Compilation of School Discipline Laws and Regulations

Prepared: April 3, 2019
Introduction

This compilation presents school discipline-related laws and regulations for U.S. states, U.S. territories, and the District of Columbia, and, where available, links to education agency websites or resources related to school discipline and student conduct. The discipline laws and regulations presented in this compilation have been categorized by type of specific discipline issue covered, according to an organizational framework developed by the National Center for Safe and Supportive Learning Environments (NCSSLE). For example, one major category encompasses all laws or regulations governing states or territories that mandate specific disciplinary sanctions (such as suspension) for specific offenses (such as drug possession on school grounds). The school discipline laws and regulations were compiled through exhaustive searches of legislative websites that identified all laws and regulations relevant to each specific category. Compiled materials were subsequently reviewed by state education agency (SEA) representatives in the 50 states, Washington D.C., and the U.S. territories.

Discipline categories were not mutually exclusive. Laws and regulations often appeared across multiple categories. For jurisdictions with more extensive laws covering a breadth of topical areas, relevant sections were excerpted from the larger legislative text for inclusion in the appropriate discipline category. Laws, ordered by chapter and section number, appear first within each category followed by regulations. All laws and regulations listed within categories in the compilation also appear in the sources cited section of the document, which lists laws by chapter and section number and title, and where available, includes active hyperlinks to source websites supported or maintained by state legislatures. Additional links to government websites or resources are provided at the end of this document.

(A) The superintendent of public instruction, pursuant to this section and the adjudication procedures of section 3301.121 of the Revised Code, may issue an adjudication order that permanently excludes a pupil from attending any of the public schools of this state if the pupil is convicted of, or adjudicated a delinquent child for, committing, when the pupil was sixteen years of age or older, an act that would be a criminal offense if committed by an adult and if the act is any of the following:

(1) A violation of section 2923.122 of the Revised Code;

(2) A violation of section 2923.12 of the Revised Code, of a substantially similar municipal ordinance, or of section 2925.03 of the Revised Code that was committed on property owned or controlled by, or at an activity held under the auspices of, a board of education of a city, local, exempted village, or joint vocational school district;

(3) A violation of section 2925.11 of the Revised Code, other than a violation of that section that would be a minor drug possession offense, that was committed on property owned or controlled by, or at an activity held under the auspices of, the board of education of a city, local, exempted village, or joint vocational school district;

(4) A violation of section 2903.01, 2903.02, 2903.03, 2903.04, 2903.11, 2903.12, 2907.02, or 2907.05 or of former section 2907.12 of the Revised Code that was committed on property owned or controlled by, or at an activity held under the auspices of, a board of education of a city, local, exempted village, or joint vocational school district, if the victim at the time of the commission of the act was an employee of that board of education;

(5) Complicity in any violation described in division (A)(1), (2), (3), or (4) of this section that was alleged to have been committed in the manner described in division (A)(1), (2), (3), or (4) of this section, regardless of whether the act of complicity was committed on property owned or controlled by, or at an activity held under the auspices of, a board of education of a city, local, exempted village, or joint vocational school district.

Limitations, conditions or exclusions for use of suspension and expulsion

LAWS

ORC 3313.66. Suspension, expulsion or permanent exclusion - removal from curricular or extracurricular activities.

(A)

(1) Except as provided under division (B)(2) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district, or the principal of a public school may suspend a pupil from school for not more than ten school days. The board of education of a city, exempted village, or local school district may adopt a policy granting assistant principals and other administrators the authority to suspend a pupil from school for a period of time as specified in the policy of the board of education, not to exceed ten school days. If at the time an out-of-school suspension is imposed there are fewer than ten school days remaining in the school year in which the incident that gives rise to the suspension takes place, the superintendent shall not apply any remaining part of the period of the suspension to the following school year. The superintendent may instead require the pupil to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The pupil shall be required to begin the pupil's community service or alternative consequence during the first full weekday of summer break. Each school district, in its discretion, may develop an appropriate list of alternative consequences. In the event that a pupil fails to complete community service or the assigned alternative consequence, the school district may determine the next course of action, which shall not include requiring the pupil to serve the remaining time of the out-of-school suspension at the beginning of the following school year.

No pupil shall be issued an out-of-school suspension unless prior to the suspension the superintendent or principal does both of the following:
(a) Gives the pupil written notice of the intention to suspend the pupil and the reasons for the intended suspension and, if the proposed suspension is based on a violation listed in division (A) of section 3313.662 of the Revised Code and if the pupil is sixteen years of age or older, includes in the notice a statement that the superintendent may seek to permanently exclude the pupil if the pupil is convicted of or adjudicated a delinquent child for that violation;

(b) Provides the pupil an opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or superintendent's designee and challenge the reason for the intended suspension or otherwise to explain the pupil's actions.

(2) If a pupil is issued an in-school suspension, the superintendent or principal shall ensure the pupil is serving the suspension in a supervised learning environment.

(3) Each school district board shall adopt a policy establishing parameters for completing and grading assignments missed because of a pupil's suspension.

(a) The policy shall provide the pupil an opportunity to do both of the following:

(i) Complete any classroom assignments missed because of the suspension;

(ii) Receive at least partial credit for a completed assignment.

(b) The policy may permit grade reductions on account of the pupil's suspension.

(c) The policy shall prohibit the receipt of a failing grade on a completed assignment solely on account of the pupil's suspension.

(B)

(1) Except as provided under division (B)(2), (3), or (4) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period not to exceed the greater of eighty school days or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes place, unless the expulsion is extended pursuant to division (F) of this section. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

(2)

(a) Unless a pupil is permanently excluded pursuant to section 3313.662 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district shall expel a pupil from school for a period of one year for bringing a firearm to a school operated by the board of education of the district or onto any other property owned or controlled by the board, except that the superintendent may reduce this requirement on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(b) The superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period of one year for bringing a firearm to an interscholastic competition, an extracurricular event, or any other school program or activity that is not located in a school or on property that is owned or controlled by the district. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(c) Any expulsion pursuant to division (B)(2) of this section shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. As used in this division, "firearm" has the same meaning as provided pursuant to the "Gun-Free Schools Act," 115 Stat. 1762, 20 U.S.C. 7151.
(3) The board of education of a city, exempted village, or local school district may adopt a resolution authorizing the superintendent of schools to expel a pupil from school for a period not to exceed one year for bringing a knife capable of causing serious bodily injury to a school operated by the board, onto any other property owned or controlled by the board, or to an interscholastic competition, an extracurricular event, or any other program or activity sponsored by the school district or in which the district is a participant, or for possessing a firearm or knife capable of serious bodily injury, at a school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity, which firearm or knife was initially brought onto school board property by another person. The resolution may authorize the superintendent to extend such an expulsion, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(4) The board of education of a city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in division (A)(5) of section 2901.01 of the Revised Code or serious physical harm to property as defined in division (A)(6) of section 2901.01 of the Revised Code while the pupil is at school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(5) The board of education of any city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for making a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(6) No pupil shall be expelled under division (B)(1), (2), (3), (4), or (5) of this section unless, prior to the pupil's expulsion, the superintendent does both of the following:

(a) Gives the pupil and the pupil's parent, guardian, or custodian written notice of the intention to expel the pupil;

(b) Provides the pupil and the pupil's parent, guardian, custodian, or representative an opportunity to appear in person before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's actions.

The notice required in this division shall include the reasons for the intended expulsion, notification of the opportunity of the pupil and the pupil's parent, guardian, custodian, or representative to appear before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's action, and notification of the time and place to appear. The time to appear shall not be earlier than three nor later than five school days after the notice is given, unless the superintendent grants an extension of time at the request of the pupil or the pupil's parent, guardian, custodian, or representative. If an extension is granted after giving the original notice, the superintendent shall notify the pupil and the pupil's parent, guardian, custodian, or representative of the new time and place to appear. If the proposed expulsion is based on a violation listed in division (A) of section 3313.662 of the Revised Code and if the pupil is sixteen years of age or older, the notice shall include a statement that the superintendent may seek to permanently exclude the pupil if the pupil is convicted of or adjudicated a delinquent child for that violation.
(7) A superintendent of schools of a city, exempted village, or local school district shall initiate expulsion proceedings pursuant to this section with respect to any pupil who has committed an act warranting expulsion under the district's policy regarding expulsion even if the pupil has withdrawn from school for any reason after the incident that gives rise to the hearing but prior to the hearing or decision to impose the expulsion. If, following the hearing, the pupil would have been expelled for a period of time had the pupil still been enrolled in the school, the expulsion shall be imposed for the same length of time as on a pupil who has not withdrawn from the school.

(C)

(1) Subject to division (C)(2) of this section, if a pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or a principal or assistant principal may remove a pupil from curricular activities or from the school premises, and a teacher may remove a pupil from curricular activities under the teacher's supervision, without the notice and hearing requirements of division (A) or (B) of this section. As soon as practicable after making such a removal, the teacher shall submit in writing to the principal the reasons for such removal.

(2) A pupil in any of grades pre-kindergarten through three may be removed pursuant to division (C)(1) of this section only for the remainder of the school day and shall be permitted to return to curricular and extracurricular activities on the school day following the day in which the student was removed.

(a) A school district or school that returns a student in any of grades pre-kindergarten through three to curricular and extracurricular activities on the next school day shall not be required to follow division (C)(3) of this section with regard to that student.

(b) A school district shall not initiate a suspension or expulsion proceeding against a student in any of grades pre-kindergarten through three who was removed from a curricular or extracurricular activity under division (C) of this section unless the student has committed an act described in division (B)(1)(a) or (b) of section 3313.668 of the Revised Code.

(3) If a pupil is removed under division (C)(1) or (2) of this section from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held on the next school day after the initial removal is ordered. The hearing shall be held in accordance with division (A) of this section unless it is probable that the pupil may be subject to expulsion, in which case a hearing in accordance with division (B) of this section shall be held, except that the hearing shall be held on the next school day after the date of the initial removal. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing.

(4) If the superintendent or the principal reinstates a pupil in a curricular activity under the teacher's supervision prior to the hearing following a removal under this division, the teacher, upon request, shall be given in writing the reasons for such reinstatement.

(D) The superintendent or principal, within one school day after the time of a pupil's expulsion or suspension, shall notify in writing the parent, guardian, or custodian of the pupil of the expulsion or suspension. In the case of an expulsion, the superintendent or principal, within one school day after the time of a pupil's expulsion, also shall notify in writing the treasurer of the board of education. Each notice shall include the reasons for the expulsion or suspension, notification of the right of the pupil or the pupil's parent, guardian, or custodian to appeal the expulsion or suspension to the board of education or to its designee, to be represented in all appeal proceedings, to be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion, and to request that the hearing be held in executive session, notification that the expulsion may be subject to extension pursuant to division (F) of this section if the pupil is sixteen years of age or older, and notification that the superintendent may seek the pupil's permanent exclusion if the suspension or expulsion was based on a violation listed in
division (A) of section 3313.662 of the Revised Code that was committed when the child was sixteen years of age or older and if the pupil is convicted of or adjudicated a delinquent child for that violation.

In accordance with the policy adopted by the board of education under section 3313.661 of the Revised Code, the notice provided under this division shall specify the manner and date by which the pupil or the pupil's parent, guardian, or custodian shall notify the board of the pupil's, parent's, guardian's, or custodian's intent to appeal the expulsion or suspension to the board or its designee.

Any superintendent expelling a pupil under this section for more than twenty school days or for any period of time if the expulsion will extend into the following semester or school year shall, in the notice required under this division, provide the pupil and the pupil's parent, guardian, or custodian with information about services or programs offered by public and private agencies that work toward improving those aspects of the pupil's attitudes and behavior that contributed to the incident that gave rise to the pupil's expulsion.

The information shall include the names, addresses, and phone numbers of the appropriate public and private agencies.

(E) A pupil or the pupil's parent, guardian, or custodian may appeal the pupil's expulsion by a superintendent or suspension by a superintendent, principal, assistant principal, or other administrator to the board of education or to its designee. If the pupil or the pupil's parent, guardian, or custodian intends to appeal the expulsion or suspension to the board or its designee, the pupil or the pupil's parent, guardian, or custodian shall notify the board in the manner and by the date specified in the notice provided under division (D) of this section. The pupil or the pupil's parent, guardian, or custodian may be represented in all appeal proceedings and shall be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion. At the request of the pupil or of the pupil's parent, guardian, custodian, or attorney, the board or its designee may hold the hearing in executive session but shall act upon the suspension or expulsion only at a public meeting. The board, by a majority vote of its full membership or by the action of its designee, may affirm the order of suspension or expulsion, reinstate the pupil, or otherwise reverse, vacate, or modify the order of suspension or expulsion.

The board or its designee shall make a verbatim record of hearings held under this division. The decisions of the board or its designee may be appealed under Chapter 2506. of the Revised Code.

This section shall not be construed to require notice and hearing in accordance with division (A), (B), or (C) of this section in the case of normal disciplinary procedures in which a pupil is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

(F)

(1) If a pupil is expelled pursuant to division (B) of this section for committing any violation listed in division (A) of section 3313.662 of the Revised Code and the pupil was sixteen years of age or older at the time of committing the violation, if a complaint, indictment, or information is filed alleging that the pupil is a delinquent child based upon the commission of the violation or the pupil is prosecuted as an adult for the commission of the violation, and if the resultant juvenile court or criminal proceeding is pending at the time that the expulsion terminates, the superintendent of schools that expelled the pupil may file a motion with the court in which the proceeding is pending requesting an order extending the expulsion for the lesser of an additional eighty days or the number of school days remaining in the school year. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent and to the pupil and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe that the pupil committed the alleged violation that is the basis of the expulsion and, upon determining that reasonable cause to believe the pupil committed the violation does exist, shall grant the requested extension.

(2) If a pupil has been convicted of or adjudicated a delinquent child for a violation listed in division (A) of section 3313.662 of the Revised Code for an act that was committed when the child was sixteen
years of age or older, if the pupil has been expelled pursuant to division (B) of this section for that violation, and if the board of education of the school district of the school from which the pupil was expelled has adopted a resolution seeking the pupil's permanent exclusion, the superintendent may file a motion with the court that convicted the pupil or adjudicated the pupil a delinquent child requesting an order to extend the expulsion until an adjudication order or other determination regarding permanent exclusion is issued by the superintendent of public instruction pursuant to section 3301.121 and division (D) of section 3313.662 of the Revised Code. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent of the school district, the pupil, and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe the pupil's continued attendance in the public school system may endanger the health and safety of other pupils or school employees and, upon making that determination, shall grant the requested extension.

(G) The failure of the superintendent or the board of education to provide the information regarding the possibility of permanent exclusion in the notice required by divisions (A), (B), and (D) of this section is not jurisdictional, and the failure shall not affect the validity of any suspension or expulsion procedure that is conducted in accordance with this section or the validity of a permanent exclusion procedure that is conducted in accordance with sections 3301.121 and 3313.662 of the Revised Code.

(H) With regard to suspensions and expulsions pursuant to divisions (A) and (B) of this section by the board of education of any city, exempted village, or local school district, this section shall apply to any student, whether or not the student is enrolled in the district, attending or otherwise participating in any curricular program provided in a school operated by the board or provided on any other property owned or controlled by the board.

(I) Whenever a student is expelled under this section, the expulsion shall result in removal of the student from the student's regular school setting. However, during the period of the expulsion, the board of education of the school district that expelled the student or any board of education admitting the student during that expulsion period may provide educational services to the student in an alternative setting.

(J)

(1) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if one of the following applies:

   (a) The pupil has been suspended from the schools of another district under division (A) of this section and the period of suspension, as established under that division, has not expired;

   (b) The pupil has been expelled from the schools of another district under division (B) of this section and the period of the expulsion, as established under that division or as extended under division (F) of this section, has not expired.

   If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than upon expiration of the suspension or expulsion period, as applicable.

   (2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if the pupil has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired. If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than the earlier of the following:

   (a) Upon expiration of the expulsion or removal period imposed by the out-of-state school;
(b) Upon expiration of a period established by the district, beginning with the date of expulsion or removal from the out-of-state school, that is no greater than the period of expulsion that the pupil would have received under the policy adopted by the district under section 3313.661 of the Revised Code had the offense that gave rise to the expulsion or removal by the out-of-state school been committed while the pupil was enrolled in the district.

(K) As used in this section:

1. “Permanently exclude” and “permanent exclusion” have the same meanings as in section 3313.662 of the Revised Code.

2. “In-school suspension” means the pupil will serve all of the suspension in a supervised learning environment within a school setting.

ORC 3313.668. Removal from school based on absences.

(A) On and after July 1, 2017, no school district or school shall suspend, expel, or remove a student from school under section 3313.66 of the Revised Code solely on the basis of the student's absences from school without legitimate excuse.

(A) In addition to the duties and responsibilities of the superintendent of public instruction set forth in section 3301.12 of the Revised Code, the superintendent, in accordance with this section and section 3313.662 of the Revised Code, shall conduct an adjudication procedure to determine whether to permanently exclude from attending any of the public schools of this state any pupil who is the subject of a resolution forwarded to the superintendent by a board of education pursuant to division (D) of section 3313.662 of the Revised Code.

(B)(1) Except as provided in division (B)(3) of this section, within fourteen days after receipt of a resolution forwarded by a board of education pursuant to division (D) of section 3313.662 of the Revised Code, the superintendent of public instruction or the superintendent's designee shall provide the pupil who is the subject of the resolution and that pupil's parent, guardian, or custodian with a notice of an opportunity for an adjudication hearing on the proposed permanent exclusion of the pupil from attending any of the public schools of this state. The notice shall include all of the following:

(a) The date, time, and place of the permanent exclusion adjudication hearing;

(b) A statement informing the pupil and the pupil's parent, guardian, or custodian that the pupil may attend the adjudication hearing at the date, time, and place set forth in the notice, that the failure of the pupil or the pupil's parent, guardian, or custodian to attend the adjudication hearing will result in a waiver of the pupil's right to present evidence, testimony, and factors in mitigation of the pupil's permanent exclusion at an adjudication hearing on the proposed permanent exclusion, and that the pupil shall be accorded all of the following rights:

(i) The right to testify, to present evidence and the testimony of witnesses, and to confront, cross-examine, and compel the attendance of witnesses;

(ii) The right to a record of the hearing;
(iii) The right to written findings.

(c) A statement informing the pupil and the pupil's parent, guardian, or custodian that the pupil has the right to be represented by counsel at the adjudication hearing.

(d) A statement informing the pupil and the pupil's parent, guardian, or custodian that, if the pupil by failing to attend the hearing waives the pupil's right to present evidence, testimony, and factors in mitigation of the pupil's permanent exclusion at an adjudication hearing on the proposed permanent exclusion, the superintendent is required to review the information relevant to the permanent exclusion that is available to the superintendent and is permitted to enter an order requiring the pupil's permanent exclusion from attending any of the public schools of this state at any time within seven days after the conclusion of the adjudication hearing.

(2) The superintendent or the superintendent's designee shall provide the notice required by division (B)(1) of this section to the pupil and to the pupil's parent, guardian, or custodian by certified mail or personal service.

(3)(a) If a pupil who is the subject of a resolution forwarded to the superintendent of public instruction by a board of education pursuant to section 3313.662 of the Revised Code is in the custody of the department of youth services pursuant to a disposition under any provision of Chapter 2152. of the Revised Code, other than division (A)(1)(a) of section 2152.16 of the Revised Code, at the time the resolution is forwarded, the department shall notify in writing the superintendent of public instruction and the board of education that forwarded the resolution of that fact. Upon receipt of the notice, the superintendent shall delay providing the notice required by division (B)(1) of this section and the adjudication of the request for permanent exclusion until the superintendent receives further notice from the department pursuant to division (B)(3)(b) of this section.

(b) At least sixty days before a pupil described in division (B)(3)(a) of this section will be released from institutionalization or institutionalization in a secure facility by the department of youth services, the department shall notify in writing the superintendent of public instruction and the board of education that forwarded the resolution pursuant to section 3313.662 of the Revised Code of the impending release and shall provide in that notice information regarding the extent of the education the pupil received while in the custody of the department, including whether the pupil has obtained a certificate of high school equivalence. If the pupil has not obtained a certificate of high school equivalence while in the custody of the department of youth services, the superintendent of public instruction shall provide the notice required by division (B)(1) of this section and, at least thirty days before the pupil is to be released from institutionalization or institutionalization in a secure facility, conduct an adjudication procedure to determine whether to permanently exclude the pupil from attending the public schools of this state in accordance with this section. If the pupil has obtained a certificate of high school equivalence while in the custody of the department, the superintendent, in the superintendent's discretion, may conduct the adjudication.

(C)(1) Except as provided in division (B)(3) of this section, the date of the adjudication hearing set forth in the notice required by division (B)(1) of this section shall be a date no less than fourteen days nor more than twenty-one days from the date the superintendent sends the notice by certified mail or initiates personal service of the notice.

(2) The superintendent, for good cause shown on the written request of the pupil or the pupil's parent, guardian, or custodian, or on the superintendent's own motion, may grant reasonable continuances of any adjudication hearing held under this section but shall not grant either party total continuances in excess of ten days.

(3) If a pupil or the pupil's parent, guardian, or custodian does not appear at the adjudication hearing on a proposed permanent exclusion, the superintendent or the referee appointed by the superintendent shall proceed to conduct an adjudication hearing on the proposed permanent exclusion on the date for
the adjudication hearing that is set forth in the notice provided pursuant to division (B)(1) of this section or on the date to which the hearing was continued pursuant to division (C)(2) of this section.

(D)(1) The superintendent or a referee appointed by the superintendent may conduct an adjudication hearing to determine whether to permanently exclude a pupil in one of the following counties:

(a) The county in which the superintendent holds the superintendent's office;

(b) Upon the request of the pupil or the pupil's parent, guardian, custodian, or attorney, in the county in which the board of education that forwarded the resolution requesting the permanent exclusion is located if the superintendent, in the superintendent's discretion and upon consideration of evidence of hardship presented on behalf of the requesting pupil, determines that the hearing should be conducted in that county.

(2) The superintendent of public instruction or a referee appointed by the superintendent shall conduct an adjudication hearing on a proposed permanent exclusion of a pupil. The referee may be an attorney admitted to the practice of law in this state but shall not be an attorney that represents the board of education that forwarded the resolution requesting the permanent exclusion.

(3) The superintendent or referee who conducts an adjudication hearing under this section may administer oaths, issue subpoenas to compel the attendance of witnesses and evidence, and enforce the subpoenas by a contempt proceeding in the court of common pleas as provided by law. The superintendent or referee may require the separation of witnesses and may bar from the proceedings any person whose presence is not essential to the proceedings.

(4) The superintendent of public instruction shall request the department of rehabilitation and correction, the sheriff, the department of youth services, or any publicly funded out-of-home care entity that has legal custody of a pupil who is the subject of an adjudication hearing held pursuant to this section to transport the pupil to the place of the adjudication hearing at the time and date set for the hearing. The department, sheriff, or publicly funded out-of-home care entity that receives the request shall provide transportation for the pupil who is the subject of the adjudication hearing to the place of the hearing at the time and date set for the hearing. The department, sheriff, or entity shall pay the cost of transporting the pupil to and from the hearing.

(E)(1) An adjudication hearing held pursuant to this section shall be adversary in nature, shall be conducted fairly and impartially, and may be conducted without the formalities of a criminal proceeding. A pupil whose permanent exclusion is being adjudicated has the right to be represented by counsel at the adjudication hearing. If the pupil has the financial capacity to retain counsel, the superintendent or the referee is not required to provide counsel for the pupil. At the adjudication hearing, the pupil also has the right to cross-examine witnesses against the pupil, to testify, to present evidence and the testimony of witnesses on the pupil's behalf, and to raise factors in mitigation of the pupil's being permanently excluded.

(2) In an adjudication hearing held pursuant to this section and section 3313.662 of the Revised Code, a representative of the school district of the board of education that adopted and forwarded the resolution requesting the permanent exclusion of the pupil shall present the case for permanent exclusion to the superintendent or the referee. The representative of the school district may be an attorney admitted to the practice of law in this state. At the adjudication hearing, the representative of the school district shall present evidence in support of the requested permanent exclusion. The superintendent or the superintendent's designee shall consider the entire school record of the pupil who is the subject of the adjudication and shall consider any of the following information that is available:

(a) The academic record of the pupil and a record of any extracurricular activities in which the pupil previously was involved;
(b) The disciplinary record of the pupil and any available records of the pupil's prior behavioral problems other than the behavioral problems contained in the disciplinary record;

(c) The social history of the pupil;

(d) The pupil's response to the imposition of prior discipline and sanctions imposed for behavioral problems;

(e) Evidence regarding the seriousness of and any aggravating factors related to the offense that is the basis of the resolution seeking permanent exclusion;

(f) Any mitigating circumstances surrounding the offense that gave rise to the request for permanent exclusion;

(g) Evidence regarding the probable danger posed to the health and safety of other pupils or of school employees by the continued presence of the pupil in a public school setting;

(h) Evidence regarding the probable disruption of the teaching of any school district's graded course of study by the continued presence of the pupil in a public school setting;

(i) Evidence regarding the availability of alternative sanctions of a less serious nature than permanent exclusion that would enable the pupil to remain in a public school setting without posing a significant danger to the health and safety of other pupils or of school employees and without posing a threat of the disruption of the teaching of any district's graded course of study.

(3) In any adjudication hearing conducted pursuant to this section and section 3313.662 of the Revised Code, a court order that proves the adjudication or conviction that is the basis for the resolution of the board of education seeking permanent exclusion is sufficient evidence to prove that the pupil committed a violation as specified in division (F)(1) of this section.

(4) The superintendent or the referee shall make or cause to be made a record of any adjudication hearing conducted pursuant to this section.

(5) A referee who conducts an adjudication hearing pursuant to this section shall promptly report the referee's findings in writing to the superintendent at the conclusion of the adjudication hearing.

(F) If an adjudication hearing is conducted or a determination is made pursuant to this section and section 3313.662 of the Revised Code, the superintendent shall review and consider the evidence presented, the entire school record of the pupil, and any available information described in divisions (E)(2)(a) to (i) of this section and shall not enter an order of permanent exclusion unless the superintendent or the superintendent's appointed referee finds, by a preponderance of the evidence, both of the following:

(1) That the pupil was convicted of or adjudicated a delinquent child for committing a violation listed in division (A) of section 3313.662 of the Revised Code and that the violation was committed when the child was sixteen years of age or older;

(2) That the pupil's continued attendance in the public school system may endanger the health and safety of other pupils or school employees.

(G)(1) Within seven days after the conclusion of an adjudication hearing that is conducted pursuant to this section, the superintendent of public instruction shall enter an order in relation to the permanent exclusion of the pupil who is the subject of the hearing or determination.

(2) If the superintendent or a referee makes the findings described in divisions (F)(1) and (2) of this section, the superintendent shall issue a written order that permanently excludes the pupil from attending any of the public schools of this state and immediately shall send a written notice of the order to the board of education that forwarded the resolution, to the pupil who was the subject of the resolution, to that pupil's parent, guardian, or custodian, and to that pupil's attorney, that includes all of the following:

(a) A copy of the order of permanent exclusion;
(b) A statement informing the pupil and the pupil's parent, guardian, or custodian of the pupil's right to appeal the order of permanent exclusion pursuant to division (H) of this section and of the possible revocation of the permanent exclusion pursuant to division (I) of this section if a final judicial determination reverses the conviction or adjudication that was the basis for the permanent exclusion;

(c) A statement informing the pupil and the pupil's parent, guardian, or custodian of the provisions of divisions (F), (G), and (H) of section 3313.662 of the Revised Code.

(3) If the superintendent or a referee does not make the findings described in divisions (F)(1) and (2) of this section, the superintendent shall issue a written order that rejects the resolution of the board of education and immediately shall send written notice of that fact to the board of education that forwarded the resolution, to the pupil who was the subject of the proposed resolution, and to that pupil's parent, guardian, or custodian.

(H) A pupil may appeal an order of permanent exclusion made by the superintendent of public instruction pursuant to this section and section 3313.662 of the Revised Code to the court of common pleas of the county in which the board of education that forwarded the resolution requesting the permanent exclusion is located. The appeal shall be conducted in accordance with Chapter 2505. of the Revised Code.

(I) If a final judicial determination reverses the conviction or adjudication that is the basis of a permanent exclusion ordered under this section, the superintendent of public instruction, upon receipt of a certified copy of an order reflecting that final determination from the pupil or that pupil's parent, guardian, custodian, or attorney, shall revoke the order of permanent exclusion.

(J) As used in this section:

(1) "Permanently exclude" and "permanent exclusion" have the same meanings as in section 3313.662 of the Revised Code.

(2) "Out-of-home care" and "legal custody" have the same meanings as in section 2151.011 of the Revised Code.

(3) "Certificate of high school equivalence" has the same meaning as in section 4109.06 of the Revised Code.

**ORC 3313.66. Suspension, expulsion, or permanent exclusion – removal from curricular or extracurricular activities.**

(A)

(1) Except as provided under division (B)(2) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district, or the principal of a public school may suspend a pupil from school for not more than ten school days. The board of education of a city, exempted village, or local school district may adopt a policy granting assistant principals and other administrators the authority to suspend a pupil from school for a period of time as specified in the policy of the board of education, not to exceed ten school days. If at the time an out-of-school suspension is imposed there are fewer than ten school days remaining in the school year in which the incident that gives rise to the suspension takes place, the superintendent shall not apply any remaining part of the period of the suspension to the following school year. The superintendent may instead require the pupil to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The pupil shall be required to begin the pupil's community service or alternative consequence during the first full weekday of summer break. Each school district, in its discretion, may develop an appropriate list of alternative consequences. In the event that a pupil fails to complete community service or the assigned alternative consequence, the school district may determine the next course of action, which shall not include requiring the pupil to serve the remaining time of the out-of-school suspension at the beginning of the following school year.
No pupil shall be issued an out-of-school suspension unless prior to the suspension the superintendent or principal does both of the following:

(a) Gives the pupil written notice of the intention to suspend the pupil and the reasons for the intended suspension and, if the proposed suspension is based on a violation listed in division (A) of section 3313.662 of the Revised Code and if the pupil is sixteen years of age or older, includes in the notice a statement that the superintendent may seek to permanently exclude the pupil if the pupil is convicted of or adjudicated a delinquent child for that violation;

(b) Provides the pupil an opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or superintendent’s designee and challenge the reason for the intended suspension or otherwise to explain the pupil’s actions.

(2) If a pupil is issued an in-school suspension, the superintendent or principal shall ensure the pupil is serving the suspension in a supervised learning environment.

(3) Each school district board shall adopt a policy establishing parameters for completing and grading assignments missed because of a pupil’s suspension.

(a) The policy shall provide the pupil an opportunity to do both of the following:

   (i) Complete any classroom assignments missed because of the suspension;

   (ii) Receive at least partial credit for a completed assignment.

(b) The policy may permit grade reductions on account of the pupil’s suspension.

(c) The policy shall prohibit the receipt of a failing grade on a completed assignment solely on account of the pupil's suspension.

(B)

(1) Except as provided under division (B)(2), (3), or (4) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period not to exceed the greater of eighty school days or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes place, unless the expulsion is extended pursuant to division (F) of this section. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

(2)

(a) Unless a pupil is permanently excluded pursuant to section 3313.662 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district shall expel a pupil from school for a period of one year for bringing a firearm to a school operated by the board of education of the district or onto any other property owned or controlled by the board, except that the superintendent may reduce this requirement on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(b) The superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period of one year for bringing a firearm to an interscholastic competition, an extracurricular event, or any other school program or activity that is not located in a school or on property that is owned or controlled by the district. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(c) Any expulsion pursuant to division (B)(2) of this section shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. As
used in this division, "firearm" has the same meaning as provided pursuant to the "Gun-Free Schools Act," 115 Stat. 1762, 20 U.S.C. 7151.

(3) The board of education of a city, exempted village, or local school district may adopt a resolution authorizing the superintendent of schools to expel a pupil from school for a period not to exceed one year for bringing a knife capable of causing serious bodily injury to a school operated by the board, onto any other property owned or controlled by the board, or to an interscholastic competition, an extracurricular event, or any other program or activity sponsored by the school district or in which the district is a participant, or for possessing a firearm or knife capable of serious bodily injury, at a school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity, which firearm or knife was initially brought onto school board property by another person. The resolution may authorize the superintendent to extend such an expulsion, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(4) The board of education of a city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in division (A)(5) of section 2901.01 of the Revised Code or serious physical harm to property as defined in division (A)(6) of section 2901.01 of the Revised Code while the pupil is at school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(5) The board of education of any city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for making a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(6) No pupil shall be expelled under division (B)(1), (2), (3), (4), or (5) of this section unless, prior to the pupil's expulsion, the superintendent does both of the following:

(a) Gives the pupil and the pupil's parent, guardian, or custodian written notice of the intention to expel the pupil;

(b) Provides the pupil and the pupil's parent, guardian, custodian, or representative an opportunity to appear in person before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's actions.

The notice required in this division shall include the reasons for the intended expulsion, notification of the opportunity of the pupil and the pupil's parent, guardian, custodian, or representative to appear before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's action, and notification of the time and place to appear. The time to appear shall not be earlier than three nor later than five school days after the notice is given, unless the superintendent grants an extension of time at the request of the pupil or the pupil's parent, guardian, custodian, or representative. If an extension is granted after giving the original notice, the superintendent shall notify the pupil and the pupil's parent, guardian, custodian, or representative of the new time and place to appear. If the proposed expulsion is based on a violation listed in division (A) of section 3313.662 of the Revised Code and if the pupil is sixteen years of age
or older, the notice shall include a statement that the superintendent may seek to permanently exclude the pupil if the pupil is convicted of or adjudicated a delinquent child for that violation.

(7) A superintendent of schools of a city, exempted village, or local school district shall initiate expulsion proceedings pursuant to this section with respect to any pupil who has committed an act warranting expulsion under the district's policy regarding expulsion even if the pupil has withdrawn from school for any reason after the incident that gives rise to the hearing but prior to the hearing or decision to impose the expulsion. If, following the hearing, the pupil would have been expelled for a period of time had the pupil still been enrolled in the school, the expulsion shall be imposed for the same length of time as on a pupil who has not withdrawn from the school.

(C)

(1) Subject to division (C)(2) of this section, if a pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or a principal or assistant principal may remove a pupil from curricular activities or from the school premises, and a teacher may remove a pupil from curricular activities under the teacher's supervision, without the notice and hearing requirements of division (A) or (B) of this section. As soon as practicable after making such a removal, the teacher shall submit in writing to the principal the reasons for such removal.

(2) A pupil in any of grades pre-kindergarten through three may be removed pursuant to division (C)(1) of this section only for the remainder of the school day and shall be permitted to return to curricular and extracurricular activities on the school day following the day in which the student was removed.

(a) A school district or school that returns a student in any of grades pre-kindergarten through three to curricular and extracurricular activities on the next school day shall not be required to follow division (C)(3) of this section with regard to that student.

(b) A school district shall not initiate a suspension or expulsion proceeding against a student in any of grades pre-kindergarten through three who was removed from a curricular or extracurricular activity under division (C) of this section unless the student has committed an act described in division (B)(1)(a) or (b) of section 3313.668 of the Revised Code.

(3) If a pupil is removed under division (C)(1) or (2) of this section from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held on the next school day after the initial removal is ordered. The hearing shall be held in accordance with division (A) of this section unless it is probable that the pupil may be subject to expulsion, in which case a hearing in accordance with division (B) of this section shall be held, except that the hearing shall be held on the next school day after the date of the initial removal. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing.

(4) If the superintendent or the principal reinstates a pupil in a curricular activity under the teacher's supervision prior to the hearing following a removal under this division, the teacher, upon request, shall be given in writing the reasons for such reinstatement.

(D) The superintendent or principal, within one school day after the time of a pupil's expulsion or suspension, shall notify in writing the parent, guardian, or custodian of the pupil of the expulsion or suspension. In the case of an expulsion, the superintendent or principal, within one school day after the time of a pupil's expulsion, also shall notify in writing the treasurer of the board of education. Each notice shall include the reasons for the expulsion or suspension, notification of the right of the pupil or the pupil's parent, guardian, or custodian to appeal the expulsion or suspension to the board of education or to its designee, to be represented in all appeal proceedings, to be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion, and to request that the hearing be held in executive session, notification that the expulsion may be subject to extension pursuant to division
(F) of this section if the pupil is sixteen years of age or older, and notification that the superintendent may seek the pupil's permanent exclusion if the suspension or expulsion was based on a violation listed in division (A) of section 3313.662 of the Revised Code that was committed when the child was sixteen years of age or older and if the pupil is convicted of or adjudicated a delinquent child for that violation. In accordance with the policy adopted by the board of education under section 3313.661 of the Revised Code, the notice provided under this division shall specify the manner and date by which the pupil or the pupil's parent, guardian, or custodian shall notify the board of the pupil's, parent's, guardian's, or custodian's intent to appeal the expulsion or suspension to the board or its designee.

Any superintendent expelling a pupil under this section for more than twenty school days or for any period of time if the expulsion will extend into the following semester or school year shall, in the notice required under this division, provide the pupil and the pupil's parent, guardian, or custodian with information about services or programs offered by public and private agencies that work toward improving those aspects of the pupil's attitudes and behavior that contributed to the incident that gave rise to the pupil's expulsion. The information shall include the names, addresses, and phone numbers of the appropriate public and private agencies.

(E) A pupil or the pupil's parent, guardian, or custodian may appeal the pupil's expulsion by a superintendent or suspension by a superintendent, principal, assistant principal, or other administrator to the board of education or to its designee. If the pupil or the pupil's parent, guardian, or custodian intends to appeal the expulsion or suspension to the board or its designee, the pupil or the pupil's parent, guardian, or custodian shall notify the board in the manner and by the date specified in the notice provided under division (D) of this section. The pupil or the pupil's parent, guardian, or custodian may be represented in all appeal proceedings and shall be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion. At the request of the pupil or of the pupil's parent, guardian, custodian, or attorney, the board or its designee may hold the hearing in executive session but shall act upon the suspension or expulsion only at a public meeting. The board, by a majority vote of its full membership or by the action of its designee, may affirm the order of suspension or expulsion, reinstate the pupil, or otherwise reverse, vacate, or modify the order of suspension or expulsion. The board or its designee shall make a verbatim record of hearings held under this division. The decisions of the board or its designee may be appealed under Chapter 2506. of the Revised Code. This section shall not be construed to require notice and hearing in accordance with division (A), (B), or (C) of this section in the case of normal disciplinary procedures in which a pupil is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

(F)

(1) If a pupil is expelled pursuant to division (B) of this section for committing any violation listed in division (A) of section 3313.662 of the Revised Code and the pupil was sixteen years of age or older at the time of committing the violation, if a complaint, indictment, or information is filed alleging that the pupil is a delinquent child based upon the commission of the violation or the pupil is prosecuted as an adult for the commission of the violation, and if the resultant juvenile court or criminal proceeding is pending at the time that the expulsion terminates, the superintendent of schools that expelled the pupil may file a motion with the court in which the proceeding is pending requesting an order extending the expulsion for the lesser of an additional eighty days or the number of school days remaining in the school year. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent and to the pupil and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe that the pupil committed the alleged violation that is the basis of the expulsion and, upon determining that reasonable cause to believe the pupil committed the violation does exist, shall grant the requested extension.
(2) If a pupil has been convicted of or adjudicated a delinquent child for a violation listed in division (A) of section 3313.662 of the Revised Code for an act that was committed when the child was sixteen years of age or older, if the pupil has been expelled pursuant to division (B) of this section for that violation, and if the board of education of the school district of the school from which the pupil was expelled has adopted a resolution seeking the pupil's permanent exclusion, the superintendent may file a motion with the court that convicted the pupil or adjudicated the pupil a delinquent child requesting an order to extend the expulsion until an adjudication order or other determination regarding permanent exclusion is issued by the superintendent of public instruction pursuant to section 3301.121 and division (D) of section 3313.662 of the Revised Code. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent of the school district, the pupil, and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe the pupil's continued attendance in the public school system may endanger the health and safety of other pupils or school employees and, upon making that determination, shall grant the requested extension.

(G) The failure of the superintendent or the board of education to provide the information regarding the possibility of permanent exclusion in the notice required by divisions (A), (B), and (D) of this section is not jurisdictional, and the failure shall not affect the validity of any suspension or expulsion procedure that is conducted in accordance with this section or the validity of a permanent exclusion procedure that is conducted in accordance with sections 3301.121 and 3313.662 of the Revised Code.

(H) With regard to suspensions and expulsions pursuant to divisions (A) and (B) of this section by the board of education of any city, exempted village, or local school district, this section shall apply to any student, whether or not the student is enrolled in the district, attending or otherwise participating in any curricular program provided in a school operated by the board or provided on any other property owned or controlled by the board.

(I) Whenever a student is expelled under this section, the expulsion shall result in removal of the student from the student's regular school setting. However, during the period of the expulsion, the board of education of the school district that expelled the student or any board of education admitting the student during that expulsion period may provide educational services to the student in an alternative setting.

(J)

(1) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if one of the following applies:

(a) The pupil has been suspended from the schools of another district under division (A) of this section and the period of suspension, as established under that division, has not expired;

(b) The pupil has been expelled from the schools of another district under division (B) of this section and the period of the expulsion, as established under that division or as extended under division (F) of this section, has not expired.

If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than upon expiration of the suspension or expulsion period, as applicable.

(2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if the pupil has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired. If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than the earlier of the following:
(a) Upon expiration of the expulsion or removal period imposed by the out-of-state school;
(b) Upon expiration of a period established by the district, beginning with the date of expulsion or removal from the out-of-state school, that is no greater than the period of expulsion that the pupil would have received under the policy adopted by the district under section 3313.661 of the Revised Code had the offense that gave rise to the expulsion or removal by the out-of-state school been committed while the pupil was enrolled in the district.

(K) As used in this section:
(1) "Permanently exclude" and "permanent exclusion" have the same meanings as in section 3313.662 of the Revised Code.
(2) "In-school suspension" means the pupil will serve all of the suspension in a supervised learning environment within a school setting.

**ORC 3313.661. Policy regarding suspension, expulsion, removal, and permanent exclusion**

(A) […] If a board of education adopts a resolution pursuant to division (B)(3) of section 3313.66 of the Revised Code, the policy shall define the term "knife capable of causing serious bodily injury" or "firearm," as applicable, for purposes of expulsion under that resolution and shall specify any reasons for which the superintendent of the district may reduce any required expulsion period on a case-by-case basis. If a board of education adopts a resolution pursuant to division (B)(4) or (5) of section 3313.66 of the Revised Code, the policy shall specify any reasons for which the superintendent of the district may reduce any required expulsion period on a case-by-case basis. The policy also shall set forth the acts listed in section 3313.662 of the Revised Code for which a pupil may be permanently excluded.

The policy adopted under this division shall specify the date and manner by which a pupil or a pupil's parent, guardian, or custodian may notify the board of the pupil's, parent's, guardian's, or custodian's intent to appeal an expulsion or suspension to the board or its designee pursuant to division (E) of section 3313.66 of the Revised Code.

**ORC 3313.662. Adjudication order permanently excluding pupil from public schools.**

(F)(1)(c) Upon receipt of a resolution of a board of education requesting the revocation of a permanent exclusion of a pupil, the superintendent of public instruction, in accordance with the adjudication procedures of Chapter 119. of the Revised Code, shall issue an adjudication order that revokes the permanent exclusion of the pupil from public school attendance or that rejects the resolution of the board of education.

**ORC 3313.662. Adjudication order permanently excluding pupil from public schools.**

(A) The superintendent of public instruction, pursuant to this section and the adjudication procedures of section 3301.121 of the Revised Code, may issue an adjudication order that permanently excludes a pupil from attending any of the public schools of this state if the pupil is convicted of, or adjudicated a delinquent child for, committing, when the pupil was sixteen years of age or older, an act that would be a criminal offense if committed by an adult and if the act is any of the following:

(1) A violation of section 2923.122 of the Revised Code;
(2) A violation of section 2923.12 of the Revised Code, of a substantially similar municipal ordinance, or of section 2925.03 of the Revised Code that was committed on property owned or controlled by, or at an activity held under the auspices of, a board of education of a city, local, exempted village, or joint vocational school district;
(3) A violation of section 2925.11 of the Revised Code, other than a violation of that section that would be a minor drug possession offense, that was committed on property owned or controlled by, or at an

(4) A violation of section 2903.01, 2903.02, 2903.03, 2903.04, 2903.11, 2903.12, 2907.02, or 2907.05 or of former section 2907.12 of the Revised Code that was committed on property owned or controlled by, or at an activity held under the auspices of, a board of education of a city, local, exempted village, or joint vocational school district, if the victim at the time of the commission of the act was an employee of that board of education;

(5) Complicity in any violation described in division (A)(1), (2), (3), or (4) of this section that was alleged to have been committed in the manner described in division (A)(1), (2), (3), or (4) of this section, regardless of whether the act of complicity was committed on property owned or controlled by, or at an activity held under the auspices of, a board of education of a city, local, exempted village, or joint vocational school district.

(B) A pupil may be suspended or expelled in accordance with section 3313.66 of the Revised Code prior to being permanently excluded from public school attendance under this section and section 3301.121 of the Revised Code.

(C)(1) If the superintendent of a city, local, exempted village, or joint vocational school district in which a pupil attends school obtains or receives proof that the pupil has been convicted of committing when the pupil was sixteen years of age or older a violation listed in division (A) of this section or adjudicated a delinquent child for the commission when the pupil was sixteen years of age or older of a violation listed in division (A) of this section, the superintendent may issue to the board of education of the school district a request that the pupil be permanently excluded from public school attendance, if both of the following apply:

(a) After obtaining or receiving proof of the conviction or adjudication, the superintendent or the superintendent's designee determines that the pupil's continued attendance in school may endanger the health and safety of other pupils or school employees and gives the pupil and the pupil's parent, guardian, or custodian written notice that the superintendent intends to recommend to the board of education that the board adopt a resolution requesting the superintendent of public instruction to permanently exclude the pupil from public school attendance.

(b) The superintendent or the superintendent's designee forwards to the board of education the superintendent's written recommendation that includes the determinations the superintendent or designee made pursuant to division (C)(1)(a) of this section and a copy of the proof the superintendent received showing that the pupil has been convicted of or adjudicated a delinquent child for a violation listed in division (A) of this section that was committed when the pupil was sixteen years of age or older.

(2) Within fourteen days after receipt of a recommendation from the superintendent pursuant to division (C)(1)(b) of this section that a pupil be permanently excluded from public school attendance, the board of education of a city, local, exempted village, or joint vocational school district, after review and consideration of all of the following available information, may adopt a resolution requesting the superintendent of public instruction to permanently exclude the pupil who is the subject of the recommendation from public school attendance:

(a) The academic record of the pupil and a record of any extracurricular activities in which the pupil previously was involved;

(b) The disciplinary record of the pupil and any available records of the pupil's prior behavioral problems other than the behavioral problems contained in the disciplinary record;

(d) The pupil's response to the imposition of prior discipline and sanctions imposed for behavioral problems;

(e) Evidence regarding the seriousness of and any aggravating factors related to the offense that is the basis of the resolution seeking permanent exclusion;

(f) Any mitigating circumstances surrounding the offense that gave rise to the request for permanent exclusion;

(g) Evidence regarding the probable danger posed to the health and safety of other pupils or of school employees by the continued presence of the pupil in a public school setting;

(h) Evidence regarding the probable disruption of the teaching of any school district's graded course of study by the continued presence of the pupil in a public school setting;

(i) Evidence regarding the availability of alternative sanctions of a less serious nature than permanent exclusion that would enable the pupil to remain in a public school setting without posing a significant danger to the health and safety of other pupils or of school employees and without posing a threat of the disruption of the teaching of any district's graded course of study.

(3) If the board does not adopt a resolution requesting the superintendent of public instruction to permanently exclude the pupil, it immediately shall send written notice of that fact to the superintendent who sought the resolution, to the pupil who was the subject of the proposed resolution, and to that pupil's parent, guardian, or custodian.

(D)(1) Upon adoption of a resolution under division (C) of this section, the board of education immediately shall forward to the superintendent of public instruction the written resolution, proof of the conviction or adjudication that is the basis of the resolution, a copy of the pupil's entire school record, and any other relevant information and shall forward a copy of the resolution to the pupil who is the subject of the recommendation and to that pupil's parent, guardian, or custodian.

(2) The board of education that adopted and forwarded the resolution requesting the permanent exclusion of the pupil to the superintendent of public instruction promptly shall designate a representative of the school district to present the case for permanent exclusion to the superintendent or the referee appointed by the superintendent. The representative of the school district may be an attorney admitted to the practice of law in this state. At the adjudication hearing held pursuant to section 3301.121 of the Revised Code, the representative of the school district shall present evidence in support of the requested permanent exclusion.

(3) Upon receipt of a board of education's resolution requesting the permanent exclusion of a pupil from public school attendance, the superintendent of public instruction, in accordance with the adjudication procedures of section 3301.121 of the Revised Code, promptly shall issue an adjudication order that either permanently excludes the pupil from attending any of the public schools of this state or that rejects the resolution of the board of education.

(E) Notwithstanding any provision of section 3313.64 of the Revised Code or an order of any court of this state that otherwise requires the admission of the pupil to a school, no school official in a city, local, exempted village, or joint vocational school district knowingly shall admit to any school in the school district a pupil who has been permanently excluded from public school attendance by the superintendent of public instruction.

(F)(1)(a) Upon determining that the school attendance of a pupil who has been permanently excluded from public school attendance no longer will endanger the health and safety of other students or school employees, the superintendent of any city, local, exempted village, or joint vocational school district knowingly shall admit to any school in the school district a pupil who desires to attend school may issue to the board of education of the school district a recommendation, including the reasons for the recommendation, that the permanent exclusion of a pupil be revoked and the pupil be allowed to return to the public schools of the state.
If any violation which in whole or in part gave rise to the permanent exclusion of any pupil involved the pupil's bringing a firearm to a school operated by the board of education of a school district or onto any other property owned or operated by such a board, no superintendent shall recommend under this division an effective date for the revocation of the pupil's permanent exclusion that is less than one year after the date on which the last such firearm incident occurred. However, on a case-by-case basis, a superintendent may recommend an earlier effective date for such a revocation for any of the reasons for which the superintendent may reduce the one-year expulsion requirement in division (B)(2) of section 3313.66 of the Revised Code.

(b) Upon receipt of the recommendation of the superintendent that a permanent exclusion of a pupil be revoked, the board of education of a city, local, exempted village, or joint vocational school district may adopt a resolution by a majority vote of its members requesting the superintendent of public instruction to revoke the permanent exclusion of the pupil. Upon adoption of the resolution, the board of education shall forward a copy of the resolution, the reasons for the resolution, and any other relevant information to the superintendent of public instruction.

(c) Upon receipt of a resolution of a board of education requesting the revocation of a permanent exclusion of a pupil, the superintendent of public instruction, in accordance with the adjudication procedures of Chapter 119. of the Revised Code, shall issue an adjudication order that revokes the permanent exclusion of the pupil from public school attendance or that rejects the resolution of the board of education.

(2)(a) A pupil who has been permanently excluded pursuant to this section and section 3301.121 of the Revised Code may request the superintendent of any city, local, exempted village, or joint vocational school district in which the pupil desires to attend school to admit the pupil on a probationary basis for a period not to exceed ninety school days. Upon receiving the request, the superintendent may enter into discussions with the pupil and with the pupil's parent, guardian, or custodian or a person designated by the pupil's parent, guardian, or custodian to develop a probationary admission plan designed to assist the pupil's probationary admission to the school. The plan may include a treatment program, a behavioral modification program, or any other program reasonably designed to meet the educational needs of the child and the disciplinary requirements of the school.

If any violation which in whole or in part gave rise to the permanent exclusion of the pupil involved the pupil's bringing a firearm to a school operated by the board of education of any school district or onto any other property owned or operated by such a board, no plan developed under this division for the pupil shall include an effective date for the probationary admission of the pupil that is less than one year after the date on which the last such firearm incident occurred except that on a case-by-case basis, a plan may include an earlier effective date for such an admission for any of the reasons for which the superintendent of the district may reduce the one-year expulsion requirement in division (B)(2) of section 3313.66 of the Revised Code.

(b) If the superintendent of a school district, a pupil, and the pupil's parent, guardian, or custodian or a person designated by the pupil's parent, guardian, or custodian agree upon a probationary admission plan prepared pursuant to division (F)(2)(a) of this section, the superintendent of the school district shall issue to the board of education of the school district a recommendation that the pupil be allowed to attend school within the school district under probationary admission, the reasons for the recommendation, and a copy of the agreed upon probationary admission plan. Within fourteen days after the board of education receives the recommendation, reasons, and plan, the board may adopt the recommendation by a majority vote of its members. If the board adopts the recommendation, the pupil may attend school under probationary admission within that school district for a period not to exceed ninety days or any additional probationary period permitted under divisions (F)(2)(d) and (e) of
this section in accordance with the probationary admission plan prepared pursuant to division (F)(2)(a) of this section.

(c) If a pupil who is permitted to attend school under probationary admission pursuant to division (F)(2)(b) of this section fails to comply with the probationary admission plan prepared pursuant to division (F)(2)(a) of this section, the superintendent of the school district immediately may remove the pupil from the school and issue to the board of education of the school district a recommendation that the probationary admission be revoked. Within five days after the board of education receives the recommendation, the board may adopt the recommendation to revoke the pupil's probationary admission by a majority vote of its members. If a majority of the board does not adopt the recommendation to revoke the pupil's probationary admission, the pupil shall continue to attend school in compliance with the pupil's probationary admission plan.

(d) If a pupil who is permitted to attend school under probationary admission pursuant to division (F)(2)(b) of this section complies with the probationary admission plan prepared pursuant to division (F)(2)(a) of this section, the pupil or the pupil's parent, guardian, or custodian, at any time before the expiration of the ninety-day probationary admission period, may request the superintendent of the school district to extend the terms and period of the pupil's probationary admission for a period not to exceed ninety days or to issue a recommendation pursuant to division (F)(1) of this section that the pupil's permanent exclusion be revoked and the pupil be allowed to return to the public schools of this state.

(e) If a pupil is granted an extension of the pupil's probationary admission pursuant to division (F)(2)(d) of this section, the pupil or the pupil's parent, guardian, or custodian, in the manner described in that division, may request, and the superintendent and board, in the manner described in that division, may recommend and grant, subsequent probationary admission periods not to exceed ninety days each. If a pupil who is permitted to attend school under an extension of a probationary admission plan complies with the probationary admission plan prepared pursuant to the extension, the pupil or the pupil's parent, guardian, or custodian may request a revocation of the pupil's permanent exclusion in the manner described in division (F)(2)(d) of this section.

(f) Any extension of a probationary admission requested by a pupil or a pupil's parent, guardian, or custodian pursuant to divisions (F)(2)(d) or (e) of this section shall be subject to the adoption and approval of a probationary admission plan in the manner described in divisions (F)(2)(a) and (b) of this section and may be terminated as provided in division (F)(2)(c) of this section.

(g) If the pupil has complied with any probationary admission plan and the superintendent issues a recommendation that seeks revocation of the pupil's permanent exclusion pursuant to division (F)(1) of this section, the pupil's compliance with any probationary admission plan may be considered along with other relevant factors in any determination or adjudication conducted pursuant to division (F)(1) of this section.

(G)(1) Except as provided in division (G)(2) of this section, any information regarding the permanent exclusion of a pupil shall be included in the pupil's official records and shall be included in any records sent to any school district that requests the pupil's records.

(2) When a pupil who has been permanently excluded from public school attendance reaches the age of twenty-two or when the permanent exclusion of a pupil has been revoked, all school districts that maintain records regarding the pupil's permanent exclusion shall remove all references to the exclusion from the pupil's file and shall destroy them.

A pupil who has reached the age of twenty-two or whose permanent exclusion has been revoked may send a written notice to the superintendent of any school district maintaining records of the pupil's permanent exclusion requesting the superintendent to ensure that the records are removed from the pupil's file and destroyed. Upon receipt of the request and a determination that the pupil is twenty-two
years of age or older or that the pupil's permanent exclusion has been revoked, the superintendent shall ensure that the records are removed from the pupil's file and destroyed.

The board of education of a city, exempted village, or local school district may adopt a policy granting assistant principals and other administrators the authority to suspend a pupil from school for a period of time as specified in the policy of the board of education, not to exceed ten school days. (b) Provides the pupil an opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or superintendent's designee and challenge the reason for the intended suspension or otherwise to explain the pupil's actions.

(2) If a pupil is issued an in-school suspension, the superintendent or principal shall ensure the pupil is serving the suspension in a supervised learning environment.

(3) Each school district board shall adopt a policy establishing parameters for completing and grading assignments missed because of a pupil's suspension.

(a) The policy shall provide the pupil an opportunity to do both of the following:

(i) Complete any classroom assignments missed because of the suspension;

(ii) Receive at least partial credit for a completed assignment.

(b) The policy may permit grade reductions on account of the pupil's suspension.

(c) The policy shall prohibit the receipt of a failing grade on a completed assignment solely on account of the pupil's suspension.

If the child who has withdrawn from school has done so because of change of residence, the next residence shall be ascertained and shall be included in the notice thus transmitted. The superintendent shall thereupon forward a card showing the essential facts regarding the child and stating the place of the child's new residence to the superintendent of schools of the district to which the child has moved.

The superintendent of public instruction may prescribe the forms to be used in the operation of this division.

(2) The board of education of a school district may adopt a resolution providing that the provisions of division (B)(2) of this section apply within the district. The provisions of division (B)(2) of this section do not apply within any school district, and no superintendent of a school district shall send a notification of the type described in division (B)(2) of this section to the registrar of motor vehicles or the juvenile judge of the county in which the district is located, unless the board of education of the district has adopted such a resolution. If the board of education of a school district adopts a resolution providing that the provisions of division (B)(2) of this section apply within the district, and if the superintendent of schools of that district receives information that, during any semester or term, a child of compulsory school age has been absent without legitimate excuse from the school the child is supposed to attend for more than sixty consecutive hours in a single month or for at least ninety hours in a school year, the superintendent shall notify the child and the child's parent, guardian, or custodian, in writing, that the information has been provided to the superintendent, that as a result of that information the child's temporary instruction permit or driver's license will be suspended or the opportunity to obtain such a permit or license will be denied, and that the child and the child's parent, guardian, or custodian may appear in person at a scheduled date, time, and place before the superintendent or a designee to challenge the information provided to the superintendent.

The notification to the child and the child's parent, guardian, or custodian required by division (B)(2) of this section shall set forth the information received by the superintendent and shall inform the child and the child's parent, guardian, or custodian of the scheduled date, time, and place of the appearance that they may have before the superintendent or a designee. If an extension is granted, the superintendent shall schedule a new date, time, and place for the appearance.
and shall inform the child and the child’s parent, guardian, or custodian of the new date, time, and place.

If the child and the child’s parent, guardian, or custodian do not appear before the superintendent or a designee on the scheduled date and at the scheduled time and place, or if the child and the child’s parent, guardian, or custodian appear before the superintendent or a designee on the scheduled date and at the scheduled time and place but the superintendent or a designee determines that the information the superintendent received indicating that, during the semester or term, the child had been absent without legitimate excuse from the school the child was supposed to attend for more than sixty consecutive hours or for at least ninety total hours, the superintendent shall notify the registrar of motor vehicles and the juvenile judge of the county in which the district is located that the child has been absent for that period of time and that the child does not have any legitimate excuse for the habitual absence. A notification to the registrar required by this division shall be given in the manner the registrar by rule requires and a notification to the juvenile judge required by this division shall be given in writing. Each notification shall be given within two weeks after the receipt of the information of the habitual absence from school without legitimate excuse, or, if the child and the child’s parent, guardian, or custodian appear before the superintendent or a designee to challenge the information, within two weeks after the appearance.

For purposes of division (B)(2) of this section, a legitimate excuse for absence from school includes, but is not limited to, the fact that the child in question has enrolled in another school or school district in this or another state, the fact that the child in question was excused from attendance for any of the reasons specified in section 3321.04 of the Revised Code, or the fact that the child in question has received an age and schooling certificate in accordance with section 3331.01 of the Revised Code.

(3) Whenever a pupil is suspended or expelled from school pursuant to section 3313.66 of the Revised Code and the reason for the suspension or expulsion is the use or possession of alcohol, a drug of abuse, or alcohol and a drug of abuse, the superintendent of schools of that district may notify the registrar and the juvenile judge of the county in which the district is located of such suspension or expulsion. Any such notification of suspension or expulsion shall be given to the registrar, in the manner the registrar by rule requires and shall be given to the juvenile judge in writing. The notifications shall be given within two weeks after the suspension or expulsion.

(4) Whenever a pupil is suspended, expelled, removed, or permanently excluded from a school for misconduct included in a policy that the board of education of a city, exempted village, or local school district has adopted under division (A) of section 3313.661 of the Revised Code, and the misconduct involves a firearm or a knife or other weapon as defined in that policy, the superintendent of schools of that district shall notify the registrar and the juvenile judge of the county in which the district is located of the suspension, expulsion, removal, or permanent exclusion. The notification shall be given to the registrar in the manner the registrar, by rule, requires and shall be given to the juvenile judge in writing. The notifications shall be given within two weeks after the suspension, expulsion, removal, or permanent exclusion.

(C) A notification of withdrawal, habitual absence without legitimate excuse, suspension, or expulsion given to the registrar or a juvenile judge under division (B)(1), (2), (3), or (4) of this section shall contain the name, address, date of birth, school, and school district of the child. If the superintendent finds, after giving a notification of withdrawal, habitual absence without legitimate excuse, suspension, or expulsion to the registrar and the juvenile judge under division (B)(1), (2), (3), or (4) of this section, that the notification was given in error, the superintendent immediately shall notify the registrar and the juvenile judge of that fact.

(b) The school district or school has made meaningful attempts to re-engage the student through the absence intervention plan, other intervention strategies, and any offered alternatives to adjudication described under division (C)(2)(b) of section 3321.191 of the Revised Code.

(c) The student has refused to participate in or failed to make satisfactory progress on the plan, as determined by the absence intervention team, or any offered intervention strategies or alternative to adjudication.

(2) If the student, at any time during the implementation phase of the absence intervention plan or other intervention strategies, is absent without legitimate excuse for thirty or more consecutive hours or forty-two or more hours in one school month, the attendance officer shall file a complaint in juvenile court against that student, unless the absence intervention team has determined that the student has made substantial progress on the absence intervention plan.

(3) In the event that the sixty-first day after the implementation of the absence intervention plan or other intervention strategies falls on a day during the summer months, in the school district's discretion, the absence intervention team or the attendance officer may extend the implementation of the plan and delay the filing of the complaint for an additional thirty days from the first day of instruction of the next school year.

(A) As used in this section and section 3321.191 of the Revised Code, "habitual truant" has the same meaning as in section 2151.011 of the Revised Code.

(B) When a board of education of any city, exempted village, local, joint vocational, or cooperative education school district or the governing board of any educational service center determines that a student in its district has been truant and the parent, guardian, or other person having care of the child has failed to cause the student's attendance at school, the board may require the parent, guardian, or other person having care of the child pursuant to division (B) of this section to attend an educational program established pursuant to rules adopted by the state board of education for the purpose of encouraging parental involvement in compelling the attendance of the child at school.

No parent, guardian, or other person having care of a child shall fail without good cause to attend an educational program described in this division if the parent, guardian, or other person has been served notice pursuant to division (C) of this section.

(C) On the request of the superintendent of schools, the superintendent of any educational service center, the board of education of any city, exempted village, local, joint vocational, or cooperative education school district, or the governing board of any educational service center or when it otherwise comes to the notice of the attendance officer or other appropriate officer of the school district, the attendance officer or other appropriate officer shall examine into any case of supposed truancy within the district and shall warn the child, if found truant, and the child's parent, guardian, or other person having care of the child, in writing, of the legal consequences of being truant. When any child of compulsory school age, in violation of law, is not attending school, the attendance or other appropriate officer shall notify the parent, guardian, or other person having care of that child of the fact, and require the parent, guardian, or other person to cause the child to attend school immediately. The parent, guardian, or other person having care of the child shall cause the child's attendance at school. In hearing the matter and determining whether the petitioner has shown that the petitioner's temporary instruction permit or driver's license should not be suspended or that the petitioner's opportunity to obtain such a permit or license should not be denied, the court shall decide the issue upon the information...
furnished by the registrar and the superintendent and any such additional evidence that the registrar, the superintendent, or the petitioner submits.

If the court finds from the evidence submitted that the petitioner has failed to show error in the action taken by the registrar under division (B) of this section and has failed to prove any of the matters within the scope of the hearing, then the court may assess the cost of the proceeding against the petitioner and shall uphold the suspension of the petitioner's permit or license or the denial of the petitioner's opportunity to obtain a permit or license. If the court finds that the petitioner has shown error in the action taken by the registrar under division (B) of this section or has proved one or more of the matters within the scope of the hearing, or both, the cost of the proceeding shall be paid out of the county treasury of the county in which the proceedings were held, and the suspension of the petitioner's permit or license or the denial of the person's opportunity to obtain a permit or license shall be terminated.

(B)

(2) The board of education of a school district may adopt a resolution providing that the provisions of division (B)(2) of this section apply within the district. The provisions of division (B)(2) of this section do not apply within any school district, and no superintendent of a school district shall send a notification of the type described in division (B)(2) of this section to the registrar of motor vehicles or the juvenile judge of the county in which the district is located, unless the board of education of the district has adopted
such a resolution. If the board of education of a school district adopts a resolution providing that the provisions of division (B)(2) of this section apply within the district, and if the superintendent of schools of that district receives information that, during any semester or term, a child of compulsory school age has been absent without legitimate excuse from the school the child is supposed to attend for more than sixty consecutive hours in a single month or for at least ninety hours in a school year, the superintendent shall notify the child and the child's parent, guardian, or custodian, in writing, that the information has been provided to the superintendent, that as a result of that information the child's temporary instruction permit or driver's license will be suspended or the opportunity to obtain such a permit or license will be denied, and that the child and the child's parent, guardian, or custodian may appear in person at a scheduled date, time, and place before the superintendent or a designee to challenge the information provided to the superintendent.

The notification to the child and the child's parent, guardian, or custodian required by division (B)(2) of this section shall set forth the information received by the superintendent and shall inform the child and the child's parent, guardian, or custodian of the scheduled date, time, and place of the appearance that they may have before the superintendent or a designee. The date scheduled for the appearance shall be no earlier than three and no later than five days after the notification is given, provided that an extension may be granted upon request of the child or the child's parent, guardian, or custodian. If an extension is granted, the superintendent shall schedule a new date, time, and place for the appearance and shall inform the child and the child's parent, guardian, or custodian of the new date, time, and place.

If the child and the child's parent, guardian, or custodian do not appear before the superintendent or a designee on the scheduled date and at the scheduled time and place, or if the child and the child's parent, guardian, or custodian appear before the superintendent or a designee on the scheduled date and at the scheduled time and place but the superintendent or a designee determines that the information the superintendent received indicating that, during the semester or term, the child had been absent without legitimate excuse from the school the child was supposed to attend for more than sixty consecutive hours or for at least ninety total hours, the superintendent shall notify the registrar of motor vehicles and the juvenile judge of the county in which the district is located that the child has been absent for that period of time and that the child does not have any legitimate excuse for the habitual absence. A notification to the registrar required by this division shall be given in the manner the registrar by rule requires and a notification to the juvenile judge required by this division shall be given in writing. Each notification shall be given within two weeks after the receipt of the information of the habitual absence from school without legitimate excuse, or, if the child and the child's parent, guardian, or custodian appear before the superintendent or a designee to challenge the information, within two weeks after the appearance.

For purposes of division (B)(2) of this section, a legitimate excuse for absence from school includes, but is not limited to, the fact that the child in question has enrolled in another school or school district in this or another state, the fact that the child in question was excused from attendance for any of the reasons specified in section 3321.04 of the Revised Code, or the fact that the child in question has received an age and schooling certificate in accordance with section 3331.01 of the Revised Code.

warn the child, if found truant, and the child's parent, guardian, or other person having care of the child, in writing, of the legal consequences of being truant. When any child of compulsory school age, in violation of law, is not attending school, the attendance or other appropriate officer shall notify the parent, guardian, or other person having care of that child of the fact, and require the parent, guardian, or other person to cause the child to attend school immediately. The parent, guardian, or other person having care of the child shall cause the child's attendance at school. Upon the failure of the parent, guardian, or other person having care of the child to do so, the attendance officer or other appropriate officer, if so directed by the superintendent, the district board, or the educational service center governing board, shall send notice requiring the attendance of that parent, guardian, or other person at a parental education program established pursuant to division (B) of this section and, subject to divisions (D) and (E) of this section, may file a complaint against the parent, guardian, or other person having care of the child in any court of competent jurisdiction.

(ix) Any other action designed to correct the district's data reporting problems.

(3) Any time the department takes an action against a school district under division (L)(2) of this section, the department shall make a report of the circumstances that prompted the action. The department shall send a copy of the report to the district superintendent or chief administrator and maintain a copy of the report in its files.

The department may withhold state funds due to the district for this purpose.

(6) Prior to issuing a revised report card for a school district under division (L)(2)(d)(viii) of this section, the department may hold a hearing to provide the district with an opportunity to demonstrate that it made a good faith effort to report data as required by this section. The hearing shall be conducted by a referee appointed by the department. Based on the information provided in the hearing, the referee shall recommend whether the department should issue a revised report card for the district. If the referee affirms the department's contention that the district did not make a good faith effort to report data as required by this section, the district shall bear the full cost of conducting the hearing and of issuing any revised report card.

(7) If the department determines that any inaccurate data reported under this section caused a school district to receive excess state funds in any fiscal year, the district shall reimburse the department an amount equal to the excess funds, in accordance with a payment schedule determined by the department. The department may withhold state funds due to the district for this purpose.

(8) Any school district that has funds withheld under division (L)(2) of this section may appeal the withholding in accordance with Chapter 119. of the Revised Code.

(9) In all cases of a disagreement between the department and a school district regarding the appropriateness of an action taken under division (L)(2) of this section, the burden of proof shall be on the district to demonstrate that it made a good faith effort to report data as required by this section.

(b) The school district or school has made meaningful attempts to re-engage the student through the absence intervention plan, other intervention strategies, and any offered alternatives to adjudication described under division (C)(2)(b) of section 3321.191 of the Revised Code.

(c) The student has refused to participate in or failed to make satisfactory progress on the plan, as determined by the absence intervention team, or any offered intervention strategies or alternative to adjudication.

(2) If the student, at any time during the implementation phase of the absence intervention plan or other intervention strategies, is absent without legitimate excuse for thirty or more consecutive hours or forty-two or more hours in one school month, the attendance officer shall file a complaint in juvenile court against that student, unless the absence intervention team has determined that the student has made substantial progress on the absence intervention plan.

(3) In the event that the sixty-first day after the implementation of the absence intervention plan or other intervention strategies falls on a day during the summer months, in the school district's discretion, the absence intervention team or the attendance officer may extend the implementation of the plan and delay the filing of the complaint for an additional thirty days from the first day of instruction of the next school year.
**ORC 3321.17. Attendance officer and assistants - powers.**
The attendance officer and assistants provided for by section 3321.14 or 3321.15 of the Revised Code shall be vested with police powers, may serve warrants, and may enter workshops, factories, stores, and all other places where children are employed and do whatever is necessary in the way of investigation or otherwise to enforce the laws relating to compulsory education and the employment of minors. The attendance officer or assistant may also take into custody any youth of compulsory school age not legally employed on an age and schooling certificate who is not attending school and shall conduct such youth to the school he has been attending or should rightfully attend.

**ORC 3321.18. Enforcement proceedings.**
The attendance officer provided for by section 3321.14 or 3321.15 of the Revised Code shall institute proceedings against any officer, parent, guardian, or other person violating laws relating to compulsory education and the employment of minors, and otherwise discharge the duties described in sections 3321.14 to 3321.21 of the Revised Code, and perform any other service that the superintendent of schools or board of education of the district by which the attendance officer is employed considers necessary to preserve the morals and secure the good conduct of school children, and to enforce those laws. The attendance officer shall be furnished with copies of the enumeration in each school district in which the attendance officer serves and of the lists of pupils enrolled in the schools and shall report to the superintendent discrepancies between these lists and the enumeration. The attendance officer and assistants shall cooperate with the director of commerce in enforcing the laws relating to the employment of minors. The attendance officer shall furnish upon request any data that the attendance officer and the attendance officer's assistants have collected in their reports of children from six to eighteen years of age and also concerning employers to the director and upon request to the state board of education. The attendance officer shall keep a record of the attendance officer's transactions for the inspection and information of the superintendent of schools and the board of education; and shall make reports to the superintendent of schools as often as required by the superintendent. The state board of education may prescribe forms for the use of attendance officers in the performance of their duties. The blank forms and record books or indexes shall be furnished to the attendance officers by the boards of education by which they are employed.

**ORC 3321.19. Examination into cases of truancy - failure of parent, guardian or responsible person to cause child's attendance at school.**
(C) On the request of the superintendent of schools, the superintendent of any educational service center, the board of education of any city, exempted village, local, joint vocational, or cooperative education school district, or the governing board of any educational service center or when it otherwise comes to the notice of the attendance officer or other appropriate officer of the school district, the attendance officer or other appropriate officer shall examine into any case of supposed truancy within the district and shall warn the child, if found truant, and the child's parent, guardian, or other person having care of the child, in writing, of the legal consequences of being truant. When any child of compulsory school age, in violation of law, is not attending school, the attendance or other appropriate officer shall notify the parent, guardian, or other person having care of that child of the fact, and require the parent, guardian, or other person to cause the child to attend school immediately. The parent, guardian, or other person having care of the child shall cause the child's attendance at school. Upon the failure of the parent, guardian, or other person having care of the child to do so, the attendance officer or other appropriate officer, if so directed by the superintendent, the district board, or the educational service center governing board, shall send notice requiring the attendance of that parent, guardian, or other person at a parental education program established pursuant to division (B) of this section and, subject to divisions (D) and (E) of this section,
may file a complaint against the parent, guardian, or other person having care of the child in any court of
competent jurisdiction.

**ORC 3321.191. Board to adopt policy regarding habitual truancy - intervention strategies.**

(A) Effective beginning with the 2017-2018 school year, the board of education of each city, exempted
village, local, joint vocational, and cooperative education school district and the governing board of each
educational service center shall adopt a new or amended policy to guide employees of the school district
or service center in addressing and ameliorating student absences. In developing the policy, the
appropriate board shall consult with the judge of the juvenile court of the county or counties in which the
district or service center is located, with the parents, guardians, or other persons having care of the pupils
attending school in the district, and with appropriate state and local agencies.

(B) The policy developed under division (A) of this section shall include as an intervention strategy all of
the following actions, if applicable:

1. Providing a truancy intervention plan for any student who is excessively absent from school, as
described in the first paragraph of division (C) of this section;
2. Providing counseling for an habitual truant;
3. Requesting or requiring a parent, guardian, or other person having care of an habitual truant to
attend parental involvement programs, including programs adopted under section 3313.472 or
3313.663 of the Revised Code;
4. Requesting or requiring a parent, guardian, or other person having care of an habitual truant to
attend truancy prevention mediation programs;
5. Notification of the registrar of motor vehicles under section 3321.13 of the Revised Code;
6. Taking legal action under section 2919.222, 3321.20, or 3321.38 of the Revised Code.

(C) (1) In the event that a child of compulsory school age is absent with or without legitimate excuse from
the public school the child is supposed to attend for thirty-eight or more hours in one school month, or
sixty-five or more hours in a school year, the attendance officer of that school shall notify the child's
parent, guardian, or custodian of the child's absences, in writing, within seven days after the date after the
absence that triggered the notice requirement. At the time notice is given, the school also may take any
appropriate action as an intervention strategy contained in the policy developed by the board pursuant to
division (A) of this section.

2(a) If the absences of a student surpass the threshold for an habitual truant as set forth in section
2151.011 of the Revised Code, the principal or chief administrator of the school or the superintendent of
the school district shall assign the student to an absence intervention team. Within fourteen school days
after the assignment of a student to an absence intervention team, the team shall develop an
intervention plan for that student in an effort to reduce or eliminate further absences. Each intervention
plan shall vary based on the individual needs of the student, but the plan shall state that the attendance
officer shall file a complaint not later than sixty-one days after the date the plan was implemented, if the
child has refused to participate in, or failed to make satisfactory progress on, the intervention plan or an
alternative to adjudication under division (C)(2)(b) of section 3321.191 of the Revised Code. Within
seven days after the development of the plan, the school district or school shall make reasonable efforts
to provide the student's parent, guardian, custodian, guardian ad litem, or temporary custodian with
written notice of the plan.

(b) As part of the absence intervention plan described in division (C)(2) of this section, the school
district or school, in its discretion, may contact the appropriate juvenile court and ask to have a
student informally enrolled in any alternative to adjudication described in division (G) of section 2
151.27 of the Revised Code. If the school district or school chooses to have students informally
enrolled in an alternative to adjudication, the school district or school shall develop a written policy regarding the use of, and selection process for, offering alternatives to adjudication to ensure fairness.

(c) The superintendent of each school district, or the superintendent’s designee, shall establish an absence intervention team for the district to be used by any schools of the district that do not establish their own absence intervention team as permitted under division (C)(2)(d) of this section. Membership of each absence intervention team may vary based on the needs of each individual student but shall include a representative from the child's school district or school, another representative from the child's school district or school who knows the child, and the child's parent or parent's designee, or the child's guardian, custodian, guardian ad litem, or temporary custodian. The team also may include a school psychologist, counselor, social worker, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences.

(d) The principal or chief administrator of each school may establish an absence intervention team or series of teams to be used in lieu of the district team established pursuant to division (C)(2)(c) of this section. Membership of each absence intervention team may vary based on the needs of each individual student but shall include a representative from the child's school district or school, another representative from the child's school district or school who knows the child, and the child's parent or parent's designee, or the child's guardian, custodian, guardian ad litem, or temporary custodian. The team also may include a school psychologist, counselor, social worker, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences.

(e) A superintendent, as described in division (C)(2)(c) of this section, or principal or chief administrator, as described in division (C)(2)(d) of this section, shall select the members of an absence intervention team within seven school days of the triggering event described in division (C)(2)(a) of this section. The superintendent, principal, or chief administrator, within the same period of seven school days, shall make at least three meaningful, good faith attempts to secure the participation of the student's parent, guardian, custodian, guardian ad litem, or temporary custodian on that team. If the student's parent responds to any of those attempts, but is unable to participate for any reason, the representative of the school district shall inform the parent of the parent's right to appear by designee. If seven school days elapse and the student's parent, guardian, custodian, guardian ad litem, or temporary custodian fails to respond to the attempts to secure participation, the school district or school shall do both of the following:

(i) Investigate whether the failure to respond triggers mandatory reporting to the public children services agency for the county in which the child resides in the manner described in section 2151.421 of the Revised Code;

(ii) Instruct the absence intervention team to develop an intervention plan for the child notwithstanding the absence of the child's parent, guardian, custodian, guardian ad litem, or temporary custodian.

(f) In the event that a student becomes habitually truant within twenty-one school days prior to the last day of instruction of a school year, the school district or school may, in its discretion, assign a school official to work with the child's parent, guardian, custodian, guardian ad litem, or temporary custodian to develop an absence intervention plan during the summer. If the school district or school selects this method, the plan shall be implemented not later than seven days prior to the first day of instruction of the next school year. In the alternative, the school district or school may toll the time periods to accommodate for the summer months and reconvene the absence intervention process upon the first day of instruction of the next school year.

(3) For purposes of divisions (C)(2)(c) and (d) of this section, the state board of education shall develop a format for parental permission to ensure compliance with the "Family Educational Rights and Privacy

(D) Each school district or school may consult or partner with public and nonprofit agencies to provide assistance as appropriate to students and their families in reducing absences.

(E) Beginning with the 2017-2018 school year, each school district shall report to the department of education, as soon as practicable, and in a format and manner determined by the department, any of the following occurrences:

(1) When a notice required by division (C)(1) of this section is submitted to a parent, guardian, or custodian;

(2) When a child of compulsory school age has been absent without legitimate excuse from the public school the child is supposed to attend for thirty or more consecutive hours, forty-two or more hours in one school month, or seventy-two or more hours in a school year;

(3) When a child of compulsory school age who has been adjudicated an unruly child for being an habitual truant violates the court order regarding that adjudication;

(4) When an absence intervention plan has been implemented for a child under this section.

(F) Nothing in this section shall be construed to limit the duty or authority of a district board of education or governing body of an educational service center to develop other policies related to truancy or to limit the duty or authority of any employee of the school district or service center to respond to pupil truancy. However, a board shall be subject to the prohibition against suspending, expelling, or otherwise preventing a student from attending school for excessive absences as prescribed by section 3313.668 of the Revised Code.
