**Introduction**

This compilation presents school discipline-related laws and regulations for U.S. states, U.S. territories, and the District of Columbia, and, where available, links to education agency websites or resources related to school discipline and student conduct. The discipline laws and regulations presented in this compilation have been categorized by **type** of specific discipline issue covered, according to an organizational framework developed by the National Center for Safe and Supportive Learning Environments (NCSSLE). For example, one major category encompasses all laws or regulations governing states or territories that mandate specific disciplinary sanctions (such as suspension) for specific offenses (such as drug possession on school grounds). The school discipline laws and regulations were compiled through exhaustive searches of legislative websites that identified all laws and regulations relevant to each specific category. Compiled materials were subsequently reviewed by state education agency (SEA) representatives in the 50 states, Washington D.C., and the U.S. territories.

Discipline categories were not mutually exclusive. Laws and regulations often appeared across multiple categories. For jurisdictions with more extensive laws covering a breadth of topical areas, relevant sections were excerpted from the larger legislative text for inclusion in the appropriate discipline category. Laws, ordered by chapter and section number, appear first within each category followed by regulations. All laws and regulations listed within categories in the compilation also appear in the sources cited section of the document, which lists laws by chapter and section number and title, and where available, includes active hyperlinks to source websites supported or maintained by state legislatures. Additional links to government websites or resources are provided at the end of this document.

(2) If the board of a school district, local act school district, or intermediate school district or board of directors of a public school academy operates a school that has pupil lockers, then not later than 180 days after the effective date of this section the board or board of directors shall adopt a policy on searches of pupils' lockers and locker contents. This policy shall provide that, in the course of a search conducted pursuant to the policy, the privacy rights of the pupil shall be respected regarding any items that are not illegal or against school policy. The board or board of directors shall provide a copy of this policy to each pupil at a school that has lockers and to the parent or legal guardian of each of those pupils. The board or board of directors shall also provide a copy of the policy to the department upon request by the department.

The teacher shall immediately report the suspension and the reason for the suspension to the school principal and send the pupil to the school principal or the school principal's designee for appropriate action. If that action requires the continued presence of the pupil at school, the pupil shall be under appropriate supervision. (e) Whether the violation or behavior committed by the pupil threatened the safety of any pupil or staff member.

(f) Whether restorative practices will be used to address the violation or behavior committed by the pupil.

(g) Whether a lesser intervention would properly address the violation or behavior committed by the pupil.

(2) Except as provided in subsection (3), this section applies to give the board of a school district or intermediate school district or board of directors of a public school academy, or its designee, discretion over whether or not to suspend or expel a pupil under section 1310, 1311(1), 1311(2), or 1311a. In exercising this discretion with regard to a suspension of more than 10 days or an expulsion, there is a rebuttable presumption that a suspension or expulsion is not justified unless the board or board of directors, or its designee, can demonstrate that it considered each of the factors listed under subsection (1). For a suspension of 10 or fewer days, there is no rebuttable presumption, but the board or board of directors, or its designee, shall consider each of the factors listed under subsection (1).

(3) This section does not apply to a pupil being expelled under section 1311(2) for possessing a firearm in a weapon free school zone.

(4) Except as provided in subsection (3), consideration of the factors listed in subsection (1) is mandatory before suspending or expelling a student under section 1310, 1311(1), 1311(2), or 1311a. The method used for consideration of the factors is at the sole discretion of the board of a school district or intermediate school district or board of directors of a public school academy, or its designee.

(5) The parent or legal guardian of an individual permanently expelled pursuant to this section or, if the individual is at least age 18 or is an emancipated minor, the individual may petition the expelling school board for reinstatement of the individual to public education in the school district. If the expelling school board denies a petition for reinstatement, the parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, the individual may petition another school board for reinstatement of the individual in that other school district. All of the following apply to reinstatement under this subsection:

(g) A school board may require an individual and, if the petition was filed by a parent or legal guardian, his or her parent or legal guardian to agree in writing to specific conditions before reinstating the individual in a conditional reinstatement. The conditions may include, but are not limited to, agreement to a behavior contract, which may involve the individual, parent or legal guardian, and an outside agency; participation in or completion of an anger management program or other appropriate counseling; periodic progress reviews; and specified immediate consequences for failure to abide by a condition. A parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, the individual may include proposed conditions in a petition for reinstatement submitted under this subsection.

   (a) Promotes the care, safety, welfare, and security of the school community and the dignity of each pupil.

   (c) Ensures that seclusion and physical restraint are used only as a last resort in an emergency situation and are subject to diligent assessment, monitoring, documentation, and reporting by trained personnel.

   (d) Clearly defines the terms "seclusion", "restraint", "emergency seclusion", and "emergency physical restraint" and clearly states the procedures for the use of emergency seclusion and emergency physical restraint.

(2) Sections 1307 to 1307h do not limit any right or remedy of an individual under state or federal law.

380.1307a. Use of seclusion and restraint in public schools; adoption and implementation of local policy; noncompliance as violation of act.

Not later than December 1, 2016, the department shall develop a state policy regarding the use of seclusion and restraint in the public schools that includes all of the elements under sections 1307b to 1307h, along with guidelines as the department considers appropriate. Not later than the beginning of the 2017-2018 school year, the board of a school district or intermediate school district or board of directors

(d) A requirement that school personnel shall call key identified personnel for help from within the school building either immediately at the onset of an emergency situation or, if it is reasonable under the particular circumstances for school personnel to believe that diverting their attention to calling for help would increase the risk to the safety of the pupil or to the safety of others, as soon as possible once the circumstances no longer support such a belief.
(e) A requirement that the school district, intermediate school district, or public school academy must ensure that substitute teachers are informed of and understand the procedures regarding use of emergency seclusion and emergency physical restraint. This requirement may be satisfied using online training and an online acknowledgment of understanding developed or approved by the department and completed by the substitute teacher.
(f) Emergency seclusion should not be used any longer than necessary, based on research and evidence, to allow a pupil to regain control of his or her behavior to the point that the emergency situation necessitating the use of emergency seclusion is ended and generally no longer than 15 minutes for an elementary school pupil or 20 minutes for a middle school or high school pupil. If an emergency seclusion lasts longer than 15 minutes for an elementary school pupil or 20 minutes for a middle school or high school pupil, all of the following are required:

380.1307d. Documentation and reporting of seclusion and restraint; state policy; provisions.

(i) Conduct a functional behavioral assessment.

(ii) Develop or revise a positive behavioral intervention and support plan to facilitate the elimination of the use of seclusion and restraint.

(iii) Develop an assessment and planning process conducted by a team knowledgeable about the pupil, including at least the parent or guardian; the pupil, if appropriate; the individuals responsible for implementation of the positive behavioral intervention and support plan; and individuals knowledgeable in positive behavioral intervention and support.

(d) "Emergency physical restraint" means a last resort emergency safety intervention involving physical restraint that is necessitated by an ongoing emergency situation and that provides an opportunity for the pupil to regain self-control while maintaining the safety of the pupil and others. Emergency physical restraint does not include physical restraint that is used for the convenience of school personnel, as a form of discipline or punishment, as a substitute for less restrictive alternatives, as a substitute for adequate staffing, or as a substitute for school personnel training in positive behavioral intervention and support. Emergency physical restraint does not include a practice prohibited under section 1307b. Emergency physical restraint does not include physical restraint when contraindicated based on a pupil's disability, health care needs, or medical or psychiatric condition, as documented in a record or records made available to the school.

(e) "Emergency seclusion" means a last resort emergency safety intervention involving seclusion that is necessitated by an ongoing emergency situation and that provides an opportunity for the pupil to regain
self-control while maintaining the safety of the pupil and others. To qualify as emergency seclusion, there must be continuous observation by school personnel of the pupil in seclusion, and the room or area used for confinement must comply with state and local fire and building codes; must not be locked; must not prevent the pupil from exiting the area if school personnel become incapacitated or leave that area; and must provide for adequate space, lighting, ventilation, viewing, and the safety and dignity of the pupil and others, in accordance with department guidelines. Emergency seclusion does not include the confinement of preschool children or of pupils who are severely self-injurious or suicidal; seclusion that is used for the convenience of school personnel, as a substitute for an educational program, as a form of discipline or punishment, as a substitute for less restrictive alternatives, as a substitute for adequate staffing, or as a substitute for school personnel training in positive behavioral intervention and support; or a practice prohibited under section 1307b. Emergency seclusion does not include seclusion when contraindicated based on a pupil's disability, health care needs, or medical or psychiatric condition, as documented in a record or records made available to the school.

(m) "Positive behavioral intervention and support plan" means a pupil-specific support plan composed of individualized, functional behavioral assessment-based intervention strategies, including, as appropriate to the pupil, guidance or instruction for the pupil to use new skills as a replacement for problem behaviors, some rearrangement of the antecedent environment so that problems can be prevented and desirable behaviors can be encouraged, and procedures for monitoring, evaluating, and modifying the plan as necessary.

threatens the pupil's immediate safety, such as running in front of a car. Restraint does not include the administration of medication prescribed by and administered in accordance with the directions of a physician, an adaptive or protective device recommended by a physician or therapist when it is used as recommended, or safety equipment used by the general pupil population as intended, such as a seat belt or safety harness on school transportation. 380.1310c. Restorative practices as alternative or in addition to suspension or expulsion; definitions.

(1) A school board or its designee shall consider using restorative practices as an alternative or in addition to suspension or expulsion under this act. If a school board or its designee suspends or expels a pupil under this act, the school board or its designee shall consider using restorative practices in addition to suspension or expulsion. If a school board or its designee decides not to suspend or expel a pupil for a disciplinary issue, the school board or its designee shall consider using restorative practices to address the disciplinary issue.

(2) Restorative practices may include victim-offender conferences that are initiated by the victim; that are approved by the victim's parent or legal guardian or, if the victim is at least age 15, by the victim; that are attended voluntarily by the victim, a victim advocate, the offender, members or the school community, and
supporters of the victim and the offender; and that provide an opportunity for the offender to accept responsibility for the harm caused to those affected by the misconduct and to participate in setting consequences to repair the harm. The attendees, known as a restorative practices team, may require the pupil to do 1 or more of the following: apologize; participate in community service, restoration, or counseling; or pay restitution. The selected consequences shall be incorporated into an agreement that sets time limits for completion of the consequences and is signed by all participants. (1) A strict discipline academy may be located in all or part of an existing public school building. Except for a strict discipline academy that includes pupils who are the responsibility of a county juvenile agency, a strict discipline academy shall not operate at a site other than the single site requested for the configuration of grades that will use the site, as specified in the application required under section 1311d and in the contract.

(2) A strict discipline academy shall not charge tuition. Except as otherwise provided in subsection (6), a strict discipline academy shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a school district. However, a strict discipline academy may limit admission to pupils who are within a particular range of age or grade level or on any other basis that would be legal if used by a school district.

(3) A strict discipline academy shall be established under sections 1311b to 1311m specifically for enrolling 1 or more of the following types of pupils:

(a) Pupils placed in the strict discipline academy by a court or by the department of health and human services or a county juvenile agency under the direction of a court.

(4) In addition to the types of pupils specified in subsection (3), a strict discipline academy shall be open for enrollment of a special education pupil who does not meet the requirements of subsection (3) if the special education pupil's individualized education program team recommends that the special education pupil be placed in the strict discipline academy. As used in this subsection, “individualized education
program team” means that term as defined in section 614 of the individuals with disabilities education act, 20 USC 1414.

(5) In addition to the types of pupils specified in subsections (3) and (4), a strict discipline academy may enroll a pupil who is placed in a high-security or medium-security juvenile facility, mental health facility, or child caring institution that is operated by a private agency or a pupil who became a resident of this state as an unaccompanied or resettled minor under the care of the department of health and human services and who is less than 22 years of age as of September 1 of the current school year.

(6) A strict discipline academy shall enroll only 1 or more of the types of pupils described in subsections (3) to (5). A pupil who is enrolled in a strict discipline academy under subsections (3) to (5) may, at the option of his or her parent or legal guardian, continue to remain enrolled in the strict discipline academy after he or she ceases to meet the requirements for enrollment under subsections (3) to (5) as long as he or she meets the other applicable requirements for enrollment.

(7) A strict discipline academy is not required to keep any group of pupils described in subsections (3) to (5) physically separated from another group of those pupils, as might otherwise be required under section 1311, section 1311a, or another provision of this act.

Enrollment in the strict discipline academy may be open to all individuals who reside in this state who meet the admission policy under subsections (3) to (5) and shall be open to all pupils who reside within the geographic boundaries, if any, of the authorizing body as described in section 1311d who meet the admission policy under subsections (3) to (5), except that admission to a strict discipline academy authorized by the board of a community college to operate, or operated by the board of a community college, on the grounds of a federal military installation, as described in section 1311d, shall be open to all pupils who reside in the county in which the federal military installation is located who meet the admission policy under subsections (3) to (5). For a strict discipline academy authorized by a state public university, enrollment shall be open to all pupils who reside in this state who meet the admission policy under subsections (3) to (5). If there are more applications to enroll in the strict discipline academy than there are spaces available, pupils shall be selected to attend using a random selection process. However, a strict discipline academy may give enrollment priority to a sibling of a pupil enrolled in the strict discipline academy. A strict discipline academy shall allow any pupil who was enrolled in the strict discipline academy in the immediately preceding school year to enroll in the strict discipline academy in the appropriate grade unless the appropriate grade is not offered at that strict discipline academy.

380.1240. Law enforcement agency; creation.
(1) Subject to subsection (3), the board of a school district that has a membership of at least 20,000 pupils and that includes in its territory a city with a population of at least 180,000 as of the most recent decennial census may create a law enforcement agency in accordance with and as provided under the public body law enforcement agency act, 2004 PA 378, MCL 28.581 to 28.590.

(2) Subject to subsection (3), if the board of a school district creates a law enforcement agency under subsection (1), the board may grant to law enforcement officers of that law enforcement agency the same powers, immunities, and authority as are granted by law to peace officers and police officers to detect crime and to enforce the criminal laws of this state and to enforce state laws, local ordinances, and the ordinances and regulations of the school district, as provided under the public body law enforcement agency act, 2004 PA 378, MCL 28.581 to 28.590. Law enforcement officers to whom the authority of peace officers and police officers is granted under that act are considered peace officers of this state and have the authority of police officers provided under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, and as provided under the code of criminal procedure, 1927 PA 175, MCL 760.1 to 777.69.

(3) If a school district operates a law enforcement agency under this section and becomes a qualifying school district under section 12b, the qualifying school district's law enforcement agency shall be transferred by operation of law on the transfer date to the community district created under part 5b. Beginning on the transfer date, the community district may operate a law enforcement agency in accordance with this section.

(4) For purposes of this section, a community district's membership is considered to be the same as the membership of the qualifying school district whose law enforcement agency is transferred under subsection (3).

(5) As used in this section, "transfer date" means that term as defined in section 12b.
