## ***Introduction***

This compilation presents school discipline-related laws and regulations for U.S. states, U.S. territories, and the District of Columbia, and, where available, links to education agency websites or resources related to school discipline and student conduct. The discipline laws and regulations presented in this compilation have been categorized by type of specific discipline issue covered, according to an organizational framework developed by the National Center for Safe and Supportive Learning Environments (NCSSE). For example, one major category encompasses all laws or regulations governing states or territories that mandate specific disciplinary sanctions (such as suspension) for specific offenses (such as drug possession on school grounds). The school discipline laws and regulations were compiled through exhaustive searches of legislative websites that identified all laws and regulations relevant to each specific category. Compiled materials were subsequently reviewed by state education agency (SEA) representatives in the 50 states, Washington D.C., and the U.S. territories.

Discipline categories were not mutually exclusive. Laws and regulations often appeared across multiple categories. For jurisdictions with more extensive laws covering a breadth of topical areas, relevant sections were excerpted from the larger legislative text for inclusion in the appropriate discipline category. Laws, ordered by chapter and section number, appear first within each category followed by regulations. All laws and regulations listed within categories in the compilation also appear in the sources cited section of the document, which lists laws by chapter and section number and title, and where available, includes active hyperlinks to source websites supported or maintained by state legislatures. Additional links to government websites or resources are provided at the end of this document.

While a gifted child is suspended or expelled from school, an agency shall not be required to provide special education or related services to the child.

## **Administrative procedures related to suspension and expulsion**

### **LAWS**

#### **72-8902. Duration of suspension or expulsion; notice; hearings, opportunity afforded, waiver, time, who may conduct.**

(a) A suspension may be for a short term not exceeding 10 school days, or for an extended term not exceeding 90 school days. An expulsion may be for a term not exceeding 186 school days. If a suspension or expulsion is for a term exceeding the number of school days remaining in the school year, any remaining part of the term of the suspension or expulsion may be applied to the succeeding school year.

(b) (1) Except as authorized in provision (2), no suspension for a short term shall be imposed upon a pupil without giving the pupil notice of the charges and affording the pupil an opportunity for a hearing thereon.

The notice may be oral or written and the hearing may be held immediately after the notice is given. The hearing may be conducted informally but shall include the following procedural due process requirements: (A) The right of the pupil to be present at the hearing; (B) the right of the pupil to be informed of the charges; (C) the right of the pupil to be informed of the basis for the accusation; and (D) the right of the pupil to make statements in defense or mitigation of the charges or accusations. Refusal of a pupil to be present at the hearing will constitute a waiver of the pupil's opportunity for a hearing.

(2) A short-term suspension may be imposed upon a pupil forthwith, and without affording the pupil a hearing if the presence of the pupil endangers other persons or property or substantially disrupts, impedes or interferes with the operation of the school.

(c) A written notice of any short-term suspension and the reason therefor shall be given to the pupil involved and to the pupil's parent or guardian within 24 hours after the suspension has been imposed and, in the event the pupil has not been afforded a hearing prior to any short-term suspension, an opportunity for an informal hearing shall be afforded the pupil as soon thereafter as practicable but in no event later than 72 hours after such short-term suspension has been imposed. Any notice of the imposition of a short-term suspension that provides an opportunity for an informal hearing after such suspension has been imposed shall state that failure of the pupil to attend the hearing will result in a waiver of the pupil's opportunity for the hearing.

(d) No suspension for an extended term and no expulsion shall be imposed upon a pupil until an opportunity for a formal hearing thereon is afforded the pupil. A written notice of any proposal to suspend for an extended term or to expel from school, and the charges upon which the proposal is based shall be given to the pupil proposed to be suspended or expelled from school, and to the pupil's parent or guardian. Any notice of a proposal to suspend for an extended term or to expel from school shall state the time, date and place that the pupil will be afforded an opportunity for a formal hearing, and that failure of the pupil and the pupil's parent or guardian to attend the hearing will result in a waiver of the pupil's opportunity for the hearing. The hearing shall be held not later than 10 days after the date of the notice. The notice shall be accompanied by a copy of this act and the regulations of the board of education adopted under K.S.A. 72-8903, and amendments thereto.

(e) Whenever any written notice is required under this act to be given to a pupil or to a pupil's parent or guardian, it shall be sufficient if the notice is mailed to the address on file in the school records of the pupil. In lieu of mailing the written notice, the notice may be personally delivered.

(f) A formal hearing on a suspension or expulsion may be conducted by any person or committee of persons authorized by the board of education to conduct the hearing.

**72-8903. Procedural due process requirements; record of appeal, costs; report of findings and result of hearing; information regarding behavior improvement programs.**

(a) The formal hearing provided for in K.S.A. 72-8902, and amendments thereto, shall be conducted in accordance with regulations relating thereto adopted by the board of education. Such regulations shall afford procedural due process including, but not limited to, the following

(1) The right of the pupil to have counsel of the pupil's own choice present and to receive the advice of such counsel or other person whom the pupil may select;

(2) the right of the parents or guardians of the pupil to be present at the hearing;

(3) the right of the pupil and the pupil's counsel or advisor to hear or read a full report of testimony of witnesses against the pupil;

(4) the right of the pupil and the pupil's counsel to confront and cross-examine witnesses who appear in person at the hearing, either voluntarily or as a result of the issuance of a subpoena;

(5) the right of the pupil to present the pupil's own witnesses in person or their testimony by affidavit;

- (6) the right of the pupil to testify in the pupil's own behalf and give reasons for the pupil's conduct;
- (7) the right of the pupil to have an orderly hearing; and
- (8) the right of the pupil to a fair and impartial decision based on substantial evidence.

(b) In all extended-term suspension and expulsion from school cases, there shall be made a record of the hearing of an appeal of the suspension or expulsion, whichever is applicable, by mechanical or electronic recording or by an official court reporter, and the costs thereof shall be paid by the school district.

(c) At the conclusion of a formal hearing which results in a suspension for an extended term or an expulsion, the person or committee conducting the hearing shall make a written report of the findings and results of the hearing. The report shall be directed to the board of education of the school district and shall be open to the inspection of the pupil who is suspended or expelled and, if the pupil is a juvenile, to the parents or guardians and counsel or other advisor of the pupil. If the pupil is an adult, the report shall be open to the inspection of the parents or guardians and counsel or other advisor of the pupil only upon written consent of the pupil. Whenever a formal hearing results in suspension for an extended term or expulsion, the person or committee conducting the hearing may make a finding that return to school by the pupil, pending appeal or during the period allowed for notice of appeal, is not reasonably anticipated to endanger the safety of others, to cause continuing repeated material disorder, disruption or interference with the operation of school, or to substantially or materially impinge upon or invade the rights of others, in which case the pupil may return to school until the period for filing a notice of appeal has expired with no notice filed, or until the determination of any appeal if a notice of appeal is filed. Whenever the person or committee conducting a hearing fails to make the findings specified above, the report of the hearing shall provide that the suspension or expulsion of the pupil shall continue until appeal therefrom is determined or until the period of suspension or expulsion has expired, whichever occurs sooner. Any such pupil shall be provided with information concerning services or programs offered by public and private agencies that work toward improving those aspects of the pupil's attitudes and behavior that contributed to the conduct upon which the suspension or expulsion was based. If the pupil is a juvenile, the information shall also be provided to the parents or guardians of the pupil.

**72-8905. Nonapplication of compulsory attendance law.**

The provisions of K.S.A. 72-1111, and amendments thereto, shall not apply to any pupil while subject to suspension or expulsion from school pursuant to the provisions of this act.

**72-8906. Powers and duties of persons conducting hearings.**

(a) Any person, hearing officer or any member of a committee or the board of education conducting a hearing under this act may:

- (1) Administer oaths for the purpose of taking testimony;
- (2) call and examine witnesses and receive documentary and other evidence; and
- (3) take any other action necessary to make the hearing accord with procedural due process.

(b) Any hearing officer, any member of a committee or the board of education holding a formal hearing or an appeal hearing under this act may and, upon the request of any pupil for whom any such hearing is held or upon the request of the pupil's parents or guardians or counsel, shall petition the chief judge of the judicial district in which the school district is located requesting that the clerk of the district court be authorized to issue subpoenas for the attendance and testimony of the principal witness or witnesses and the production of books, records, reports, papers and documents relating to the proposed suspension or expulsion from school in the same manner as provided for the issuance of subpoenas in civil actions pursuant to K.S.A. 60-245, and amendments thereto.

**72-8907. Refusal to admit suspended or expelled pupil authorized.**

A pupil who has been suspended or expelled from school by any school district may be refused admission to school in any other school district, regardless of residency, until such time as the period of suspension or expulsion has expired.

**72-89a02. Policies requiring expulsion of pupils for possession of weapons, adoption, filing; hearings; modification of requirement authorized; referral procedure; annual report; circumstances when policy not applicable.**

(c) If a pupil required to be expelled pursuant to a policy adopted under subsection (a) is confined in the custody of the secretary for children and families, the commissioner of juvenile justice or the secretary of corrections as a result of the violation upon which the expulsion is to be based, the hearing required under the provisions of article 89 of chapter 72 of Kansas Statutes Annotated, and amendments thereto, shall be delayed until the pupil is released from custody.

(d) A hearing afforded a pupil required to be expelled pursuant to a policy adopted under subsection (a) shall be conducted by the chief administrative officer or other certificated employee of the school in which the pupil is enrolled, by any committee of certificated employees of the school in which the pupil is enrolled, or by a hearing officer appointed by the board of education of the school in which the pupil is enrolled.
