom for the entire period of suspension if the pupil poses no imminent danger or threat to the campus, pupils, or staff, or if an action to expel the pupil has not been initiated.
(b) Pupils assigned to a supervised suspension classroom shall be separated from other pupils at the
schoolsite for the period of suspension in a separate classroom, building, or site for pupils under
suspension.

(c) School districts may continue to claim apportionments for each pupil assigned to and attending a
supervised suspension classroom provided as follows:

1. The supervised suspension classroom is staffed as otherwise provided by law.
2. Each pupil has access to appropriate counseling services.
3. The supervised suspension classroom promotes completion of schoolwork and tests missed by the
pupil during the suspension.
4. Each pupil is responsible for contacting his or her teacher or teachers to receive assignments to be
completed while the pupil is assigned to the supervised suspension classroom. The teacher shall
provide all assignments and tests that the pupil will miss while suspended. If no classroom work is
assigned, the person supervising the suspension classroom shall assign schoolwork.

(d) At the time a pupil is assigned to a supervised suspension classroom, a school employee shall notify,
in person or by telephone, the pupil’s parent or guardian. Whenever a pupil is assigned to a supervised
suspension classroom for longer than one class period, a school employee shall notify, in writing, the
pupil’s parent or guardian.

(e) This section does not place any limitation on a school district’s ability to transfer a pupil to an
opportunity school or class or a continuation education school or class.

(f) Apportionments claimed by a school district for pupils assigned to supervised suspension shall be
used specifically to mitigate the cost of implementing this section.

**EDC 48911.2.**

(a) If the number of pupils suspended from school during the prior school year exceeded 30 percent of
the school’s enrollment, the school should consider doing at least one of the following:

1. Implement the supervised suspension program described in Section 48911.1.

(c) It is the intent of the Legislature to encourage schools that choose to implement this section to
examine alternatives to off-campus suspensions that lead to resolution of pupil misconduct without
sending pupils off campus. Schools that use this section should not be precluded from suspending pupils
to an off-campus site.

**REGULATIONS**

No relevant regulations found.

**Return to school following removal**

**LAWS**

**EDC 48913.**

The teacher of any class from which a pupil is suspended may require the suspended pupil to complete
any assignments and tests missed during the suspension.

**EDC 48915.1.**

(a) If the governing board of a school district receives a request from an individual who has been expelled
from another school district for an act other than those described in subdivision (a) or (c) of Section
48915, for enrollment in a school maintained by the school district, the board shall hold a hearing to
determine whether that individual poses a continuing danger either to the pupils or employees of the school district. The hearing and notice shall be conducted in accordance with the rules and regulations governing procedures for the expulsion of pupils as described in Section 48918. A school district may request information from another school district regarding a recommendation for expulsion or the expulsion of an applicant for enrollment. The school district receiving the request shall respond to the request with all deliberate speed but shall respond no later than five working days from the date of the receipt of the request.

(b) If a pupil has been expelled from his or her previous school for an act other than those listed in subdivision (a) or (c) of Section 48915, the parent, guardian, or pupil, if the pupil is emancipated or otherwise legally of age, shall, upon enrollment, inform the receiving school district of his or her status with the previous school district. If this information is not provided to the school district and the school district later determines the pupil was expelled from the previous school, the lack of compliance shall be recorded and discussed in the hearing required pursuant to subdivision (a).

(c) The governing board of a school district may make a determination to deny enrollment to an individual who has been expelled from another school district for an act other than those described in subdivision (a) or (c) of Section 48915, for the remainder of the expulsion period after a determination has been made, pursuant to a hearing, that the individual poses a potential danger to either the pupils or employees of the school district.

(d) The governing board of a school district, when making its determination whether to enroll an individual who has been expelled from another school district for these acts, may consider the following options:

   (1) Deny enrollment.
   (2) Permit enrollment.
   (3) Permit conditional enrollment in a regular school program or another educational program.

(e) Notwithstanding any other provision of law, the governing board of a school district, after a determination has been made, pursuant to a hearing, that an individual expelled from another school district for an act other than those described in subdivision (a) or (c) of Section 48915 does not pose a danger to either the pupils or employees of the school district, shall permit the individual to enroll in a school in the school district during the term of the expulsion, provided that he or she, subsequent to the expulsion, either has established legal residence in the school district, pursuant to Section 48200, or has enrolled in the school pursuant to an interdistrict agreement executed between the affected school districts pursuant to Chapter 5 (commencing with Section 46600).

EDC 48915.2.

(a) A pupil expelled from school for any of the offenses listed in subdivision (a) or (c) of Section 48915, shall not be permitted to enroll in any other school or school district during the period of expulsion unless it is a county community school pursuant to subdivision (c) of Section 1981, or a juvenile court school, as described in Section 48645.1, or a community day school pursuant to Article 3 (commencing with Section 48660) of Chapter 4 of Part 27.

(b) After a determination has been made, pursuant to a hearing under Section 48918, that an individual expelled from another school district for any act described in subdivision (a) or (c) of Section 48915 does not pose a danger to either the pupils or employees of the school district, the governing board of a school district may permit the individual to enroll in the school district after the term of expulsion, subject to one of the following conditions:

   (1) He or she has established legal residence in the school district, pursuant to Section 48200.
   (2) He or she is enrolled in the school pursuant to an interdistrict agreement executed between the affected school districts pursuant to Chapter 5 (commencing with Section 46600) of Part 26.
EDC 48916.

(a) An expulsion order shall remain in effect until the governing board, in the manner prescribed in this article, orders the readmission of a pupil. At the time an expulsion of a pupil is ordered for an act other than those described in subdivision (c) of Section 48915, the governing board shall set a date, not later than the last day of the semester following the semester in which the expulsion occurred, when the pupil shall be reviewed for readmission to a school maintained by the district or to the school the pupil last attended. If an expulsion is ordered during summer session or the intersession period of a year-round program the governing board shall set a date, not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred, when the pupil shall be reviewed for readmission to a school maintained by the district or to the school the pupil last attended. For a pupil who has been expelled pursuant to subdivision (c) of Section 48915, the governing board shall set a date of one year from the date the expulsion occurred, when the pupil shall be reviewed for readmission to a school maintained by the district, except that the governing board may set an earlier date for readmission on a case-by-case basis.

(c) The governing board of each school district shall adopt rules and regulations establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, the governing board shall readmit the pupil, unless the governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety or to other pupils or employees of the school district. A description of the procedure shall be made available to the pupil and the pupil’s parent or guardian at the time the expulsion order is entered.

EDC 48916.5.

The governing board may require a pupil who is expelled from school for reasons relating to controlled substances, as defined in Sections 11054 to 11058, inclusive, of the Health and Safety Code, or alcohol, prior to returning to school to enroll in a county-supported drug rehabilitation program. No pupil shall be required to enroll in a rehabilitation program pursuant to this section without the consent of his or her parent or guardian.

Use of restraint and seclusion

LAWS

EDC 49001.

(a) For the purposes of this section “corporal punishment” means the willful infliction of, or willfully causing the infliction of, physical pain on a pupil. An amount of force that is reasonable and necessary for a person employed by or engaged in a public school to quell a disturbance threatening physical injury to persons or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section. Physical pain or discomfort caused by athletic competition or other such recreational activity, voluntarily engaged in by the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section.

(b) No person employed by or engaged in a public school shall inflict, or cause to be inflicted corporal punishment upon a pupil. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or
authorizing the infliction of corporal punishment upon a pupil attending a public school is void and unenforceable.

**EDC 49005.**

The Legislature finds and declares all of the following:

(a) While it is appropriate to intervene in an emergency to prevent a student from imminent risk of serious physical self-harm or harm of others, restraint and seclusion are dangerous interventions, with certain known practices posing a great risk to child health and safety.

(b) United States Department of Education guidelines specify that the use of restraint and seclusion must be consistent with the child’s right to be treated with dignity and to be free from abuse.

(c) Restraint and seclusion should only be used as a safety measure of last resort and should never be used as punishment or discipline or for staff convenience.

(d) Restraint and seclusion may cause serious injury or long lasting trauma and death, even when done safely and correctly.

(e) There is no evidence that restraint or seclusion is effective in reducing the problem behaviors that frequently precipitate the use of those techniques.

(f) Students with disabilities and students of color, especially African American boys, are disproportionately subject to restraint and seclusion.

(g) Well-established California law already regulates restraint techniques in a number of settings, including general acute care hospitals, acute psychiatric hospitals, psychiatric health facilities, crisis stabilization units, community treatment facilities, group homes, skilled nursing facilities, intermediate care facilities, community care facilities, and mental health rehabilitation centers. These minimal protections should be provided to all students in schools.

(h) It is the intent of the Legislature to ensure that schools foster learning in a safe and healthy environment and provide adequate safeguards to prevent harm, and even death, to children in school.

(i) This article is intended to be read to be consistent with, and does not change any requirements, limitations, or protections in, existing law pertaining to students with exceptional needs.

(j) It is the intent of the Legislature to prohibit dangerous practices. Restraint and seclusion, as described in this article, do not further a child’s education. At the same time, the Legislature recognizes that if an emergency situation arises, the ability of education personnel to act in that emergency to safeguard a student or others from imminent physical harm should not be restricted.

**EDC 49005.1.**

The following definitions apply to this article:

(a) “Behavioral restraint” means “mechanical restraint” or “physical restraint,” as defined in this section, used as an intervention when a pupil presents an immediate danger to self or to others. “Behavioral restraint” does not include postural restraints or devices used to improve a pupil’s mobility and independent functioning rather than to restrict movement.

(b) “Educational provider” means a person who provides educational or related services, support, or other assistance to a pupil enrolled in an educational program provided by a local educational agency or a nonpublic school or agency.

(c) “Local educational agency” means a school district, county office of education, charter school, the California Schools for the Deaf, and the California School for the Blind.

(d) (1) “Mechanical restraint” means the use of a device or equipment to restrict a pupil’s freedom of movement.
(2) (A) “Mechanical restraint” does not include the use of devices by peace officers or security personnel for detention or for public safety purposes.

(B) “Mechanical restraint” does not include the use of devices by trained school personnel, or by a pupil, prescribed by an appropriate medical or related services professional, if the device is used for the specific and approved purpose for which the device or equipment was prescribed, which shall include, but not be limited to, all of the following:

1. Adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment to allow greater freedom of mobility than would be possible without the use of such devices or mechanical supports.
2. Vehicle safety restraints when used as intended during the transport of a pupil in a moving vehicle.
3. Restraints for medical immobilization.
4. Orthopedically prescribed devices that permit a pupil to participate in activities without risk of harm.

(e) “Nonpublic school or agency” means any nonpublic school or nonpublic agency, including both in-state and out-of-state nonpublic schools and nonpublic agencies.

(f) (1) “Physical restraint” means a personal restriction that immobilizes or reduces the ability of a pupil to move his or her torso, arms, legs, or head freely. “Physical restraint” does not include a physical escort, which means a temporary touching or holding of the hand, wrist, arm, shoulder, or back for the purpose of inducing a pupil who is acting out to walk to a safe location.

(2) “Physical restraint” does not include the use of force by peace officers or security personnel for detention or for public safety purposes.

(g) “Prone restraint” means the application of a behavioral restraint on a pupil in a facedown position.

(h) “Pupil” means a pupil enrolled in preschool, kindergarten, or any of grades 1 to 12, inclusive, and receiving educational services from an educational provider.

(i) “Seclusion” means the involuntary confinement of a pupil alone in a room or area from which the pupil is physically prevented from leaving. “Seclusion” does not include a timeout, which is a behavior management technique that is part of an approved program, that involves the monitored separation of the pupil in a nonlocked setting, and is implemented for the purpose of calming.

EDC 49005.2.
A pupil has the right to be free from the use of seclusion and behavioral restraints of any form imposed as a means of coercion, discipline, convenience, or retaliation by staff. This right includes, but is not limited to, the right to be free from the use of a drug administered to the pupil in order to control the pupil’s behavior or to restrict the pupil’s freedom of movement, if that drug is not a standard treatment for the pupil’s medical or psychiatric condition.

EDC 49005.4.
An educational provider may use seclusion or a behavioral restraint only to control behavior that poses a clear and present danger of serious physical harm to the pupil or others that cannot be immediately prevented by a response that is less restrictive.

EDC 49005.6.
An educational provider shall avoid, whenever possible, the use of seclusion or behavioral restraint techniques.
EDC 49005.8.
(a) An educational provider shall not do any of the following:
   (1) Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
   (2) Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
   (3) Use a physical restraint technique that obstructs a pupil’s respiratory airway or impairs the pupil’s breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil’s back or places his or her body weight against the pupil’s torso or back.
   (4) Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil’s face.
   (5) Place a pupil in a facedown position with the pupil’s hands held or restrained behind the pupil’s back.
   (6) Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.
(b) An educational provider shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. The observation required pursuant to this subdivision shall not be through indirect means, including through a security camera or a closed-circuit television.
(c) An educational provider shall afford to pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.
(d) If prone restraint techniques are used, a staff member shall observe the pupil for any signs of physical distress throughout the use of prone restraint. Whenever possible, the staff member monitoring the pupil shall not be involved in restraining the pupil.

EDC 49006.
(a) A local educational agency that meets the definition of a “local educational agency” specified in Section 300.28 of Title 34 of the Code of Federal Regulations shall collect and, no later than three months after the end of a school year, report to the department annually on the use of behavioral restraints and seclusion for pupils enrolled in or served by the local educational agency for all or part of the prior school year.

(c) Notwithstanding any other law, the data collected and reported pursuant to this section shall be available as a public record pursuant to Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code.

(d) No later than three months after the report is due to the department pursuant to subdivision (a), the department shall post the data from the report annually on its Internet Web site.

**EDC 49006.2.**

Notwithstanding Section 49006, the data collection and reporting requirements contained in this article shall be conducted in compliance with the requirements of the Civil Rights Data Collection of the United States Department of Education’s Office for Civil Rights imposed pursuant to Sections 100.6(b) and 104.61 of Title 34 of the Code of Federal Regulations, and shall not be construed to impose a new program or higher level of service on local educational agencies or nonpublic schools or agencies.

**EDC 49006.4.**

(a) This article applies with regard to all pupils, including individuals with exceptional needs. For an individual with exceptional needs, if a behavioral restraint or seclusion is used, the procedures for follow-up contained in subdivisions (e), (f), (g) and (h) of Section 56521.1 shall also apply.

(b) For purposes of this section, “individual with exceptional needs” has the same meaning specified in Section 56026.

**EDC 56520.**

(a) The Legislature finds and declares all of the following:

1. That the state has continually sought to provide an appropriate and meaningful educational program in a safe and healthy environment for all children regardless of possible physical, mental, or emotionally disabling conditions.

2. That some schoolage individuals with exceptional needs have significant behavioral challenges that have an adverse impact on their learning or the learning of other pupils, or both.

3. That Section 1400(c)(5)(F) of Title 20 of the United States Code states that research and experience demonstrate that the education of children with disabilities can be made more effective by providing
incentives for positive behavioral interventions and supports to address the learning and behavioral needs of those children.

(4) That procedures for the elimination of maladaptive behaviors shall not include those deemed unacceptable under Section 49001 or those that cause pain or trauma.

(b) It is the intent of the Legislature:

(1) That children exhibiting serious behavioral challenges receive timely and appropriate assessments and positive supports and interventions in accordance with the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.) and its implementing regulations.

(2) That assessments and positive behavioral interventions and supports be developed and implemented in a manner informed by guidance from the United States Department of Education and technical assistance centers sponsored by the Office of Special Education Programs of the United States Department of Education.

(3) That when behavioral interventions, supports, and other strategies are used, they be used in consideration of the pupil’s physical freedom and social interaction, be administered in a manner that respects human dignity and personal privacy, and that ensure a pupil’s right to placement in the least restrictive educational environment.

(4) That behavioral intervention plans be developed and used, to the extent possible, in a consistent manner when the pupil is also the responsibility of another agency for residential care or related services.

(5) That training programs be developed and implemented in institutions of higher education that train teachers and that in-service training programs be made available as necessary in school districts and county offices of education to ensure that adequately trained staff are available to work effectively with the behavioral intervention needs of individuals with exceptional needs.

EDC 56521.

(a) This chapter applies to any individual with exceptional needs who is in a public school program, including a state school for the disabled pursuant to Part 32 (commencing with Section 59000), or who is placed in a nonpublic school program pursuant to Sections 56365 to 56366.5, inclusive.

(b) The Superintendent of Public Instruction shall monitor and supervise the implementation of this chapter.

EDC 56521.1.

(a) Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior.

(b) Emergency interventions shall not be used as a substitute for the systematic behavioral intervention plan that is designed to change, replace, modify, or eliminate a targeted behavior.

(c) No emergency intervention shall be employed for longer than is necessary to contain the behavior. A situation that requires prolonged use of an emergency intervention shall require the staff to seek assistance of the schoolsite administrator or law enforcement agency, as applicable to the situation.

(d) Emergency interventions shall not include:

(1) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
(2) Employment of a device, material, or objects that simultaneously immobilize all four extremities, except that techniques such as prone containment may be used as an emergency intervention by staff trained in those procedures.

(3) An amount of force that exceeds that which is reasonable and necessary under the circumstances.

(e) To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified within one schoolday if an emergency intervention is used or serious property damage occurs. A behavioral emergency report shall immediately be completed and maintained in the file of the individual with exceptional needs. The behavioral emergency report shall include all of the following:

1. The name and age of the individual with exceptional needs.
2. The setting and location of the incident.
3. The name of the staff or other persons involved.
4. A description of the incident and the emergency intervention used, and whether the individual with exceptional needs is currently engaged in any systematic behavioral intervention plan.
5. Details of any injuries sustained by the individual with exceptional needs, or others, including staff, as a result of the incident.

(f) All behavioral emergency reports shall immediately be forwarded to, and reviewed by, a designated responsible administrator.

(g) If a behavioral emergency report is written regarding an individual with exceptional needs who does not have a behavioral intervention plan, the designated responsible administrator shall, within two days, schedule an individualized education program (IEP) team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both.

(h) If a behavioral emergency report is written regarding an individual with exceptional needs who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

EDC 56521.2

(a) A local educational agency or nonpublic, nonsectarian school or agency serving individuals with exceptional needs pursuant to Sections 56365 and 56366, shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric shock.
2. An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual.
3. An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities.
4. An intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma.
5. Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention.
(6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.

(7) An intervention that precludes adequate supervision of the individual.

(8) An intervention that deprives the individual of one or more of his or her senses.

(b) In the case of a child whose behavior impedes the child’s learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

EDC 56523.

(a) The Superintendent shall repeal those regulations governing the use of behavioral interventions with individuals with exceptional needs receiving special education and related services that are no longer supported by statute, including Section 3052 and subdivisions (d), (e), (f), (g), and (ab) of Section 3001 of Title 5 of the California Code of Regulations, as those provisions existed on January 10, 2013.

(b) This chapter is necessary to implement the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.) and associated federal regulations. This chapter is intended to provide the clarity, definition, and specificity necessary for local educational agencies to comply with the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.) and shall be implemented by local educational agencies without the development by the Superintendent and adoption by the state board of any additional regulations.

(c) Pursuant to Section 1401(9) of Title 20 of the United States Code, special education and related services must meet the standards of the department.

(d) As a condition of receiving funding from the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.), a local educational agency shall agree to adhere to this chapter and implementing federal regulations set forth in this chapter.

(e) The Superintendent may monitor local educational agency compliance with this chapter and may take appropriate action, including fiscal repercussions, if either of the following is found:

(1) The local educational agency failed to comply with this chapter and failed to comply substantially with corrective action orders issued by the department resulting from monitoring findings or complaint investigations.

(2) The local educational agency failed to implement the decision of a due process hearing officer based on noncompliance with this part, provisions of the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.), or the federal implementing regulations, wherein noncompliance resulted in the denial of, or impeded the delivery of, a free appropriate public education for an individual with exceptional needs.

(f) Commencing with the 2010-11 fiscal year, if any activities authorized pursuant to this chapter and implementing regulations are found be a state reimbursable mandate pursuant to Section 6 of Article XIII B of the California Constitution, state funding provided for purposes of special education pursuant to Item 6110-161-0001 of Section 2.00 of the annual Budget Act shall first be used to directly offset any mandated costs.

(g) The Legislature hereby requests the Department of Finance on or before December 31, 2013, to exercise its authority pursuant to subdivision (d) of Section 17557 of the Government Code to file a request with the Commission on State Mandates for the purpose of amending the parameters and guidelines of CSM-4464 to delete any reimbursable activities that have been repealed by statute or executive order and to update offsetting revenues that apply to the mandated program.
EDC 56524.
The superintendent shall explore with representatives of institutions of higher education and the Commission on Teacher Credentialing, the current training requirements for teachers to ensure that sufficient training is available in appropriate behavioral interventions for people entering the field of education.

EDC 1981.
The county board of education may enroll pupils in a county community school who are any of the following:

(a) Expelled from a school district for any reason other than those specified in subdivision (a) or (c) of Section 48915.

(b) (1) Referred to a county community school by a school district as a result of the recommendation by a school attendance review board. A pupil shall not be referred to a county community school by a school district pursuant to this subdivision unless the school district and the county office of education determine all of the following:

(A) The county community school has space available to enroll the pupil.

(B) The county community school meets the educational needs of the pupil.

(C) (i) The parent, guardian, or responsible adult of the pupil has not expressly objected to the referral based on one or more of the following reasons:

(I) Reasonable concerns related to the pupil’s safety.

(II) Geographic accessibility.

(III) Inability to transport.

(IV) The school does not meet the pupil’s educational needs.

(ii) The school district may require the objection to be in writing if it has advised the parent, guardian, or responsible adult that they may object, in writing, for one of these reasons.

(2) If the county community school recommended pursuant to paragraph (1) is not geographically accessible to the pupil, the school attendance review board shall also include in its recommendation a school option for the pupil that is geographically accessible to the pupil and meets the criteria specified in paragraph (1).

(3) If the parent, guardian, or responsible adult of the pupil objects for any of the reasons described in subclauses (I) to (IV), inclusive, of clause (i) of subparagraph (C) of paragraph (1), the school district may either address the express objection or find an alternative placement in another comprehensive
or continuation school within the school district. If the school district has offered the pupil all other options, the school district may refer the pupil to the county community school.

(4) The pupil has the right to return to his or her prior school or another appropriate school within his or her school district at the end of the semester following the semester when the acts leading to referral occurred. The right to return shall continue until the end of the pupil’s 18th year of age, except that a pupil with exceptional needs, consistent with Section 56041 of this code and Section 1412(a)(1)(A) of Title 20 of the United States Code, shall have the right to return until he or she turns 22 years of age.

The enrollment of a minor covered by this paragraph in a county community school shall be consistent with paragraph (2) of subdivision (c) of Section 726 of the Welfare and Institutions Code, which provides that all educational and school placement decisions shall seek to ensure that the youth is in the least restrictive educational program, has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, and are based on the best interests of the child.

EDC 48432.
The governing board of each high school district and each unified school district shall establish and maintain within its boundaries special continuation education classes and may establish and maintain regional occupational centers or programs, in accordance with the provisions of Section 52301, whenever there are any minors residing within the district who are subject to compulsory continuation education; provided, that if there are fewer than 100 students enrolled in grade 12 in any school of the district maintaining that grade, the governing board of the district may apply to the State Department of Education for exemption of that school from the requirements of this section and such exemption may be granted in accordance with rules and regulations that shall be adopted by the State Board of Education to govern the granting of the exemptions. An exemption may also be granted to schools having an enrollment of more than 100 pupils in grade 12 if the district seeking the exemption has entered into an agreement with another high school district or unified school district to maintain special continuation education classes for minors residing in either of the districts, but shall not be granted if the agreement would make it necessary for such minors to travel an excessive distance from their homes to the continuation education classes.

If there is a regional occupational center or program as provided in Article 1 (commencing with Section 52300) of Chapter 9 of Part 28, of this division within a county, the governing board of any school district within that county may enroll minors, otherwise subject to, and in lieu of, continuation education, in the center or program in accordance with the provisions of Section 52314. Any minor admitted to a regional occupational center or program under the provisions of Section 52314.5 shall be considered to have enrolled in the regional occupational center or program in lieu of continuation education classes. Nothing in this section shall be construed as indicating that it is the intent of the Legislature to prevent juvenile court school pupils who are housed in group homes from enrolling in regular public schools, or

EDC 48645.
The purpose of this article is to provide for the administration and operation of public schools in juvenile halls, juvenile homes, day centers, juvenile ranches, juvenile camps, regional youth educational facilities, or Orange County youth correctional centers in existence and providing services prior to the effective date of the amendments to this section made by the Statutes of 1989, established pursuant to Article 23 (commencing with Section 850), Article 24 (commencing with Section 880), Article 24.5 (commencing with Section 894) of Chapter 2 of Division 2, or Article 9 (commencing with Section 1850) of Chapter 1 of Division 2.5, of the Welfare and Institutions Code or in any group home housing 25 or more children placed pursuant to Sections 362, 727, and 730, of the Welfare and Institutions Code or in any group home housing 25 or more children and operating one or more additional sites under a central administration for children placed pursuant to Section 362, 727, or 730 of the Welfare and Institutions Code, with acceptable school structures at one or more centrally located sites to serve the single or composite populations, and to provide the juvenile court school pupils therein detained with quality education and training.

Nothing in this section shall be construed as indicating that it is the intent of the Legislature to prevent juvenile court school pupils who are housed in group homes from enrolling in regular public schools, or
that it is the intent of the Legislature to transfer the responsibility for any costs associated with the
operation of group homes to the counties.

The Orange County Office of Education shall only provide educational services in youth correctional
centers for individuals up to 19 years of age.

EDC 48645.1.

Public schools or classes in any juvenile hall, juvenile home, day center, juvenile ranch, juvenile camp,
regional youth educational facility, or Orange County youth correctional center in existence and providing
services prior to the effective date of the amendments to this section made by the Statutes of 1989,
established in accordance with Article 23 (commencing with Section 850), Article 24 (commencing with
Section 880), and Article 24.5 (commencing with Section 894) of Chapter 2 of Division 2, or Article 9
(commencing with Section 1850) of Chapter 1 of Division 2.5, of the Welfare and Institutions Code, or in
any group home housing 25 or more children and operating one or more additional sites under a central
administration, with acceptable school structures at one or more centrally located sites to serve the single
or composite populations of juvenile court school pupils detained therein in accordance with the
provisions of Section 362, 727, or 730 of the Welfare and Institutions Code, shall be known as juvenile
court schools.

EDC 48645.2.

The county board of education shall provide for the administration and operation of juvenile court schools
established pursuant to Section 48645.1:

(a) By the county superintendent of schools, provided that, in any county in which the board of
supervisors is establishing or maintaining juvenile court schools on January 1, 1978, the county
superintendent of schools may contract with the board of supervisors for the administration and
operation of such schools if agreed upon between the board of education and the board of supervisors.
In any event, the county superintendent of schools may contract with other educational agencies for
supporting services to the same extent that school districts may contract with other such agencies.

(b) By contract with the respective governing boards of the elementary, high school, or unified school
district in which the juvenile court school is located.

EDC 48645.3.

(a) Juvenile court schools shall be conducted in a manner as shall be prescribed by the county board of
education to best accomplish the provisions of Section 48645. The minimum schoolday shall be 240
minutes. Minimum schooldays shall be calculated on the basis of the average number of minutes of
attendance during not more than 10 consecutive days in which classes are conducted. The minimum
schoolday for pupils in attendance in approved vocational education programs, work programs prescribed
by the probation department pursuant to Section 883 of the Welfare and Institutions Code, and work
experience programs shall be 180 minutes, which shall be calculated on the basis of the average number
of minutes of attendance during not more than 10 consecutive days in which classes are conducted. The
county board of education shall adopt and enforce a course of study and evaluate its program in
accordance with Sections 51040, 51041, 51050, and 51054 and the provisions of Article 1 (commencing
with Section 51200) to Article 3 (commencing with Section 51220), inclusive, of Chapter 2 of Part 28,
except subdivision (c) of Section 51220.

(b) Juvenile court schools shall not be closed on any weekday of the calendar year, except those
weekdays adopted by the county board of education as school holidays or set aside by the county board
of education for inservice purposes. However, the county board of education may close juvenile court
schools when it deems the closing is necessary to accommodate contingencies.
(c) (1) The county board of education may adopt and enforce a course of study that enhances instruction in mathematics and English language arts for pupils attending juvenile court schools, as determined by statewide assessments or objective local evaluations and assessments as approved by the county superintendent of schools.

(2) The enhanced course of study adopted pursuant to paragraph (1) shall meet the standards adopted pursuant to Section 60605.8, as appropriate, and shall be tailored to meet the needs of the individual pupil to increase the pupil’s academic literacy and reading fluency.

(d) It is the intent of the Legislature that pupils in juvenile court schools have a rigorous curriculum that includes a course of study preparing them for high school graduation and career entry and fulfilling the requirements for admission to the University of California and the California State University.

EDC 48645.5.
(a) Each public school district and county office of education shall accept for credit full or partial coursework satisfactorily completed by a pupil while attending a public school, juvenile court school, or nonpublic, nonsectarian school or agency. The coursework shall be transferred by means of the standard state transcript. If a pupil completes the graduation requirements of his or her school district of residence while being detained, the school district of residence shall issue to the pupil a diploma from the school the pupil last attended before detention or, in the alternative, the county superintendent of schools may issue the diploma.

(b) A pupil shall not be denied enrollment or readmission to a public school solely on the basis that he or she has had contact with the juvenile justice system, including, but not limited to:

(1) Arrest.

(2) Adjudication by a juvenile court.

(3) Formal or informal supervision by a probation officer.

(4) Detention for any length of time in a juvenile facility or enrollment in a juvenile court school.

(c) Pursuant to subparagraph (B) of paragraph (8) of subdivision (f) of Section 48853.5, a pupil who has had contact with the juvenile justice system shall be immediately enrolled in a public school.

(d) If a pupil completes the statewide coursework requirements for graduation specified in Section 51225.3 while attending a juvenile court school, the county office of education shall issue to the pupil a diploma of graduation and shall not require the pupil to complete coursework or other requirements that are in addition to the statewide coursework requirements.

EDC 48645.6.
Plans for any juvenile court school classrooms, offices, or any other school structures in any juvenile hall, juvenile home, day center, juvenile ranch, or juvenile camp shall be approved by the county board of education. Upon approval of the board of supervisors and the county board of education, the cost of such structures shall be a required charge against the funds of the county.

The cost of constructing or otherwise providing classrooms, offices, or other onsite school structures in group homes or other agencies housing children described in Sections 362, 727, and 730 of the Welfare and Institutions Code shall be the responsibility of the private agency. This construction shall not entitle private agencies to an increase in the foster care reimbursement rates available from the State Department of Social Services or any other state agency. It is the intent of the Legislature that nothing in this section shall be construed to preclude the county boards of education or the governing boards of school districts from entering into a contractual agreement providing compensation to group homes for the use of classrooms, offices, or other onsite school structures.
EDC 48646.

(a) The Legislature encourages each county superintendent of schools or governing board of a school district, as determined by the county board of education pursuant to subdivision (b) of Section 48645.2, and the county chief probation officer to enter into a memorandum of understanding or equivalent mutual agreement to support a collaborative process for meeting the needs of wards of the court who are receiving their education in juvenile court schools. The memorandum of understanding or equivalent mutual agreement may include, but is not limited to, a process for communication, decision-making, mutually established goals, and conflict resolution. The purpose of this memorandum of understanding or equivalent mutual agreement is to develop a collaborative model that will foster an educational and residential environment that nurtures the whole child and consistently supports services that will meet the educational needs of the pupils.

(b) A memorandum of understanding or equivalent mutual agreement on providing educational and related services for juvenile court school pupils developed in accordance with this section may include, but is not limited to, the following provisions:

1. Mutually developed goals and objectives that are reviewed annually, including, but not limited to, the following:
   - Building resiliency and strengthening life skills.
   - Fostering prosocial attitudes and behaviors.
   - Assigning pupils to appropriate classrooms based on their educational needs.
   - Ensuring regular classroom attendance.
   - Providing clean, safe, and appropriate educational facilities.
   - Improving academic achievement and vocational preparation.

2. Clear delineation of responsibilities among the educational and residential or custodial service providers.

3. A process for communicating, collaborating, and resolving conflicts. Whenever possible, resolution of issues shall be reached by consensus through a collaborative process that would promote decision-making at the site where services are delivered. A working group charged with this responsibility may be appointed by the county superintendent of schools, or the superintendent of the school district with responsibility for providing juvenile court school services, and the county chief probation officer, or their designees. The working group is responsible for establishing and maintaining open communication, collaboration, and resolution of issues that arise.

4. A clearly identified mechanism for resolving conflicts.

5. A joint process for performing an intake evaluation for each ward to determine educational needs and ability to participate in all educational settings once the ward enters the local juvenile facility. The process shall recognize the limitations on academic evaluation and planning that can result from short-term placements. The evaluation team shall include staff from the responsible educational agency and the county probation department, and may include other participants as appropriate, and as mutually agreed upon by the education and probation members of the team. The evaluation process specified in the memorandum of understanding or equivalent mutual agreement may:
   - Include a timeline for evaluation once a ward is assigned to a local facility.
   - Result in an educational plan for a ward while assigned to a local juvenile facility that is integrated with other rehabilitative and behavioral management programs, and that supports the educational needs of the pupil.
It is the intent that this shared information about each ward placed in a juvenile court school shall assist both the county superintendent of schools and the county chief probation officer in meeting the needs of wards in their care and promoting a system of comprehensive services.

(c) The memorandum of understanding or equivalent mutual agreement shall not cede responsibility or authority prescribed by statute or regulation from one party to another party unless mutually agreed upon by both parties.

EDC 48647.

(a) Local educational agencies are strongly encouraged to enter into memoranda of understanding and create joint policies, systems, including data sharing systems, transition centers, and other joint structures that will allow for the immediate transfer of educational records, create uniform systems for calculating and awarding course credit, and allow for the immediate enrollment of pupils transferring from juvenile court schools.

(b) As part of their existing responsibilities for coordinating education and services for youth in the juvenile justice system, the county office of education and county probation department shall have a joint transition planning policy that includes collaboration with relevant local educational agencies to improve communication regarding dates of release and the educational needs of pupils who have had contact with the juvenile justice system, to coordinate immediate school placement and enrollment, and to ensure that probation officers in the community have the information they need to support the return of pupils who are being transferred from juvenile court schools to public schools in their communities.

EDC 48648.

(a) Subject to an appropriation in the annual Budget Act for this purpose, the Superintendent, in consultation with the Board of State and Community Corrections, shall convene a statewide group with stakeholders from the community, advocacy organizations, and education and probation department leaders to develop a model and study existing successful county programs and policies for the immediate transfer of educational records, uniform systems for calculating and awarding credits, transition planning, and the immediate enrollment of pupils who are being transferred from juvenile court schools.

(b)

(1) On or before January 1, 2016, the statewide group shall report its findings and provide recommendations for state action to the Legislature and appropriate policy committees.

(2) The report shall be submitted in compliance with Section 9795 of the Government Code.

(c) Pursuant to Section 10231.5 of the Government Code, this section is repealed on January 1, 2020.

EDC 48660.

(a) The governing board of a school district may establish one or more community day schools for pupils who meet one or more of the conditions described in subdivision (b) of Section 48662. A community day school may serve pupils in any of kindergarten and grades 1 to 6, inclusive, or any of grades 7 to 12, inclusive, or the same or lesser included range of grades as may be found in an individual middle or junior high school operated by the school district. If a school district is organized as a school district that serves kindergarten and grades 1 to 8, inclusive, but no higher grades, the governing board of the school district may establish a community day school for any kindergarten and grades 1 to 8, inclusive, upon a two-thirds vote of the governing board of the school district. It is the intent of the Legislature, that to the extent possible, the governing board of a school district operating a community day school for any of kindergarten and grades 1 to 8, inclusive, separate younger pupils from older pupils within that community day school.
(b) The average daily attendance of a community day school shall be determined by dividing the total number of days of attendance in all full school months, by a divisor of 70 in the first period of each fiscal year, by a divisor of 135 in the second period of each fiscal year, and by a divisor of 180 at the annual time of each fiscal year.

EDC 48660.1.

It is the intent of the Legislature that school districts operating community day schools to the extent possible include the following program components:

(a) School district cooperation with the county office of education, law enforcement, probation, and human services agencies personnel who work with at-risk youth.

(b) Low pupil-teacher ratio.

(c) Individualized instruction and assessment.

(d) Maximum collaboration with school district support service resources, including, but not limited to, school counselors and psychologists, academic counselors, and pupil discipline personnel.

EDC 48661.

(a) A community day school shall not be situated on the same site as an elementary, middle, junior high, comprehensive senior high, opportunity, or continuation school, except as follows:

(1) When the governing board of a school district with 2,500 or fewer units of average daily attendance reported for the most recent second principal apportionment certifies by a two-thirds vote of its membership that satisfactory alternative facilities are not available for a community day school.

(2) When the governing board of a school district that is organized as a district to serve kindergarten and grades 1 to 8, inclusive, but no higher grades, certifies by a two-thirds vote of its membership that satisfactory alternative facilities are not available for a community day school.

(3) When the governing board of a school district that desires to operate a community day school to serve any of kindergarten and grades 1 to 6, inclusive, but no higher grades, certifies by a two-thirds vote of its membership that satisfactory alternative facilities are not available for a community day school.

(b) A certification made pursuant to this section is valid for not more than one school year and may be renewed by a subsequent two-thirds vote of the governing board.

EDC 48662.

(a) The governing board of a school district that establishes a community day school shall adopt policies that provide procedures for the involuntary transfer of pupils to a community day school.

(b) A pupil may be assigned to a community day school only if he or she meets one or more of the following conditions:

(1) The pupil is expelled for any reason.

(2) The pupil is probation referred pursuant to Sections 300 and 602 of the Welfare and Institutions Code.

(3) The pupil is referred to a community day school by a school attendance review board or other district level referral process.

(4) First priority for assignment to a community day school shall be given to a pupil expelled pursuant to subdivision (d) of Section 48915, second priority shall be given to pupils expelled for any other reasons, and third priority shall be given for placement to all other pupils pursuant to this section, unless there is an agreement that the county superintendent of schools shall serve any of these pupils.
EDC 48663.  
(a) The minimum school day in a community day school is 360 minutes of classroom instruction provided by a certificated employee of the district reporting the attendance of the pupils for apportionment funding.  
(b) A pupil enrolled in a community day school may not generate more than one day of community day school attendance credit in a school day for any purpose.  
(c) For the purposes of calculating the additional funding provided to a school district pursuant to Section 48664, only community day school attendance shall be reported in clock hours. Attendance of less than five clock hours in a school day shall be disregarded for purposes of Section 48664. Five clock hours of attendance in one school day shall be deemed to be one-half day of attendance, for purposes of additional funding pursuant to Section 48664. Six clock hours or more of attendance in one school day shall be deemed to be one day of attendance, for purposes of additional funding pursuant to Section 48664.  
(d) Independent study may not be utilized as a means of providing any part of the minimum instructional day provided pursuant to subdivision (a).  
(e) A community day school’s academic programs shall be comparable to those available to pupils of a similar age in the school district.  

EDC 48666.  
Notwithstanding any other provision of law, the governing board of a school district maintaining a community day school may establish attendance policies for the community day school that permit the community day school to require pupils to attend school for up to seven days each week when this action is taken as part of a directed program designed to provide community day pupils with the skills and attitudes necessary for success when returned to a regular school environment.  

EDC 48903.  
(a) Except as provided in subdivision (g) of Section 48911 and in Section 48912, the total number of days for which a pupil may be suspended from school shall not exceed 20 schooldays in any school year, unless for purposes of adjustment, a pupil enrolls in or is transferred to another regular school, an opportunity school or class, or a continuation education school or class, in which case the total number of schooldays for which the pupil may be suspended shall not exceed 30 days in any school year.  
(b) For the purposes of this section, a school district may count suspensions that occur while a pupil is enrolled in another school district toward the maximum number of days for which a pupil may be suspended in any school year.  

EDC 48910.  
(b) A pupil suspended from a class shall not be placed in another regular class during the period of suspension. However, if the pupil is assigned to more than one class per day this subdivision shall apply only to other regular classes scheduled at the same time as the class from which the pupil was suspended.  

EDC 48911.1.  
(a) A pupil suspended from a school for any of the reasons enumerated in Sections 48900 and 48900.2 may be assigned, by the principal or the principal’s designee, to a supervised suspension classroom for the entire period of suspension if the pupil poses no imminent danger or threat to the campus, pupils, or staff, or if an action to expel the pupil has not been initiated.  
(e) This section does not place any limitation on a school district’s ability to transfer a pupil to an opportunity school or class or a continuation education school or class.
EDC 48915.
(d) The governing board of a school district shall order a pupil expelled upon finding that the pupil committed an act listed in subdivision (c), and shall refer that pupil to a program of study that meets all of the following conditions:

1. Is appropriately prepared to accommodate pupils who exhibit discipline problems.
2. Is not provided at a comprehensive middle, junior, or senior high school, or at any elementary school.
3. Is not housed at the schoolsite attended by the pupil at the time of suspension.

(e) Upon recommendation by the principal or the superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board of a school district may order a pupil expelled upon finding that the pupil, at school or at a school activity off of school grounds violated subdivision (f), (g), (h), (i), (j), (k), (l), or (m) of Section 48900, or Section 48900.2, 48900.3, or 48900.4, and either of the following:

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
2. That due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(f) The governing board of a school district shall refer a pupil who has been expelled pursuant to subdivision (b) or (e) to a program of study that meets all of the conditions specified in subdivision (d). Notwithstanding this subdivision, with respect to a pupil expelled pursuant to subdivision (e), if the county superintendent of schools certifies that an alternative program of study is not available at a site away from a comprehensive middle, junior, or senior high school, or an elementary school, and that the only option for placement is at another comprehensive middle, junior, or senior high school, or another elementary school, the pupil may be referred to a program of study that is provided at a comprehensive middle, junior, or senior high school, or at an elementary school.

EDC 48915.01.
If the governing board of a school district has established a community day school pursuant to Section 48661 on the same site as a comprehensive middle, junior, or senior high school, or at any elementary school, the governing board does not have to meet the condition in paragraph (2) of subdivision (d) of Section 48915 when the board, pursuant to subdivision (f) of Section 48915, refers a pupil to a program of study and that program of study is at the community day school. All the other conditions of subdivision (d) of Section 48915 are applicable to the referral as required by subdivision (f) of Section 48915.

EDC 48915.2.

(b) A free appropriate public education for individuals with exceptional needs suspended or expelled from school shall be in accordance with Section 1412(a)(1) of Title 20 of the United States Code and Section 300.530(d) of Title 34 of the Code of Federal Regulations.

(c) If an individual with exceptional needs is excluded from schoolbus transportation, the pupil is entitled to be provided with an alternative form of transportation at no cost to the pupil or parent or guardian provided that transportation is specified in the pupil’s individualized education program.

(d) If the individual with exceptional needs is a foster child, as defined in Section 48853.5, and the local educational agency has proposed a change of placement due to an act for which a decision to recommend expulsion is at the discretion of the principal or the district superintendent of schools, the attorney for the individual with exceptional needs and an appropriate representative of the county child welfare agency shall be invited to participate in the individualized education program team meeting that makes a manifestation determination pursuant to Section 1415(k) of Title 20 of the United States Code. EDC 48916.

(d) If the governing board denies the readmission of an expelled pupil pursuant to subdivision (c), the governing board shall make a determination either to continue the placement of the pupil in the alternative educational program initially selected for the pupil during the period of the expulsion order or to place the pupil in another program that may include, but need not be limited to, serving expelled pupils, including placement in a county community school.

EDC 48916.1.

(a) At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an educational program is provided to the pupil who is subject to the expulsion order for the period of the expulsion. Except for pupils expelled pursuant to subdivision (d) of Section 48915, the governing board of a school district is required to implement the provisions of this section only to the extent funds are appropriated for this purpose in the annual Budget Act or other legislation, or both.

(b) Notwithstanding any other provision of law, any educational program provided pursuant to subdivision (a) may be operated by the school district, the county superintendent of schools, or a consortium of districts or in joint agreement with the county superintendent of schools.

(c) Any educational program provided pursuant to subdivision (b) may not be situated within or on the grounds of the school from which the pupil was expelled.

(d) If the pupil who is subject to the expulsion order was expelled from any of kindergarten or grades 1 to 6, inclusive, the educational program provided pursuant to subdivision (b) may not be combined or merged with educational programs offered to pupils in any of grades 7 to 12, inclusive. The district or county program is the only program required to be provided to expelled pupils as determined by the governing board of the school district. This subdivision, as it relates to the separation of pupils by grade
levels, does not apply to community day schools offering instruction in any of kindergarten and grades 1 to 8, inclusive, and established in accordance with Section 48660.

(f) If the county superintendent of schools is unable for any reason to serve the expelled pupils of a school district within the county, the governing board of that school district may enter into an agreement with a county superintendent of schools in another county to provide education services for the district’s expelled pupils.

EDC 48926.

Each county superintendent of schools in counties that operate community schools pursuant to Section 1980, in conjunction with superintendents of the school districts within the county, shall develop a plan for providing education services to all expelled pupils in that county. The plan shall be adopted by the governing board of each school district within the county and by the county board of education. The plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

EDC 48915.

(a) (1) Except as provided in subdivisions (c) and (e), the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct:

This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district. The act of possessing an imitation firearm, as defined in subdivision (m) of Section 48900, is not an offense for which suspension or expulsion is mandatory pursuant to this subdivision and subdivision (d), but it is an offense for which suspension, or expulsion pursuant to subdivision (e), may be imposed.

(3) When the person possessing the firearm reasonably believes that he or she is in grave danger because of circumstances forming the basis of a current restraining order issued by a court against another person or persons who has or have been found to pose a threat to his or her life or safety. This subdivision does not apply when the circumstances involve a mutual restraining order issued pursuant to Division 10 (commencing with Section 6200) of the Family Code absent a factual finding of a specific threat to the person’s life or safety. EDC 48323.
Each of the departments or agencies authorized to participate in school attendance review boards may assign personnel to represent the department or agency on a continuing basis in accordance with the intent of this article. The duties, obligations, or responsibilities which may be imposed on local governmental entities by this act are such that the related costs are incurred as a part of their normal operating procedures. EDC 48324.
The county school attendance review board may adopt such rules and regulations not inconsistent with law, as are necessary for its own government and to enable it to carry out the provisions of this article. The rules and regulations may be binding upon the local school attendance review boards which are established pursuant to subdivision (d) of Section 48321.

EDC 48325.
(a) The Legislature finds and declares that statewide policy coordination and personnel training with respect to county attendance review boards will greatly facilitate the achievement of the goals expressed in Section 48320. It is therefore the intent of the Legislature in enacting this section to do the following:

(1) Encourage the cooperation, coordination, and development of strategies to support county school attendance review boards in carrying out their responsibilities to establish local school attendance review boards as necessary. These strategies may include, but need not be limited to, plans for the training of school attendance review board personnel.

(2) Divert pupils with serious attendance and behavioral problems from the juvenile justice system to agencies more directly related to the state public school system by developing a system for gathering and dispensing information on successful community-based and school-based programs.

(3) Reduce duplication of the services of state and county agencies in serving high-risk youth, including youth with school attendance or behavioral problems.

(4) Reduce the number of dropouts in the state public education system by promoting interagency cooperation among those agencies which have as their goals preventing students from dropping out, and increasing the holding power of the public schools.
(b) The Superintendent of Public Instruction shall coordinate and administer a state school attendance review board, as follows:

(1) On or before January 31 of each year, the superintendent shall extend invitations of participation to representatives of appropriate groups throughout the state, including, but not limited to, representatives of school districts, parent groups, county probation departments, county welfare departments, county superintendents of schools, law enforcement agencies, community-based youth service centers, school guidance personnel, child welfare and attendance personnel, the health care profession and state associations having an interest in youth with school attendance or behavioral problems. The superintendent shall also request the participation of representatives from interested state agencies or departments, including, but not limited to, the Department of the California Youth Authority, the Department of Justice, the State Department of Social Services, and the Office of Criminal Justice Planning. To the extent feasible, members of the board shall include persons who are currently members of county or local school attendance review boards. For every year after the first year that the board is convened, the purpose of the invitations of participation shall be to inform appropriate groups, state agencies, and departments of the purposes of the board, to fill vacancies, and to supplement the membership of the board as necessary.

(2) The superintendent shall prescribe an appropriate deadline for acceptance of invitations of participation as a member of the state school attendance review board for that particular year, and the invitations accepted on or before the deadline shall constitute the board for that year, except that the board shall also include a representative of the State Department of Education designated by the director of that department. The representative of the State Department of Education shall be the chairperson of the board.

(3) The superintendent shall convene the board at least four times during the year. At its first meeting, the board shall elect any officers, other than its chairperson, as it deems necessary. Members of the board shall serve without compensation and without reimbursement of travel and living expenses.

(4) The State Department of Education shall provide assistance as requested by the Superintendent of Public Instruction in order to implement the provisions of this section.

(c) The state school attendance review board shall make recommendations annually to the Superintendent of Public Instruction, and to state agencies as deemed appropriate, regarding the needs and services provided to high-risk youth, including youth with school attendance or behavioral problems, in the state public schools, and shall propose uniform guidelines or other means to attain the goals stated in subdivision (a).

(d) This chapter also applies to the filing of complaints which allege noncompliance with the provisions of Education Code sections 49010 and 49011 regarding pupil fees.

(e) Nothing in these regulations shall prevent an LEA from using its local uniform complaint procedure to address complaints not listed in this section.

(f) The CDE will develop a pamphlet for parents that will explain the Uniform Complaint Procedures in a user friendly manner and post this pamphlet on the CDE's Web site.

5 CCR § 4611. Referring complaint issues to other appropriate state or federal agencies.
The following complaints shall be referred to the specified agencies for appropriate resolution and are not subject to the local and CDE complaint procedures set forth in this chapter unless these procedures are made applicable by separate interagency agreements:

   (a) Allegations of child abuse shall be referred to the applicable County Department of Social Services (DSS), Protective Services Division or appropriate law enforcement agency. However, nothing in this section relieves the CDE from investigating complaints pursuant to section 4650(a)(8)(C) herein.

   (b) Health and safety complaints regarding a Child Development Program shall be referred to Department of Social Services for licensed facilities, and to the appropriate Child Development regional administrator for licensing-exempt facilities.

   (c) Employment discrimination complaints shall be sent to the State Department of Fair Employment and Housing (DFEH) pursuant to title 22, CCR, section 98410. The complainant shall be notified by first class mail of any DFEH transferral.

   (d) Allegations of fraud shall be referred to the responsible CDE Division Director who may consult with the CDE's Legal, Audits, and Compliance Branch.

5 CCR § 4620. LEA responsibilities.
Each LEA shall have the primary responsibility to insure compliance with applicable state and federal laws and regulations. Each LEA shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations and/or alleging discrimination, harassment, intimidation or bullying and seek to resolve those complaints in accordance with the procedures set out in this chapter and in accordance with the policies and procedures of the governing board.

5 CCR § 4621. District policies and procedures.
(a) Each LEA shall adopt policies and procedures not inconsistent with sections 4600-4695 of this chapter for the investigation and resolution of complaints. Local policies shall ensure that complainants are protected from retaliation and that the identity of a complainant alleging discrimination, harassment, intimidation or bullying remain confidential as appropriate. School Districts and County Offices of Education shall submit their policies and procedures to the local governing board for adoption.

(b) Each LEA shall include in its policies and procedures the person(s), employee(s) or agency position(s) or unit(s) responsible for receiving complaints, investigating complaints and ensuring LEA compliance. The LEA's policies shall ensure that the person(s), employee(s), position(s) or unit(s) responsible for compliance and/or investigations shall be knowledgeable about the laws/programs that he/she is assigned to investigate.
(c) Except for complaints under sections 4680-4687 regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, the LEA may provide a complaint form for persons wishing to file a complaint to fill out and file. A complaint form shall be provided for complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments. However, a person is not required to use the complaint form furnished by the LEA in order to file a complaint.

5 CCR § 4622. Notice.
Each LEA shall annually notify in writing, as applicable, its students, employees, parents or guardians of its students, the district advisory committee, school advisory committees, appropriate private school officials or representatives, and other interested parties of their LEA complaint procedures, including the opportunity to appeal to the CDE and the provisions of this chapter. The notice shall include the identity (identities) of the person(s) responsible for processing complaints. The notice shall also advise the recipient of any civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable, and of the appeal pursuant to Education Code section 262.3. The notice shall also include information regarding the requirements of Education Code sections 49010 through 49013 relating to pupil fees. This notice shall be in English, and when necessary, in the primary language, pursuant to Education Code section 48985, or mode of communication of the recipient of the notice. Copies of LEA complaint procedures shall be available free of charge.

5 CCR § 4630. Filing a local complaint; Procedures, time lines.
(a) Except for complaints under sections 4680-4687 regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation or bullying and complaints regarding pupil fees, any individual, public agency or organization may file a written complaint with the district superintendent or his or her designee alleging a matter which, if true, would constitute a violation by that LEA of federal or state law or regulation governing a program listed in section 4610(b) of this chapter.

(b) An investigation of alleged unlawful discrimination, harassment, intimidation or bullying shall be initiated by filing a complaint not later than six months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying unless the time for filing is extended by the district superintendent or his or her designee, upon written request by the complainant setting forth the reasons for the extension. Such extension by the district superintendent or his or her designee shall be made in writing. The period for filing may be extended by the district superintendent or his or her designee for good cause for a period not to exceed 90 days following the expiration of the six month time period. The district superintendent shall respond immediately upon a receipt of a request for extension.

(1) The complaint shall be filed by one who alleges that he or she has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes an individual or any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part.

(2) The complaint shall be filed with the LEA in accordance with the complaint procedures of the LEA.

(3) An investigation of a discrimination, harassment, intimidation or bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

(c)(1) Pupil fee complaints may be filed with the principal of the school.
(2) Pupil fee complaints shall be filed not later than one year from the date the alleged violation occurred.

(3) Pupil fee complaints may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with Education Code sections 49010 and 49011 regarding pupil fees.

5 CCR § 4631. Responsibilities of the LEA.

(a) Except for complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, which must be processed in accordance with sections 4680-4687, within 60 days from the date of the receipt of the complaint, the LEA person responsible for the investigation of the complaints or his or her designee shall conduct and complete an investigation of the complaint in accordance with the local procedures adopted pursuant to section 4621 and prepare a written LEA Decision. This time period may be extended by written agreement of the complainant.

(b) The investigation shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with state and federal laws and/or regulations.

(c) Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

(d) Refusal by the LEA to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

(e) The LEA should issue a Decision (the Decision) based on the evidence. The Decision shall be in writing and sent to the complainant within 60 days from receipt of the complaint by the LEA. The Decision should contain:

1) the findings of fact based on the evidence gathered,
2) conclusion of law,
3) disposition of the complaint,
4) the rationale for such disposition,
5) corrective actions, if they are warranted, including, with respect to a pupil fee complaint, a remedy that comports with Education Code section 49013(d) and section 4600(u).
6) notice of the complainant's right to appeal the LEA Decision to the CDE, and
7) procedures to be followed for initiating an appeal to the CDE.

(f) Nothing in this chapter shall prohibit the parties from utilizing alternative methods to resolve the allegations in the complaint, including, but not limited to, mediation.

(g) Nothing in this chapter shall prohibit an LEA from resolving complaints prior to the formal filing of a written complaint.

5 CCR § 4632. Appeal of LEA decision - Grounds.

(a) Except for complaints under sections 4681 and 4682 regarding instructional materials and teacher vacancies or misassignments, a complainant may appeal a Decision to the CDE by filing a written appeal within 15 days of receiving the Decision.
(b) The complainant shall specify the basis for the appeal of the Decision and whether the facts are incorrect and/or the law is misapplied.

c) The appeal shall be accompanied by:

   (1) a copy of the locally filed complaint; and
   (2) a copy of the Decision.

(d) If the CDE determines the appeal raises issues not contained in the local complaint, the CDE will refer those new issues back to the LEA for resolution as a new complaint under section 4630 or 4631.

e) If the CDE determines that the Decision failed to address an issue raised by the complaint, the CDE shall refer the matter to the LEA to make the necessary findings and conclusions on any issue not addressed. The LEA will address the issue within 20 days from the date of the referral.

5 CCR § 4633. Appeal of LEA decision.

(a) If the Decision is appealed, the CDE shall notify the LEA of the appeal. Upon notification by the CDE that the Decision has been appealed, the LEA shall forward the following to the CDE:

   (1) A copy of the original complaint;
   (2) A copy of the Decision;
   (3) A summary of the nature and extent of the investigation conducted by the LEA, if not covered in the Decision;
   (4) A copy of the investigation file, including but not limited to, all notes, interviews and documents submitted by the parties or gathered by the investigator;
   (5) A report of any action taken to resolve the complaint;
   (6) A copy of the LEA complaint procedures; and
   (7) Such other relevant information as the CDE may request.

(b) The CDE shall not receive evidence from the parties that could have been presented to the LEA investigator during the investigation, unless requested by the CDE. Any confidential information or pupil information in the investigative file shall remain confidential and shall not be disclosed by the CDE.

c) The CDE may contact the parties for further information, if necessary.

d) The CDE shall review the investigation file, the summary of the nature and extent of the investigation conducted by the LEA, the complaint procedures, documents and any other evidence received from the LEA and determine whether substantial evidence exists:

   (1) That the LEA followed its complaint procedures; and
   (2) That the relevant findings of fact in the Decision which are the subject of the appeal are supported by the evidence.

e) The CDE shall review the conclusions of law which are the subject of the appeal and determine whether they are correct.

(f) If the CDE determines that the Decision is deficient because it lacks findings of fact and conclusions of law regarding the subject of the appeal, the CDE may return the Decision to the LEA in order to correct the deficiencies within 20 days of the return.

g) If the CDE finds that the Decision is supported by substantial evidence, and that the legal conclusions are not contrary to law, the appeal shall be denied.

(h) If the CDE finds the grounds for the appeal have merit:

   (1) The CDE may, if there is a lack of substantial evidence or a procedural defect in the investigation, remand the investigation to the LEA for further investigation of the allegations which are the subject of the appeal; or
(2) The CDE may issue a decision based on the evidence in the investigation file received from the LEA; or
(3) If the CDE determines that it is in the best interest of the parties, conduct a further investigation of the allegations which are the basis for the appeal and issue a decision following further investigation.

(i) If the CDE finds merit in the appeal, the CDE’s decision on appeal shall contain the following:

1. A finding that the LEA complied or did not comply with its complaint procedures;
2. The CDE’s findings of fact and conclusions of law regarding the issue on appeal; and
3. Where a determination is made that the LEA failed to comply with the applicable state or federal law or regulation, remedial orders and/or required actions to address the violation(s), including, with respect to a pupil fee complaint, a remedy that specifies the LEA’s obligation to comply with Education Code section 49013(d) and section 4600(u).

(j) The CDE must issue a written decision regarding an appeal of a pupil fee complaint and provide a copy of the written decision to the appellant within 60 days of the CDE's receipt of the appeal.

5 CCR § 4640. Filing a state complaint that has not first been filed at the Local Educational Agency (LEA); Time lines, notice, appeal rights.
Referral to the LEA for Local Resolution.

(a) If a complaint is erroneously filed with the CDE without first being filed with and investigated by the LEA, the CDE shall immediately forward the complaint to the LEA for processing in accordance with article 4 of this chapter, unless extraordinary circumstances exist necessitating direct state intervention as described at section 4650.

(b) A letter shall be sent by first class mail to the complainant(s) notifying him, her, or them that:

1. The CDE does not have jurisdiction, at this time, over the complaint and that the complaint should have been filed with the LEA in the first instance;
2. That the complaint has been transferred to the local educational agency requesting the local educational agency to process and investigate the allegation in the complaint; and
3. That the complainant may file an appeal to the CDE following the issuance of the Decision, if he or she believes as a matter of fact or law the Decision is incorrect.

5 CCR § 4650. Basis of direct state intervention.

(a) Except for complaints under sections 4680, 4681, 4682 and 4683 regarding instructional materials, teacher vacancies or misassignments, and condition of a facility, the CDE shall directly intervene without waiting for LEA investigation if one or more of the following situations exist:

1. The complaint includes an allegation, and the CDE verifies, that an LEA failed to comply with the complaint procedures required by this Chapter and its local rules and regulations, including, but not limited to, the failure or refusal of the LEA to cooperate with the investigation;
2. The complaint relates to an agency that is not an LEA funded through the Child Development or Child Nutrition Programs;
3. The complainant requests anonymity because he or she would be in danger of retaliation and would suffer immediate and irreparable harm if he or she filed a complaint with the LEA (except for complaints regarding pupil fees, which may be filed anonymously with the principal of a public school);
4. The complainant alleges that the LEA failed or refused to implement the final decision resulting from its local investigation or local mediation agreement;
5. The complainant alleges and the CDE verifies that through no fault of the complainant, no action has been taken by the LEA within 60 calendar days of the date the complaint was filed. Prior to direct
intervention, the CDE shall attempt to work with the LEA to allow it to complete the investigation and issue a Decision.

(6) The complainant alleges and the CDE verifies that he or she would suffer immediate and irreparable harm as a result of an application of a district-wide policy that is in conflict with state or federal law covered by this Chapter, and that filing a complaint with the LEA would be futile.

(7) For complaints relating to special education, any one of the following shall be a condition for direct state intervention:

(A) The complainant alleges that a public agency, other than an LEA, as specified in Government Code section 7570 et seq., fails or refuses to comply with an applicable law or regulation relating to the provision of free appropriate public education to individuals with disabilities;

(B) The complainant alleges that the LEA or public agency fails or refuses to comply with the due process procedures established pursuant to federal and state law and regulation; or has failed or refused to implement a due process hearing order;

(C) The complainant alleges facts that indicate that the child or group of children may be in immediate physical danger or that the health, safety or welfare of a child or group of children is threatened.

(D) The complainant alleges that an individual with a disability is not receiving the special education or related services specified in his or her individualized educational program (IEP).

(E) The complaint involves a violation of federal law governing special education, 20 U.S.C. section 1400 et seq., or its implementing regulations.

(b) The complaint shall identify the basis, as described in subdivision (a) above, for filing the complaint directly to the CDE. The complainant must present the CDE with clear and verifiable evidence that supports the basis for the direct filing, except as in subdivision (a)(7).

5 CCR § 4651. Notification.

When the Department receives a complaint requesting direct State intervention, the Department shall determine whether the complaint meets one or more of the criterion specified in section 4650 for direct State intervention and shall immediately notify the complainant by first class mail of the determination to accept the complaint without a local educational agency investigation and/or Decision. If the complaint is not accepted, it shall be referred to the local educational agency for local investigation, or referred to another agency pursuant to section 4611.

5 CCR § 4660. Department resolution procedures.

(a) When the Department determines that direct State intervention is warranted pursuant to any provision of section 4650, the following procedures shall be used to resolve the issues of the complaint:

(1) The Department shall consider alternative methods to resolve the allegations in the complaint.

(2) If both parties request mediation, the Department shall offer to mediate the dispute which may lead to a state mediation agreement.

(3) The Department shall conduct an investigation, including an on-site investigation if necessary, into the allegations in the complaint unless a settlement agreement has been reached between the parties that disposes of all the issues in the complaint.

5 CCR § 4662. Investigation timeline.

(a) Each party in the dispute shall be sent written notification by the Department of the name(s) of the investigator(s) and the investigation date(s), if known. The notice shall explain the investigation process.

(b) An investigation will be completed within 60 days after receiving a request for direct intervention or an appeal request, unless the parties have agreed to extend the time lines. The Department may grant
extensions for the investigation if exceptional circumstances exist that constitute good cause with respect to the particular complaint, and provided that the complainant is informed of the extension and the reasons therefore and provided that the facts supporting the extension are documented and maintained in the complaint file.

5 CCR § 4663. Department investigation procedures.
(a) The investigator(s) shall request all documentation and other evidence regarding the allegations in the complaint.

(b) The investigation shall include an opportunity for the complainant, or the complainant’s representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with state and federal laws and/or regulations.

(c) Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

(d) Refusal by the local educational agency to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

5 CCR § 4664. Department investigation report.
(a) An investigation report shall be issued. The investigation report shall include the following:

   (1) A summary of the allegations in the complaint;
   (2) A description of the general procedures of the investigation;
   (3) Citations of applicable law and regulations;
   (4) Department findings of facts;
   (5) Department conclusions;
   (6) LEA required actions, if applicable;
   (7) LEA recommended specific actions, if applicable;
   (8) Time line for corrective actions, if applicable; and
   (9) Notice that any party may request reconsideration of the Department’s report from the Superintendent of Public Instruction within 35 days of the receipt of the report.

   (10) For those programs governed by Part 76 of Title 34 of the Code of Federal Regulations, the parties shall be notified of the right to appeal to the United States Secretary of Education.

(b) An investigation report shall be mailed to the parties within 60 days from the conclusion of the investigation.

5 CCR § 4665. Discretionary reconsideration of department investigation report.
(a) Within 35 days of receipt of the Department investigation report, either party may request reconsideration by the Superintendent. The request for reconsideration shall designate the finding(s), conclusion(s), or corrective action(s) in the Department’s report to be reconsidered and state the specific basis for reconsidering the designated finding(s), conclusion(s) or corrective action(s). The request for reconsideration shall also state whether the findings of fact are incorrect and/or the law is misapplied.
(b) Within 35 days of the receipt of the request for reconsideration, the Superintendent or his or her
designee may respond in writing to the parties modifying the specific finding(s), conclusion(s), or
corrective action(s) for which reconsideration is requested, or denying the request for reconsideration.
Pending the Superintendent's reconsideration, the Department report remains in effect and enforceable.
(c) Appeals by private agencies regarding Child Care Food Programs shall be made to the State Office of
Administrative Hearings in accordance with applicable laws and regulations.
(d) Appeals from investigations of complaints involving Child Development contractors, whether public or
private, shall be made to the Superintendent of Public Instruction as provided in subsection (a) except as
otherwise provided in division 19 of title 5 of the Code of California Regulations.
(e) For those programs governed by part 76 of title 34 of the Code of Federal Regulations, the parties
shall be notified of the right to appeal to the United States Secretary of Education.

5 CCR § 4670. Enforcement.
(a) Upon determination that a local agency v
iolated the provisions of this chapter, the Department shall
notify the local agency pursuant to section 4664(b) that it must take corrective action to come into
compliance. If corrective action is not taken, the Department may use any means authorized by law to
effect compliance, including, but not limited to:

(1) The withholding of all or part of the local agency's relevant state or federal fiscal support in
accordance with state or federal statute or regulation;

(2) Probationary eligibility for future state or federal support, conditional on compliance with specified
conditions;

(3) Proceeding in a court of competent jurisdiction for an appropriate order compelling compliance.
(b) No decision to curtail state or federal funding to a local agency under this chapter shall be made until
the Department has determined that compliance cannot be secured by other means.
(c) If the Department determines that a Child Development Contractor's Agreement shall be terminated,
the procedures set forth in sections 8257(d) or 8400 et seq. of the Education Code and the regulations
promulgated pursuant thereto (chapter 19 of title 5, CCR, commencing with section 17906), shall be
followed.
(d) If the Department determines that a local educational agency has failed to comply with any provision
of sections 49550 through 49554 of the Education Code, the Department shall certify such
noncompliance to the Attorney General for investigation pursuant to section 49556 of the Education
Code.

LAWS

EDC 32261.
(a) The Legislature hereby recognizes that all pupils enrolled in the state public schools have the inalienable right to attend classes on school campuses that are safe, secure, and peaceful. The Legislature also recognizes that pupils cannot fully benefit from an educational program unless they attend school on a regular basis. In addition, the Legislature further recognizes that school crime, vandalism, truancy, and excessive absenteeism are significant problems on far too many school campuses in the state.

(b) The Legislature hereby finds and declares that the establishment of an interagency coordination system is the most efficient and long-lasting means of resolving school and community problems of truancy and crime, including vandalism, drug and alcohol abuse, gang membership, gang violence, and hate crimes.

(d) It is the intent of the Legislature in enacting this chapter to encourage school districts, county offices of education, law enforcement agencies, and agencies serving youth to develop and implement interagency strategies, in-service training programs, and activities that will improve school attendance and reduce school crime and violence, including vandalism, drug and alcohol abuse, gang membership, gang violence, hate crimes, bullying, including bullying committed personally or by means of an electronic act, teen relationship violence, and discrimination and harassment, including, but not limited to, sexual harassment.

(f) As used in this chapter, “bullying” has the same meaning as set forth in subdivision (r) of Section 48900.

(g) As used in this chapter, “electronic act” has the same meaning as set forth in subdivision (r) of Section 48900.

EDC 32282.
(a) The comprehensive school safety plan shall include, but not be limited to, both of the following:

(2) Identifying appropriate strategies and programs that will provide or maintain a high level of school safety and address the school’s procedures for complying with existing laws related to school safety, which shall include the development of all of the following:

(F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing “gang-related apparel,” if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define “gang-related apparel.” The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, “gang-related apparel” shall not be considered a protected form of speech pursuant to Section 48950.

EDC 48900.
A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent of the school district or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r), inclusive:

(a) (1) Caused, attempted to cause, or threatened to cause physical injury to another person.
(2) Willfully used force or violence upon the person of another, except in self-defense.

(c) Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

(d) Refusal by the LEA to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

(c) The appeal shall be accompanied by:

1. a copy of the locally filed complaint; and

(e) If the CDE determines that the Decision failed to address an issue raised by the complaint, the CDE shall refer the matter to the LEA to make the necessary findings and conclusions on any issue not addressed. The LEA will address the issue within 20 days from the date of the referral.

5 CCR § 4633. Appeal of LEA decision.

(c) The CDE may contact the parties for further information, if necessary.

(d) The CDE shall review the investigation file, the summary of the nature and extent of the investigation conducted by the LEA, the complaint procedures, documents and any other evidence received from the LEA and determine whether substantial evidence exists:
   (1) That the LEA followed its complaint procedures; and
   (2) That the relevant findings of fact in the Decision which are the subject of the appeal are supported by the evidence.

(e) The CDE shall review the conclusions of law which are the subject of the appeal and determine whether they are correct.

(f) If the CDE determines that the Decision is deficient because it lacks findings of fact and conclusions of law regarding the subject of the appeal, the CDE may return the Decision to the LEA in order to correct the deficiencies within 20 days of the return.

(g) If the CDE finds that the Decision is supported by substantial evidence, and that the legal conclusions are not contrary to law, the appeal shall be denied.

(h) If the CDE finds the grounds for the appeal have merit:
   (1) The CDE may, if there is a lack of substantial evidence or a procedural defect in the investigation, remand the investigation to the LEA for further investigation of the allegations which are the subject of the appeal; or
   (2) The CDE may issue a decision based on the evidence in the investigation file received from the LEA; or
   (3) If the CDE determines that it is in the best interest of the parties, conduct a further investigation of the allegations which are the basis for the appeal and issue a decision following further investigation.

(i) If the CDE finds merit in the appeal, the CDE's decision on appeal shall contain the following:

(j) The CDE must issue a written decision regarding an appeal of a pupil fee complaint and provide a copy of the written decision to the appellant within 60 days of the CDE's receipt of the appeal.

5 CCR § 4640. Filing a state complaint that has not first been filed at the Local Educational Agency (LEA); Time lines, notice, appeal rights.

Referral to the LEA for Local Resolution.

(a) If a complaint is erroneously filed with the CDE without first being filed with and investigated by the LEA, the CDE shall immediately forward the complaint to the LEA for processing in accordance with article 4 of this chapter, unless extraordinary circumstances exist necessitating direct state intervention as described at section 4650.

(b) A letter shall be sent by first class mail to the complainant(s) notifying him, her, or them that:
(1) The CDE does not have jurisdiction, at this time, over the complaint and that the complaint should have been filed with the LEA in the first instance;

(3) That the complainant may file an appeal to the CDE following the issuance of the Decision, if he or she believes as a matter of fact or law the Decision is incorrect.

(a) Except for complaints under sections 4680, 4681, 4682 and 4683 regarding instructional materials, teacher vacancies or misassignments, and condition of a facility, the CDE shall directly intervene without waiting for LEA investigation if one or more of the following situations exist:
   (1) The complaint includes an allegation, and the CDE verifies, that an LEA failed to comply with the complaint procedures required by this Chapter and its local rules and regulations, including, but not limited to, the failure or refusal of the LEA to cooperate with the investigation;
   (2) The complaint relates to an agency that is not an LEA funded through the Child Development or Child Nutrition Programs;
   (3) The complainant requests anonymity because he or she would be in danger of retaliation and would suffer immediate and irreparable harm if he or she filed a complaint with the LEA (except for complaints regarding pupil fees, which may be filed anonymously with the principal of a public school);
   (4) The complainant alleges that the LEA failed or refused to implement the final decision resulting from its local investigation or local mediation agreement;
   (5) The complainant alleges and the CDE verifies that through no fault of the complainant, no action has been taken by the LEA within 60 calendar days of the date the complaint was filed. Prior to direct intervention, the CDE shall attempt to work with the LEA to allow it to complete the investigation and issue a Decision.
   (6) The complainant alleges and the CDE verifies that he or she would suffer immediate and irreparable harm as a result of an application of a district-wide policy that is in conflict with state or federal law covered by this Chapter, and that filing a complaint with the LEA would be futile.
   (7) For complaints relating to special education, any one of the following shall be a condition for direct state intervention:
      (A) The complainant alleges that a public agency, other than an LEA, as specified in Government Code section 7570 et seq., fails or refuses to comply with an applicable law or regulation relating to the provision of free appropriate public education to individuals with disabilities;
      (B) The complainant alleges that the LEA or public agency fails or refuses to comply with the due process procedures established pursuant to federal and state law and regulation; or has failed or refused to implement a due process hearing order;
      (C) The complainant alleges facts that indicate that the child or group of children may be in immediate physical danger or that the health, safety or welfare of a child or group of children is threatened.
      (D) The complainant alleges that an individual with a disability is not receiving the special education or related services specified in his or her individualized educational program (IEP).
      (E) The complaint involves a violation of federal law governing special education, 20 U.S.C. section 1400 et seq., or its implementing regulations.
(b) The complaint shall identify the basis, as described in subdivision (a) above, for filing the complaint directly to the CDE. The complainant must present the CDE with clear and verifiable evidence that supports the basis for the direct filing, except as in subdivision (a)(7).
5 CCR § 4651. Notification.
When the Department receives a complaint requesting direct State intervention, the Department shall determine whether the complaint meets one or more of the criterion specified in section 4650 for direct State intervention and shall immediately notify the complainant by first class mail of the determination to accept the complaint without a local educational agency investigation and/or Decision. If the complaint is not accepted, it shall be referred to the local educational agency for local investigation, or referred to another agency pursuant to section 4611.

5 CCR § 4660. Department resolution procedures.
(a) When the Department determines that direct State intervention is warranted pursuant to any provision of section 4650, the following procedures shall be used to resolve the issues of the complaint:
(1) The Department shall consider alternative methods to resolve the allegations in the complaint.
(2) If both parties request mediation, the Department shall offer to mediate the dispute which may lead to a state mediation agreement.
(3) The Department shall conduct an investigation, including an on-site investigation if necessary, into the allegations in the complaint unless a settlement agreement has been reached between the parties that disposes of all the issues in the complaint.

5 CCR § 4662. Investigation timeline.
(a) Each party in the dispute shall be sent written notification by the Department of the name(s) of the investigator(s) and the investigation date(s), if known. The notice shall explain the investigation process.
(b) An investigation will be completed within 60 days after receiving a request for direct intervention or an appeal request, unless the parties have agreed to extend the time lines. The Department may grant extensions for the investigation if exceptional circumstances exist that constitute good cause with respect to the particular complaint, and provided that the complainant is informed of the extension and the reasons therefore and provided that the facts supporting the extension are documented and maintained in the complaint file.

5 CCR § 4663. Department investigation procedures.
(a) The investigator(s) shall request all documentation and other evidence regarding the allegations in the complaint.
(b) The investigation shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with state and federal laws and/or regulations.
(c) Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegations.
(d) Refusal by the local educational agency to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

5 CCR § 4664. Department investigation report.
(a) An investigation report shall be issued. The investigation report shall include the following:
(1) A summary of the allegations in the complaint;
(2) A description of the general procedures of the investigation;

LAWS

EDC 32281.

(e) (1) When a principal or his or her designee verifies through local law enforcement officials that a report has been filed of the occurrence of a violent crime on the schoolsite of an elementary or secondary school at which he or she is the principal, the principal or the principal's designee may send to each pupil's parent or legal guardian and each school employee a written notice of the occurrence and general nature of the crime. If the principal or his or her designee chooses to send the written notice, the Legislature encourages the notice be sent no later than the end of business on the second regular workday after the verification. If, at the time of verification, local law enforcement officials determine that notification of the violent crime would hinder an ongoing investigation, the notification authorized by this subdivision shall be made within a reasonable period of time, to be determined by the local law enforcement agency and the school district. For purposes of this section, an act considered a "violent crime" shall meet the definition of Section 67381 and be an act for which a pupil could or would be expelled pursuant to Section 48915.

(2) This subdivision does not create any liability in a school district or its employees for complying with paragraph (1).

EDC 48240.

For purposes of this section, a conscientious effort means attempting to communicate with the parents of the pupil at least once using the most cost-effective method possible, which may include electronic mail or a telephone call.

EDC 48263.
(a) If a minor pupil in a school district of a county is a habitual truant, or is a chronic absentee, as defined in Section 60901, or is habitually insubordinate or disorderly during attendance at school, the pupil may be referred to a school attendance review board, or to the probation department for services if the probation department has elected to receive these referrals. EDC 48263.5.
(a) In any county which has established a county school attendance review board pursuant to Section 48321, the school attendance review board may notify the district attorney or the probation officer, or both, of the county in which the school district is located, or the probation officer may notify the district attorney, by first-class mail or other reasonable means, of the following if the district attorney or the probation officer has elected to participate in the truancy mediation program described in subdivision (b):

The district attorney or the probation officer may also request the parents or guardians and the child to attend a meeting in the district attorney’s office or at the probation department pursuant to

(a) The governing board of each school district may adopt a policy authorizing teachers to require the parent or guardian of a pupil who has been suspended by a teacher pursuant to Section 48910 for reasons specified in subdivision (i) or (k) of Section 48900, to attend a portion of a schoolday in the classroom of his or her child or ward. The policy shall take into account reasonable factors that may prevent compliance with a notice to attend. The attendance of the parent or guardian shall be limited to the class from which the pupil was suspended.

(b) The policy shall be adopted pursuant to the procedures set forth in Sections 35291 and 35291.5. Parents and guardians shall be notified of this policy prior to its implementation. A teacher shall apply any policy adopted pursuant to this section uniformly to all pupils within the classroom.

The adopted policy shall include the procedures that the district will follow to accomplish the following:

1. Ensure that parents or guardians who attend school for the purposes of this section meet with the school administrator or his or her designee after completing the classroom visitation and before leaving the schoolsite.

2. Contact parents or guardians who do not respond to the request to attend school pursuant to this section.

(c) If a teacher imposes the procedure pursuant to subdivision (a), the principal shall send a written notice to the parent or guardian stating that attendance by the parent or guardian is pursuant to law. This section shall apply only to a parent or guardian who is actually living with the pupil.

(d) A parent or guardian who has received a written notice pursuant to subdivision (c) shall attend class as specified in the written notice. The notice may specify that the attendance of the parent or guardian be on the day the pupil is scheduled to return to class, or within a reasonable period of time thereafter, as established by the policy of the board adopted pursuant to subdivision (a).

**EDC 48904.**

(b) (2) The school district or private school shall notify the parent or guardian of the pupil in writing of the pupil’s alleged misconduct before withholding the pupil’s grades, diploma, or transcripts pursuant to this subdivision. Upon completion of the voluntary work, the grades, diploma, and transcripts of the pupil shall be released.

**EDC 48904.3**

(b) Any school district that has decided to withhold a pupil’s grades, diploma, or transcripts pursuant to Section 48904 shall, upon receiving notice that the pupil has transferred to any school district in this state, notify the parent or guardian of the pupil in writing that the decision to withhold will be enforced as specified in subdivision (a).
EDC 48906.
When a principal or other school official releases a minor pupil to a peace officer for the purpose of removing the minor from the school premises, the school official shall take immediate steps to notify the parent, guardian, or responsible relative of the minor regarding the release of the minor to the officer, and regarding the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse, as defined in Section 11165.6 of the Penal Code, or pursuant to Section 305 of the Welfare and Institutions Code. In those cases, the school official shall provide the peace officer with the address and telephone number of the minor’s parent or guardian. The peace officer shall take immediate steps to notify the parent, guardian, or responsible relative of the minor that the minor is in custody and the place where he or she is being held. If the officer has a reasonable belief that the minor would be endangered by a disclosure of the place where the minor is being held, or that the disclosure would cause the custody of the minor to be disturbed, the officer may refuse to disclose the place where the minor is being held for a period not to exceed 24 hours. The officer shall, however, inform the parent, guardian, or responsible relative whether the child requires and is receiving medical or other treatment. The juvenile court shall review any decision not to disclose the place where the minor is being held at a subsequent detention hearing.

EDC 48909.
When a petition is requested in juvenile court or a complaint is filed in any court alleging that a minor of compulsory school attendance age or any pupil currently enrolled in a public school in a grade to and including grade 12 is a person who (a) has used, sold, or possessed narcotics or other hallucinogenic drugs or substances; (b) has inhaled or breathed the fumes of, or ingested any poison classified as such in Section 4160 of the Business and Professions Code; or (c) has committed felony assault, homicide, or rape the district attorney may, within 48 hours, provide written notice to the superintendent of the school district of attendance, notwithstanding the provisions of Section 827 of the Welfare and Institutions Code, and to the pupil’s parent or guardian.

EDC 48910.
(a) A teacher may suspend any pupil from class, for any of the acts enumerated in Section 48900, for the day of the suspension and the day following. The teacher shall immediately report the suspension to the principal of the school and send the pupil to the principal or the designee of the principal for appropriate action. If that action requires the continued presence of the pupil at the schoolsite, the pupil shall be under appropriate supervision, as defined in policies and related regulations adopted by the governing board of the school district. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. If practicable, a school counselor or a school psychologist may attend the conference. A school administrator shall attend the conference if the teacher or the parent or guardian so requests. The pupil shall not be returned to the class from which he or she was suspended, during the period of the suspension, without the concurrence of the teacher of the class and the principal.

EDC 48911.
(d) At the time of suspension, a school employee shall make a reasonable effort to contact the pupil’s parent or guardian in person or by telephone. If a pupil is suspended from school, the parent or guardian shall be notified in writing of the suspension.

(f) (1) The parent or guardian of a pupil shall respond without delay to a request from school officials to attend a conference regarding his or her child’s behavior.
(2) No penalties shall be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

EDC 48911.1.

(a) A pupil suspended from a school for any of the reasons enumerated in Sections 48900 and 48900.2 may be assigned, by the principal or the principal’s designee, to a supervised suspension classroom for the entire period of suspension if the pupil poses no imminent danger or threat to the campus, pupils, or staff, or if an action to expel the pupil has not been initiated.

(d) At the time a pupil is assigned to a supervised suspension classroom, a school employee shall notify, in person or by telephone, the pupil’s parent or guardian. (b) Notwithstanding the provisions of Section 35145 of this code and Section 54950 of the Government Code, the governing board of a school district shall, unless a request has been made to the contrary, hold closed sessions if the board is considering the suspension of, disciplinary action against, or any other action against, except expulsion, any pupil, if a public hearing upon that question would lead to the giving out of information concerning a school pupil which would be in violation of Article 5 (commencing with Section 49073) of Chapter 6.5.

(c) Before calling a closed session to consider these matters, the governing board shall, in writing, by registered or certified mail or by personal service, notify the pupil and the pupil’s parent or guardian, or the pupil if the pupil is an adult, of the intent of the governing board to call and hold a closed session. Unless the pupil or the pupil’s parent or guardian shall, in writing, within 48 hours after receipt of the written notice of the board’s intention, request that the hearing be held as a public meeting, the hearing to consider these matters shall be conducted by the governing board in closed session. In the event that a written request is served upon the clerk or secretary of the governing board, the meeting shall be public, except that any discussion at that meeting which may be in conflict with the right to privacy of any pupil other than the pupil requesting the public meeting, shall be in closed session.

EDC 48914.

Each school district is authorized to establish a policy that permits school officials to conduct a meeting with the parent or guardian of a suspended pupil to discuss the causes, the duration, the school policy involved, and other matters pertinent to the suspension.

EDC 48916.

(d) If the governing board denies the readmission of an expelled pupil pursuant to subdivision (c), the governing board shall make a determination either to continue the placement of the pupil in the alternative educational program initially selected for the pupil during the period of the expulsion order or to place the pupil in another program that may include, but need not be limited to, serving expelled pupils, including placement in a county community school.

(e) The governing board shall provide written notice to the expelled pupil and the pupil’s parent or guardian describing the reasons for denying the pupil readmittance into the regular school district program. Nothing in this section shall be construed as indicating that it is the intent of the Legislature to prevent juvenile court school pupils who are housed in group homes from enrolling in regular public schools, or that it is the intent of the Legislature to transfer the responsibility for any costs associated with the operation of group homes to the counties.

The Orange County Office of Education shall only provide educational services in youth correctional centers for individuals up to 19 years of age.

The minimum schoolday shall be 240 minutes. Minimum schooldays shall be calculated on the basis of the average number of minutes of attendance during not more than 10 consecutive days in which classes are conducted. The minimum schoolday for pupils in attendance in approved vocational education programs, work programs prescribed by the probation department pursuant to Section 883 of the Welfare and Institutions Code, and work experience programs shall be 180 minutes, which shall be calculated on the basis of the average number of minutes of attendance during not more than 10 consecutive days in which classes are conducted. (2) The enhanced course of study adopted pursuant to paragraph (1) shall meet the standards adopted pursuant to Section 60605.8, as appropriate, and shall be tailored to meet the needs of the individual pupil to increase the pupil’s academic literacy and reading fluency.

(d) It is the intent of the Legislature that pupils in juvenile court schools have a rigorous curriculum that includes a course of study preparing them for high school graduation and career entry and fulfilling the requirements for admission to the University of California and the California State University.

Upon approval of the board of supervisors and the county board of education, the cost of such structures shall be a required charge against the funds of the county.

The cost of constructing or otherwise providing classrooms, offices, or other onsite school structures in group homes or other agencies housing children described in Sections 362, 727, and 730 of the Welfare and Institutions Code shall be the responsibility of the private agency. This construction shall not entitle private agencies to an increase in the foster care reimbursement rates available from the State Department of Social Services or any other state agency. It is the intent of the Legislature that nothing in this section shall be construed to preclude the county boards of education or the governing boards of school districts from entering into a contractual agreement providing compensation to group homes for the use of classrooms, offices, or other onsite school structures.

EDC 48646.  
(a) The Legislature encourages each county superintendent of schools or governing board of a school district, as determined by the county board of education pursuant to subdivision (b) of Section 48645.2, and the county chief probation officer to enter into a memorandum of understanding or equivalent mutual agreement to support a collaborative process for meeting the needs of wards of the court who are receiving their education in juvenile court schools. The memorandum of understanding or equivalent mutual agreement may include, but is not limited to, a process for communication, decision-making, mutually established goals, and conflict resolution. A working group charged with this responsibility may be appointed by the county superintendent of schools, or the superintendent of the school district with responsibility for providing juvenile court school services, and the county chief probation officer, or their
designees. The working group is responsible for establishing and maintaining open communication, collaboration, and resolution of issues that arise.

(4) A clearly identified mechanism for resolving conflicts.

(5) A joint process for performing an intake evaluation for each ward to determine educational needs and ability to participate in all educational settings once the ward enters the local juvenile facility. The process shall recognize the limitations on academic evaluation and planning that can result from short-term placements. The evaluation team shall include staff from the responsible educational agency and the county probation department, and may include other participants as appropriate, and as mutually agreed upon by the education and probation members of the team.    (B) Result in an educational plan for a ward while assigned to a local juvenile facility that is integrated with other rehabilitative and behavioral management programs, and that supports the educational needs of the pupil.

It is the intent that this shared information about each ward placed in a juvenile court school shall assist both the county superintendent of schools and the county chief probation officer in meeting the needs of wards in their care and promoting a system of comprehensive services.

(c) The memorandum of understanding or equivalent mutual agreement shall not cede responsibility or authority prescribed by statute or regulation from one party to another party unless mutually agreed upon by both parties.

committee may be a newly created committee or an existing local drug abuse committee as
designated by the board or city council. The committee shall be composed of, at a minimum, the
following:

(A) Local law enforcement executives.

(B) School district executives.

(C) Schoolsite staff, which includes administrators, teachers, or other credentialed personnel.

be utilized in lieu of development of new materials.

problems and facilitates their referral to a drug abuse treatment program.

joint effort between local law enforcement and local school districts in cooperation with county drug
program offices. These efforts shall include, but not be limited to, the concentration of apprehension
efforts in “problem” areas identified by local school authorities.

(c) Funds appropriated pursuant to this chapter may be used in part to support state-level development

PEN 13864.

There is hereby created in the Office of Emergency Services the Comprehensive Alcohol and Drug
Prevention Education component of the Suppression of Drug Abuse in Schools Program in public
elementary schools in grades 4 to 6, inclusive. Notwithstanding Section 13861 or any other provision in
this code, all Comprehensive Alcohol and Drug Prevention Education component funds made available to
the Office of Emergency Services in accordance with the Classroom Instructional Improvement and
Accountability Act shall be administered by and disbursed to county superintendents of schools in this
state by the Director of Emergency Services. All applications for that funding shall be reviewed and
evaluated by the Office of Emergency Services, in consultation with the State Department of Health Care
Services and the State Department of Education.

(a) The Director of Emergency Services is authorized to allocate and award funds to county department
superintendents of schools for allocation to individual school districts or to a consortium of two or more
school districts. Applications funded under this section shall comply with the criteria, policies, and
procedures established under subdivision (b) of this section.

(b) As a condition of eligibility for the funding described in this section, the school district or consortium
of school districts shall have entered into an agreement with a local law enforcement agency to jointly
implement a comprehensive alcohol and drug abuse prevention, intervention, and suppression program
developed by the Office of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education, containing all of the following components:

(1) A standardized age-appropriate curriculum designed for pupils in grades 4 to 6, inclusive, specifically tailored and sensitive to the socioeconomic and ethnic characteristics of the target pupil population. Although new curricula shall not be required to be developed, existing curricula may be modified and adapted to meet local needs. The elements of the standardized comprehensive alcohol and drug prevention education program curriculum shall be defined and approved by the Governor’s Policy Council on Drug and Alcohol Abuse, as established by Executive Order No. D-70-80.

(2) A planning process that includes assessment of the school district’s characteristics, resources, and the extent of problems related to juvenile drug abuse, and input from local law enforcement agencies.

(3) A school district governing board policy that provides for a coordinated intervention system that, at a minimum, includes procedures for identification, intervention, and referral of at-risk alcohol- and drug-involved youth, and identifies the roles and responsibilities of law enforcement, school personnel, parents, and pupils.

(4) Early intervention activities that include, but are not limited to, the identification of pupils who are high risk or have chronic drug abuse problems, assessment, and referral for appropriate services, including ongoing support services.

(5) Parent education programs to initiate and maintain parental involvement, with an emphasis for parents of at-risk pupils.

(6) Staff and in-service training programs, including both in-depth training for the core team involved in providing program services and general awareness training for all school faculty and administrative, credentialed, and noncredentialed school personnel.

(7) In-service training programs for local law enforcement officers.

(8) School, law enforcement, and community involvement to ensure coordination of program services. Pursuant to that coordination, the school district or districts and other local agencies are encouraged to use a single community advisory committee or task force for drug, alcohol, and tobacco abuse prevention programs, as an alternative to the creation of a separate group for that purpose under each state or federally funded program.

(c) The application of the county superintendent of schools shall be submitted to the Office of Emergency Services. Funds made available to the Office of Emergency Services for allocation under this section are intended to enhance, but shall not supplant, local funds that would, in the absence of the Comprehensive Alcohol and Drug Prevention Education component, be made available to prevent, intervene in, or suppress drug abuse among schoolage children. For districts that are already implementing a comprehensive drug abuse prevention program for pupils in grades 4 to 6, inclusive, the county superintendent shall propose the use of the funds for drug prevention activities in school grades other than 4 to 6, inclusive, compatible with the program components of this section. The expenditure of funds for that alternative purpose shall be approved by the Director of Emergency Services.

(1) Unless otherwise authorized by the Office of Emergency Services, each county superintendent of schools shall be the fiscal agent for any Comprehensive Alcohol and Drug Prevention Education component award, and shall be responsible for ensuring that each school district within that county receives the allocation prescribed by the Office of Emergency Services. Each county superintendent shall develop a countywide plan that complies with program guidelines and procedures established by the Office of Emergency Services pursuant to subdivision (d). A maximum of 5 percent of the county’s allocation may be used for administrative costs associated with the project.
(2) Each county superintendent of schools shall establish and chair a local coordinating committee to assist the superintendent in developing and implementing a countywide implementation plan. This committee shall include the county drug administrator, law enforcement executives, school district governing board members and administrators, school faculty, parents, and drug prevention and intervention program executives selected by the superintendent and approved by the county board of supervisors.

(d) The Director of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education, shall prepare and issue guidelines and procedures for the Comprehensive Alcohol and Drug Prevention Education component consistent with this section.

(e) The Comprehensive Alcohol and Drug Prevention Education component guidelines shall set forth the terms and conditions upon which the Office of Emergency Services is prepared to award grants of funds pursuant to this section. The guidelines shall not constitute rules, regulations, orders, or standards of general application.

(f) Funds awarded under the Comprehensive Alcohol and Drug Prevention Education Program shall not be subject to Section 10318 of the Public Contract Code.

(g) Funds available pursuant to Item 8100-111-001 and Provision 1 of Item 8100-001-001 of the Budget Act of 1989, or the successor provision of the appropriate Budget Act, shall be allocated to implement this section.

(h) The Director of Emergency Services shall collaborate, to the extent possible, with other state agencies that administer drug, alcohol, and tobacco abuse prevention education programs to streamline and simplify the process whereby local educational agencies apply for drug, alcohol, and tobacco education funding under this section and under other state and federal programs. The Office of Emergency Services, the State Department of Health Care Services, the State Department of Education, and other state agencies, to the extent possible, shall develop joint policies and collaborate planning in the administration of drug, alcohol, and tobacco abuse prevention education programs.

If the pupil transfers from that school, the record may be forwarded to the school receiving the pupil’s school records. A record of the written warning may be maintained by the law enforcement agency in accordance with that law enforcement agency’s policies and procedures.

EDC 48918.

The governing board of each school district shall establish rules and regulations governing procedures for the expulsion of pupils. These procedures shall include, but are not necessarily limited to, all of the following:

(2) The expulsion order and the causes for the expulsion shall be recorded in the pupil’s mandatory interim record and shall be forwarded to any school in which the pupil subsequently enrolls upon receipt of a request from the admitting school for the pupil’s school records.

EDC 49062.

School districts shall establish, maintain, and destroy pupil records according to regulations adopted by the State Board of Education. Pupil records shall include a pupil’s health record. Such regulations shall establish state policy as to what items of information shall be placed into pupil records and what information is appropriate to be compiled by individual school officers or employees under the exception to pupil records provided in subdivision (b) of Section 49061. No pupil records shall be destroyed except pursuant to such regulations or as provided in subdivisions (b) and (c) of Section 49070.

EDC 49063.

(c) The location of the log or record required to be maintained pursuant to Section 49064.

Sec. 1232g).

(k) The availability of the prospectus prepared pursuant to Section 49091.14.

EDC 49069.

EDC 49069.3.

(a) A foster family agency with jurisdiction over a currently enrolled or former pupil, a short-term residential treatment program staff responsible for the education or case management of a pupil, and a caregiver who has direct responsibility for the care of the pupil, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, as defined in Section 1517 of the Health and Safety Code and Section 16519.5 of the Welfare and Institutions Code, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by schools for pupils and parents, and any individualized education programs (IEP) that may have been developed pursuant to Chapter 4 (commencing with Section 56300) of Part 30 or any plan adopted pursuant to Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 794(a)) maintained by school districts, county offices of education, charter schools, nonpublic schools, as defined in Section 60010, or private schools of that pupil. A caregiver, pursuant to this section, may access the information specified in this section regardless of whether the caregiver has been appointed as the pupil's educational rights holder pursuant to Section 319, 361, or 726 of the Welfare and Institutions Code.

(b) A foster family agency, short-term residential treatment program, or caregiver may review and receive pupil records pursuant to subdivision (a) for purposes of monitoring the pupil's educational progress, updating and maintaining the pupil's education records as required by Section 16010 of the Welfare and Institutions Code, and ensuring the pupil has access to educational services, supports, and activities. These purposes include, but are not limited to, enrolling the pupil in school, assisting the pupil with homework, class assignments, and college and scholarship applications, and enrolling the pupil in extracurricular activities, tutoring, and other afterschool and summer enrichment programs.

(c) (1) If direct communication between a caregiver and an educational rights holder is appropriate, a caregiver who is not the pupil's educational rights holder shall notify the pupil's educational rights holder of any educational needs of the pupil that require the educational rights holder's consent or participation, including, but not limited to, school placement decisions, decisions on whether to invoke or waive school of origin rights, consent for special education assessments and individualized education programs, meetings or hearings regarding attendance or discipline, and decisions regarding graduation. In instances involving significant discipline or that potentially impact a pupil's continued enrollment and progress in
school, the caregiver shall also provide the same information to the pupil’s social worker as is provided to the educational rights holder.

(2) If direct communication between a caregiver and an educational rights holder is inappropriate, the pupil’s social worker shall direct the caregiver to communicate the information specified in paragraph (1) with the pupil’s social worker or attorney instead of the educational rights holder.

(3) Nothing in this subdivision affects the responsibilities of a placement agency with regard to the education of a pupil.

(4) This subdivision shall not be construed to alter or increase a social worker’s or attorney’s decisionmaking rights and responsibilities regarding a pupil.

d) Nothing in this section affects the duties of a local educational agency related to informing and involving educational rights holders in educational decisions affecting the child.

**EDC 49070.**

Following an inspection and review of a pupil’s records, the parent or guardian of a pupil or former pupil of a school district may challenge the content of any pupil record.

(a) The parent or guardian of a pupil may file a written request with the superintendent of the district to correct or remove any information recorded in the written records concerning his or her child which the parent or guardian alleges to be any of the following:

(1) Inaccurate.

(2) An unsubstantiated personal conclusion or inference.

(3) A conclusion or inference outside of the observer’s area of competence.

(4) Not based on the personal observation of a named person with the time and place of the observation noted.

(5) Misleading.

(b) Within 30 days of receipt of a request pursuant to subdivision (a), the superintendent or the superintendent’s designee shall meet with the parent or guardian and the certificated employee who recorded the information in question, if any, and if the employee is presently employed by the school district. The superintendent shall then sustain or deny the allegations.

If the superintendent sustains any or all of the allegations, he or she shall order the correction or the removal and destruction of the information. However, in accordance with Section 49066, the superintendent shall not order a pupil’s grade to be changed unless the teacher who determined the grade is, to the extent practicable, given an opportunity to state orally, in writing, or both, the reasons for which the grade was given and is, to the extent practicable, included in all discussions relating to the changing of the grade.

If the superintendent denies any or all of the allegations and refuses to order the correction or the removal of the information, the parent or guardian may, within 30 days of the refusal, appeal the decision in writing to the governing board of the school district.

(c) Within 30 days of receipt of an appeal pursuant to subdivision (b), the governing board shall, in closed session with the parent or guardian and the certificated employee who recorded the information in question, if any, and if the employee is presently employed by the school district, determine whether or not to sustain or deny the allegations.

If the governing board sustains any or all of the allegations, it shall order the superintendent to immediately correct or remove and destroy the information from the written records of the pupil, and so inform the parent or guardian in writing. However, in accordance with Section 49066, the governing board
shall not order a pupil’s grade to be changed unless the teacher who determined the grade is, to the extent practicable, given an opportunity to state orally, in writing, or both, the reasons for which the grade was given and is, to the extent practicable, included in all discussions relating to the changing of the grade.

The decision of the governing board shall be final.

Records of these administrative proceedings shall be maintained in a confidential manner and shall be destroyed one year after the decision of the governing board, unless the parent or guardian initiates legal proceedings relative to the disputed information within the prescribed period.

(d) If the final decision of the governing board is unfavorable to the parent or guardian, or if the parent or guardian accepts an unfavorable decision by the district superintendent, the parent or guardian shall be informed and shall have the right to submit a written statement of his or her objections to the information. This statement shall become a part of the pupil’s school record until the information objected to is corrected or removed.

EDC 49071.
(a) To assist in making determinations pursuant to Section 49070, a district superintendent or governing board may convene a hearing panel composed of the following persons, provided that the parent has given written consent to release information from the relevant pupil’s records to the members of the panel so convened:

(1) The principal of a public school other than the public school at which the record is on file.
(2) A certificated employee appointed by the chairman of the certificated employee council of the district, or, if no such council exists, a certificated employee appointed by the parent.
(3) A parent appointed by the superintendent or by the governing board of the district, depending upon who convenes the panel.

(b) The persons appointed pursuant to paragraphs (2) and (3) of subdivision (a) shall, if possible, not be acquainted with the pupil, his parent or guardian, or the certificated employee who recorded the information, except when the parent or guardian appoints the person pursuant to paragraph (2).

(c) The principal appointed to the hearing panel shall serve as its chairman.

(d) The hearing panel shall, in closed session, hear the objections to the information of the parent and the testimony of the certificated employee who recorded the information in question, if any, and if such employee is presently employed by the school district.

The hearing panel shall be provided with verbatim copies of the information which is the subject of the controversy.

Written findings shall be made setting forth the facts and decisions of the panel, and such findings shall be forwarded to the superintendent or the governing board, depending upon who convened the panel.

The proceedings of the hearing shall not be disclosed or discussed by panel members except in their official capacities.

EDC 49072.
Whenever there is included in any pupil record information concerning any disciplinary action taken by school district personnel in connection with the pupil, the school district maintaining such record or records shall allow the pupil’s parent to include in such pupil record a written statement or response concerning the disciplinary action.
EDC 49073.
(a) School districts shall adopt a policy identifying those categories of directory information as defined in subdivision (c) of Section 49061 that may be released. The school district shall determine which individuals, officials, or organizations may receive directory information. However, no information may be released to a private profitmaking entity other than employers, prospective employers, and representatives of the news media, including, but not limited to, newspapers, magazines, and radio and television stations. The names and addresses of pupils enrolled in grade 12 or who have terminated enrollment before graduation may be provided to a private school or college operating under Chapter 8 (commencing with Section 94800) of Part 59 of Division 10 of Title 3 or its authorized representative. However, no such private school or college shall use that information for other than purposes directly related to the academic or professional goals of the institution, and a violation of this provision is a misdemeanor, punishable by a fine of not to exceed two thousand five hundred dollars ($2,500). In addition, the privilege of the private school or college to receive the information shall be suspended for a period of two years from the time of discovery of the misuse of the information. Any school district may limit or deny the release of specific categories of directory information to any public or private nonprofit organization based upon a determination of the best interests of pupils.
(b) Directory information may be released according to local policy as to any pupil or former pupil. However, notice shall be given at least on an annual basis of the categories of information that the school district plans to release and of the recipients. Directory information shall not be released regarding a pupil if a parent of that pupil has notified the school district that the information shall not be released.
(c) Directory information shall not be released regarding a pupil identified as a homeless child or youth, as defined in paragraph (2) of Section 725 of the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 11434a(2)), unless a parent, or pupil accorded parental rights, as identified in the federal Family Educational Rights and Privacy Act (20 U.S.C. Sec. 1232g), has provided written consent that directory information may be released.

(7)

(A) A certification that a pupil’s records shall not be retained or available to the third party upon completion of the terms of the contract and a description of how that certification will be enforced.

The school district or county office of education superintendent responsible for reporting school crime and hate motivated incident data shall make available, for not less than three years from the date the report was submitted, supporting data which verifies information contained on the California Safe Schools Assessment School Crime and Incident Reporting Form (July 1, 2001). (a) The Legislature hereby recognizes that all pupils enrolled in the state public schools have the inalienable right to attend classes on school campuses that are safe, secure, and peaceful. **EDC 42920.**

The Legislature finds and declares all of the following:

(a) The Foster Youth Services (FYS) program has been a successful program that supports the educational achievement of pupils in foster care. This success has contributed to landmark California education finance reform that prioritizes the educational needs of pupils in foster care.

(b) The county office of education FYS program is uniquely situated to support interagency collaboration and capacity building, both at the system and individual pupil level, focused on improving educational outcomes for pupils in foster care. This is a key component to the successful implementation of the local control funding formula (LCFF). The FYS program should support and facilitate such collaboration and capacity building while preserving the ability to provide direct services such as tutoring, mentoring, counseling, transition, school-based social work, and emancipation assistance when there are identified gaps in service at the local level and the local Executive Advisory Council establishes that these services are needed and aligned with local control and accountability plan priorities.

(c) Pupils in foster care will benefit from increased levels of supports and services as a result of the FYS program supporting implementation of the LCFF for pupils in foster care.

(d) Pupils in foster care represent one of the most vulnerable and academically at-risk pupil groups enrolled in California schools. The academic status of pupils in foster care is often profoundly impacted by the foster care system in which many pupils in foster care experience multiple placements with an average frequency of one placement change every six months. Due to this movement, pupils in foster care lose an average of four to six months of educational attainment with each move. Therefore, it is essential to recognize, identify, and plan for the critical and unique educational needs of pupils in foster care.

(e) A high percentage of pupils in foster care are working substantially below grade level, and over one-half of the pupils in foster care are retained at least one year in the same grade level. Pupils in foster care earn lower grades and achieve lower scores on standardized achievements tests in reading and mathematics, have lower levels of engagement in school, and are half as likely as pupils not in foster care to be involved in extracurricular activities. The long-term consequences of poor academic experiences are significant. Pupils in foster care are twice as likely as pupils not in foster care to drop out of school before graduation and only 45 percent of pupils in foster care have graduated from high school at the time of emancipation. Foster youth are similarly underrepresented in college enrollment rates and dramatically underperform their peers in relation to college completion. Pupils in foster care are also subject to disproportionate levels of disciplinary measures, including suspension and expulsion. It is imperative that California close the foster youth achievement gap so that pupils in foster care can realize their full potential, reach their college and career goals, and become independent, productive members of society.

(f) Foster youth are an especially vulnerable pupil population, as they are often also members of other underserved pupil groups. In 2013, the demographic data of pupils in foster care in California were as follows:
(1) The largest ethnic group amongst pupils in foster care was Hispanic, with nearly half of the population.

(2) African American and Native American pupils continue to be disproportionately represented in the child welfare system, as researchers found that 26 percent of pupils in foster care were African American despite African Americans only accounting for 7 percent of the pupil population in California, and 2 percent of pupils in foster care were Native American despite Native Americans only accounting for 1 percent of the pupil population in California.

(3) Nearly one in five pupils in foster care had special education needs, which is over twice the rate of the statewide pupil population.

(4) More than 1 in 10 pupils in foster care were English learners.

(5) A significant number of youth in foster care identify as lesbian, gay, bisexual, transgender, queer, questioning, or gender nonconforming.

(g) Compounded by the research that indicates that there is a need for California to close the achievement gap between specific ethnic pupil populations and White pupils, addressing the foster youth achievement gap will further efforts that support education equity for all pupils.

(h) Given their current academic status, pupils in foster care are more likely to achieve their full potential when they are provided services and programs designed to meet their particular needs, including, but not limited to, supplemental instruction, counseling, tutoring, support services offered to lesbian, gay, bisexual, transgender, queer, questioning, and gender nonconforming youth, and other assistance relevant to their experience.

(i) Policies and laws addressing the educational rights of pupils in foster care must be implemented so that pupils in foster care are immediately enrolled in school, provided access to meaningful opportunities to meet state pupil academic achievement standards to which all pupils are held, provided access to a rigorous curriculum, adequately prepared to enter postsecondary education, and afforded the academic resources, services, and extracurricular and enrichment activities made available to other pupils enrolled in California’s public schools, including, but not limited to, interscholastic sports administered by the California Interscholastic Federation. In fulfilling their responsibilities to these pupils, educators, county placing agencies, caregivers, advocates, and the juvenile courts will work together to ensure that each pupil is placed in the least restrictive educational environment.

(j) Foster youth services programs provide pupils in foster care needed educational support and are a state priority.

EDC 42920.5.

(a) Commencing with the 2015-16 fiscal year, and each fiscal year thereafter, the Foster Youth Services Coordinating Program, administered by the Superintendent, is hereby established to provide supplemental funding to county offices of education, or a consortium of county offices of education, to coordinate and ensure that local educational agencies within its jurisdiction are providing services to foster youth pupils pursuant to the plan established in Section 42921, with the purpose of ensuring positive educational outcomes.

(b) A foster youth services coordinating program shall meet minimum standards established by the Superintendent to ensure the provisions of Section 42921 are implemented, and shall be required to meet those minimum standards annually as a condition of continued funding.

(c) As a condition of receiving funds, a county office of education, or a consortium of county offices of education, shall work with the local educational agencies within the county or consortium of counties, and shall coordinate services to ensure that, for the 2015-16 and 2016-17 fiscal years, the level of direct services provided to support foster youth pupils is not less than what was provided in the 2014-15 fiscal
year through the foster youth services program established pursuant to Section 42921, as it read on June 30, 2015. In meeting this requirement, services for foster youth pupils may be provided through one or any combination of state funding, including, but not limited to, the local control funding formula, or federal, local, or other funding.

(d) For the 2015-16 fiscal year, the allocation amount for which any county office of education or consortium of county offices of education is eligible shall not be less than the amount allocated to that county or consortium in the 2014-15 fiscal year, including the allocation amounts of school districts identified in Section 42920, as it read on June 30, 2015. This subdivision applies only if a county office of education or consortium of county offices of education elects to apply for grant funding pursuant to Section 42921.

(e) On or before October 31, 2015, the Superintendent shall develop an allocation formula to determine the allocation amounts for which each county office of education or consortium of county offices of education is eligible. The Superintendent, within 30 days of the developing the allocation formula, shall submit the allocation formula to the appropriate policy and fiscal committees of the Legislature and the Department of Finance for review, and the Department of Finance shall approve the allocation formula within 30 days of submission by the Superintendent. The allocation formula may be revised annually upon submission to the appropriate policy and fiscal committees of the Legislature and approval by the Department of Finance within 30 days of submission by the Superintendent. The Superintendent may include additional criteria in the allocation formula, but shall apply, at a minimum, the following criteria:

(1) The number of pupils in foster care in the county.

(2) The number of school districts in the county.

(f) Notwithstanding subdivision (e), commencing with the 2016-17 fiscal year, the Superintendent shall provide a base grant of seventy-five thousand dollars ($75,000) to each participating county office of education or consortium of county offices of education that served at least one foster youth pupil in the prior fiscal year.

(g) After providing base grants pursuant to subdivision (f), the Superintendent shall allocate the remaining funding to participating county offices of education or consortium of county offices of education based on the following criteria:

(1) Seventy percent of the allocation shall be based on the number of pupils in foster care in the county.

(2) Thirty percent of the allocation shall be based on the number of school districts in the county.

(h) The allocation pursuant to subdivision (g) shall be applied after consideration of subdivision (b) of Section 42926.

(i) For purposes of this chapter, “local educational agency” means a county office of education, school district, or charter school.

EDC 42921.

(a) A county office of education, or consortium of county offices of education, may elect to apply to the Superintendent for grant funding, to the extent funds are available, to operate an education-based foster youth services coordinating program to provide educational support for pupils in foster care.

(b) Each foster youth services coordinating program operated pursuant to this chapter, if sufficient funds are available, shall have at least one person identified as the foster youth educational services coordinator. The foster youth educational services coordinator shall facilitate the provision of educational support pursuant to subdivision subdivisions (d) and (e) to any pupil in foster care residing or attending school in the county or consortium of counties.

(c) For purposes of this chapter, a pupil in foster care means a foster youth, as defined in paragraph (b) of Section 42238.01, or a foster child who is detained in a county-operated juvenile detention facility.
(d) It is the intent of the Legislature that pupils in foster care with the greatest need for services be identified as the first priority for foster youth services coordinating programs. Priority shall be given to pupils who are living in out-of-home placements.

(e) As a condition of receiving funds pursuant to this chapter, each foster youth services coordinating program operated by a county office of education or a consortium of county offices of education pursuant to this chapter shall develop and implement a foster youth services coordinating plan for purposes of establishing guiding principles and protocols to provide supports for foster care pupils aligned with the population priorities established in subdivision (f). The plan shall include, to the extent possible, but not be limited to, the following:

(1)

(A) A description of how the program will establish ongoing collaboration with local educational agencies, county child welfare agencies, and county probation departments, to determine the proper educational placement of the foster youth. This includes, but is not limited to, the following:

(i) Building the capacity of county agencies, school districts, and community organizations to better support the educational success of pupils in foster care.

(ii) Facilitating collaboration between county agencies, school districts, and community organizations to ensure coordinated and nonduplicative service delivery and to ensure pupils in foster care receive the educational supports and services they need to succeed in school. This may include, but is not limited to, education emancipation services such as support with transitions to postsecondary education or career technical education programs.

(iii) Providing services and educational case management in support of individual pupils in foster care, as necessary. This may include, but is not limited to, transition and school social work to support transition between schools or school districts.

(B) The primary goal of the collaboration required pursuant to this section shall be to minimize changes in school placement by supporting the implementation of Section 48850, subdivision (c) of Section 48853, and all related statutes that pertain to pupils in foster care. As necessary, and in accordance with Section 48853.5, the foster youth services coordinating program may pay for the cost of transportation to support this paragraph.

(i) If it is in the best interests of a pupil in foster care to transfer schools, the foster youth services coordinating program shall support local educational agencies in the implementation of Section 48853.5 and all related statutes pertaining to pupils in foster care, such as ensuring transfers are done at an educationally appropriate time, educational records are quickly transferred, appropriate partial credits are awarded, and the pupil in foster care is quickly enrolled in appropriate classes.

(ii) In determining the appropriate educational placement of foster youth pupils, local educational agencies, county welfare agencies, and county probation departments shall consult with an educational rights holder, caregiver, social worker, teacher, counselor, court-appointed special advocate, other stakeholders, and the pupil, as appropriate. The purpose of the consultation shall be to ensure all educational programmatic options are considered, including, but not limited to, English learner, special education, advanced placement, and career technical education.

(2)

(A) If a school district annually certifies in writing to the foster youth services coordinating program that it is unable, using any other state, federal, local, or private funds, to provide tutoring, mentoring, and counseling, and if those services are established as needed and identified by the appropriate school district, in collaboration with the county child welfare agency or county probation department, the school district may enter into a temporary agreement with the foster youth services coordinating program to provide those services.
(B) It is the intent of the Legislature that local educational agencies include information provided in subparagraph (C) in their local control and accountability plans when describing their services for foster youth pupils as required pursuant to paragraph (10) of subdivision (d) of Section 52066.

(C) It is the intent of the Legislature that county offices of education, in the development and adoption of their local control and accountability plans, include information specific to the transition requirement established pursuant to subdivision (b) of Section 42920.5 when describing the coordination of services for foster youth pupils required pursuant to paragraph (10) of subdivision (d) of Section 52066.

(3) (A) Policies and procedures to ensure educational placement for a foster youth pupil is not delayed, including, but not limited to, facilitating the establishment of an individualized education program in accordance with the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.), if applicable, the transfer of records, transcripts, and other relevant educational information.

(B) The plan shall also describe how the program will facilitate coordination with local postsecondary educational institutions, including, but not limited to, the California Community Colleges, the California State University, and the University of California, to ensure foster youth pupils meet admission requirements and access programs that support their matriculation needs.

(4) Policies and procedures for local educational agencies, county welfare agencies, and county probation departments to share all relevant educational information for foster youth to ensure the court has updated and accurate information as it makes decisions regarding foster youths.

(f) When developing the plan required pursuant to this section, the county office of education, or the consortium of county offices of education, shall consider the needs of specific age groups, pupils in foster care in specific geographic areas with the highest concentration of pupils in foster care, and pupils in foster care with the greatest academic need. A foster youth services coordinating program is encouraged to first provide services for pupils in foster care who reside in group homes, institutional settings, or other placements with pupils with high academic needs, as determined by the local Executive Advisory Council.

(g)

(1) Each foster youth services coordinating program operated pursuant to this chapter shall establish a local interagency Executive Advisory Council.

(2) The Executive Advisory Council may include representatives from the county child welfare agency, the county probation department, local educational agencies, local postsecondary educational institutions, and community organizations. If possible, the Executive Advisory Council may include, but is not limited to, foster youth, caregivers, educational rights holders, dependency attorneys, court representatives, court-appointed special advocates, and other interested stakeholders.

(3) The foster youth educational services coordinator shall be a permanent member of the Executive Advisory Council.

(4) The Executive Advisory Council shall regularly review the recommendations to the foster youth services plan required pursuant to subdivision (e).

EDC 32261.
(a) The Legislature hereby recognizes that all pupils enrolled in the state public schools have the inalienable right to attend classes on school campuses that are safe, secure, and peaceful. The Legislature also recognizes that pupils cannot fully benefit from an educational program unless they attend school on a regular basis. In addition, the Legislature further recognizes that school crime, vandalism, truancy, and excessive absenteeism are significant problems on far too many school campuses in the state.

(b) The Legislature hereby finds and declares that the establishment of an interagency coordination system is the most efficient and long-lasting means of resolving school and community problems of truancy and crime, including vandalism, drug and alcohol abuse, gang membership, gang violence, and hate crimes.

(c) It is the intent of the Legislature in enacting this chapter to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses, and that address the safety concerns of local law enforcement agencies, community leaders, parents, pupils, teachers, administrators, school police, and other school employees interested in the prevention of school crime and violence.

EDC 48323.
Each of the departments or agencies authorized to participate in school attendance review boards may assign personnel to represent the department or agency on a continuing basis in accordance with the intent of this article. The duties, obligations, or responsibilities which may be imposed on local governmental entities by this act are such that the related costs are incurred as a part of their normal operating procedures. The minor costs of such services may be borne by each agency or department and each or all of the participants may apply for and utilize state or federal funds as may be available.

EDC 48324.
The county school attendance review board may adopt such rules and regulations not inconsistent with law, as are necessary for its own government and to enable it to carry out the provisions of this article. The rules and regulations may be binding upon the local school attendance review boards which are established pursuant to subdivision (d) of Section 48321.

EDC 48325.
(a) The Legislature finds and declares that statewide policy coordination and personnel training with respect to county attendance review boards will greatly facilitate the achievement of the goals expressed in Section 48320. It is therefore the intent of the Legislature in enacting this section to do the following:

1. Encourage the cooperation, coordination, and development of strategies to support county school attendance review boards in carrying out their responsibilities to establish local school attendance review boards as necessary. These strategies may include, but need not be limited to, plans for the training of school attendance review board personnel.

2. Divert pupils with serious attendance and behavioral problems from the juvenile justice system to agencies more directly related to the state public school system by developing a system for gathering and dispensing information on successful community-based and school-based programs.

3. Reduce duplication of the services of state and county agencies in serving high-risk youth, including youth with school attendance or behavioral problems.

4. Reduce the number of dropouts in the state public education system by promoting interagency cooperation among those agencies which have as their goals preventing students from dropping out, and increasing the holding power of the public schools.

(b) The Superintendent of Public Instruction shall coordinate and administer a state school attendance review board, as follows:

1. On or before January 31 of each year, the superintendent shall extend invitations of participation to representatives of appropriate groups throughout the state, including, but not limited to, representatives of school districts, parent groups, county probation departments, county welfare departments, county superintendents of schools, law enforcement agencies, community-based youth service centers, school guidance personnel, child welfare and attendance personnel, the health care profession and state associations having an interest in youth with school attendance or behavioral problems. The superintendent shall also request the participation of representatives from interested state agencies or departments, including, but not limited to, the Department of the California Youth Authority, the Department of Justice, the State Department of Social Services, and the Office of Criminal Justice Planning. To the extent feasible, members of the board shall include persons who are currently members of county or local school attendance review boards. For every year after the first year that the board is convened, the purpose of the invitations of participation shall be to inform appropriate groups, state agencies, and departments of the purposes of the board, to fill vacancies, and to supplement the membership of the board as necessary.
(2) The superintendent shall prescribe an appropriate deadline for acceptance of invitations of participation as a member of the state school attendance review board for that particular year, and the invitations accepted on or before the deadline shall constitute the board for that year, except that the board shall also include a representative of the State Department of Education designated by the director of that department. The representative of the State Department of Education shall be the chairperson of the board.

(3) The superintendent shall convene the board at least four times during the year. At its first meeting, the board shall elect any officers, other than its chairperson, as it deems necessary. Members of the board shall serve without compensation and without reimbursement of travel and living expenses.

(4) The State Department of Education shall provide assistance as requested by the Superintendent of Public Instruction in order to implement the provisions of this section.

(c) The state school attendance review board shall make recommendations annually to the Superintendent of Public Instruction, and to state agencies as deemed appropriate, regarding the needs and services provided to high-risk youth, including youth with school attendance or behavioral problems, in the state public schools, and shall propose uniform guidelines or other means to attain the goals stated in subdivision (a).

EDC 48900.6.

As part of or instead of disciplinary action prescribed by this article, the principal of a school, the principal’s designee, the superintendent of schools, or the governing board may require a pupil to perform community service on school grounds or, with written permission of the parent or guardian of the pupil, off school grounds, during the pupil’s nonschool hours. For the purposes of this section, “community service” may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. This section does not apply if a pupil has been suspended, pending expulsion, pursuant to Section 48915. However, this section applies if the recommended expulsion is not implemented or is, itself, suspended by stipulation or other administrative action.

EDC 51269.

(a) The State Department of Education shall collaborate, to the extent possible, with other state agencies that administer drug, alcohol, and tobacco abuse prevention education programs to streamline and simplify the process whereby local educational agencies apply for state and federal drug, alcohol, and tobacco education funds.

(b) The State Department of Education, in consultation with the Department of Justice, Office of Emergency Services, the State Department of Public Health, and the State Department of Health Care Services, shall develop, to the extent possible, an ongoing statewide monitoring and assessment system to provide current and reliable data on the utilization of resources for programs for prevention of and early intervention for drug, alcohol, and tobacco abuse. The purpose of the system shall be to facilitate improved planning and program delivery among state and local agencies, including law enforcement, juvenile justice, county health, and county drug and alcohol agencies and programs, and communities.

PEN 13860.
The Legislature finds and declares that a substantial drug abuse and drug trafficking problem exists among school-age children on and around school campuses in the State of California. By enacting this chapter, it is the intention of the Legislature to support increased efforts by local law enforcement agencies, working in conjunction with school districts and county drug offices to suppress trafficking and prevent drug abuse among school age children on and around school campuses through the development of innovative and model programs by local law enforcement agencies and schools and drug abuse agencies. It is the further intention of the Legislature to establish a program of financial and technical assistance for local law enforcement and school districts.

PEN 13861.
There is hereby created in the Office of Emergency Services the Suppression of Drug Abuse in Schools Program. (c) The coapplicant local law enforcement agency and the coapplicant school district may enter into interagency agreements between themselves which will allow the management and fiscal tasks created
pursuant to this chapter and assigned to both the law enforcement agency and the school district to be performed by only one of them.

PEN 13864.

There is hereby created in the Office of Emergency Services the Comprehensive Alcohol and Drug Prevention Education component of the Suppression of Drug Abuse in Schools Program in public elementary schools in grades 4 to 6, inclusive. Notwithstanding Section 13861 or any other provision in this code, all Comprehensive Alcohol and Drug Prevention Education component funds made available to the Office of Emergency Services in accordance with the Classroom Instructional Improvement and Accountability Act shall be administered by and disbursed to county superintendents of schools in this state by the Director of Emergency Services. All applications for that funding shall be reviewed and evaluated by the Office of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education.

(a) The Director of Emergency Services is authorized to allocate and award funds to county department superintendents of schools for allocation to individual school districts or to a consortium of two or more school districts. Applications funded under this section shall comply with the criteria, policies, and procedures established under subdivision (b) of this section.

(b) As a condition of eligibility for the funding described in this section, the school district or consortium of school districts shall have entered into an agreement with a local law enforcement agency to jointly implement a comprehensive alcohol and drug abuse prevention, intervention, and suppression program developed by the Office of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education, containing all of the following components:

(1) A standardized age-appropriate curriculum designed for pupils in grades 4 to 6, inclusive, specifically tailored and sensitive to the socioeconomic and ethnic characteristics of the target pupil population. Although new curricula shall not be required to be developed, existing curricula may be modified and adapted to meet local needs. The elements of the standardized comprehensive alcohol and drug prevention education program curriculum shall be defined and approved by the Governor’s Policy Council on Drug and Alcohol Abuse, as established by Executive Order No. D-70-80.

(2) A planning process that includes assessment of the school district’s characteristics, resources, and the extent of problems related to juvenile drug abuse, and input from local law enforcement agencies.

(3) A school district governing board policy that provides for a coordinated intervention system that, at a minimum, includes procedures for identification, intervention, and referral of at-risk alcohol- and drug-involved youth, and identifies the roles and responsibilities of law enforcement, school personnel, parents, and pupils.

(4) Early intervention activities that include, but are not limited to, the identification of pupils who are high risk or have chronic drug abuse problems, assessment, and referral for appropriate services, including ongoing support services.

(5) Parent education programs to initiate and maintain parental involvement, with an emphasis for parents of at-risk pupils.
(6) Staff and in-service training programs, including both in-depth training for the core team involved in providing program services and general awareness training for all school faculty and administrative, credentialed, and noncredentialed school personnel.

(7) In-service training programs for local law enforcement officers.

(8) School, law enforcement, and community involvement to ensure coordination of program services. Pursuant to that coordination, the school district or districts and other local agencies are encouraged to use a single community advisory committee or task force for drug, alcohol, and tobacco abuse prevention programs, as an alternative to the creation of a separate group for that purpose under each state or federally funded program.

(c) The application of the county superintendent of schools shall be submitted to the Office of Emergency Services. Funds made available to the Office of Emergency Services for allocation under this section are intended to enhance, but shall not supplant, local funds that would, in the absence of the Comprehensive Alcohol and Drug Prevention Education component, be made available to prevent, intervene in, or suppress drug abuse among school-age children. For districts that are already implementing a comprehensive drug abuse prevention program for pupils in grades 4 to 6, inclusive, the county superintendent shall propose the use of the funds for drug prevention activities in school grades other than 4 to 6, inclusive, compatible with the program components of this section. The expenditure of funds for that alternative purpose shall be approved by the Director of Emergency Services.

(1) Unless otherwise authorized by the Office of Emergency Services, each county superintendent of schools shall be the fiscal agent for any Comprehensive Alcohol and Drug Prevention Education component award, and shall be responsible for ensuring that each school district within that county receives the allocation prescribed by the Office of Emergency Services. Each county superintendent shall develop a countywide plan that complies with program guidelines and procedures established by the Office of Emergency Services pursuant to subdivision (d). A maximum of 5 percent of the county’s allocation may be used for administrative costs associated with the project.

(2) Each county superintendent of schools shall establish and chair a local coordinating committee to assist the superintendent in developing and implementing a countywide implementation plan. This committee shall include the county drug administrator, law enforcement executives, school district governing board members and administrators, school faculty, parents, and drug prevention and intervention program executives selected by the superintendent and approved by the county board of supervisors.

(d) The Director of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education, shall prepare and issue guidelines and procedures for the Comprehensive Alcohol and Drug Prevention Education component consistent with this section.

(e) The Comprehensive Alcohol and Drug Prevention Education component guidelines shall set forth the terms and conditions upon which the Office of Emergency Services is prepared to award grants of funds pursuant to this section. The guidelines shall not constitute rules, regulations, orders, or standards of general application.

(f) Funds awarded under the Comprehensive Alcohol and Drug Prevention Education Program shall not be subject to Section 10318 of the Public Contract Code.
